(Special Correspondence.) Albee, Ore., Dec. 13.—The weather continues wet and warm and for the past week very springlike with plenty of mud all over the valley. It is not very good weather for feeding stock outside, as stock waste a good portion of the feed by tramping it in the mud.

W. and J. W. Ellis and S. B. Nell. All were loud in their praises of the supper and went home well pleased with the evening's entertainment.

There will be a turkey shoot here the 23rd inst. instead of the 24th as was first stated. There will also be a dance the night of the 23rd in the Albee hall. A midnight supper will be served at the Quant Hotel.

INDIGESTION.

Relief in Five Minutes and Permanent Cure or Money Back.

When Tallman states that he has a remedy that only costs 50 cents and is guaranteed to cure any man or woman who suffers from food fermentation, or money back, what are the poor stomach sufferers in Pendleton and vicinity going to do about it? Food fermentation causes belching, sour stomach, gas eructation, heartburn and that lump of lead feeling as you probably know.

The name of this most remarkable stomach prescription is MI-O-NA. Most people call them MI-O-NA stomach tablets because they know that there is no remedy so good for indigestion or stomach disorders. Here is one opinion:

"I have been troubled with indigestion for more than a year. I bought one box of MI-O-NA and it cured me. Now I would not be without a box in the house for \$5.00. It saves a lot of doctor bills when you can be cured for 50 cents."—Arthur Soderquest, 8 Nichols St., Wakefield, Mass.

MI-O-NO stomach tablets cost 50 cents a box at Tallman & Co.'s and drugists everywhere and money back if they don't cure.

CATHOLIC CHURCH AT UMATILLA DEDICATED

(Special Correspondence.)

Umatilla, Ore., Dec. 13.—Sunday, December 11 will be one long remembered by the people of Umatilla as on that date the first church to be built in the oldest Oregon town was dedicated for divine worship. The ceremony of dedication was performed by His Lordship C. J. O'Reilly, bishop of Baker, assisted by the Rev. Fathers Sheehan, Butler and Brophy, who are in charge of mission work in the west end of the county. The little church was filled to overflowing long before the hour of service and besides the most representative people of all creeds from Umatilla, others were present from Hermiston, Irrigon, Stanfield and Echo. The bishop preached the dedicatory sermon and explained the different rites of the church which they had just witnessed. He thanked the people of Umatilla for the part they had taken to make the church possible and also the good fathers who had charge of the work in eastern Oregon. He also said the presence of the church when fully complete will be of the finest of its size in Oregon, would bring about results for the betterment of the community and would bring God's blessing on the people. The music was rendered by a choir composed of the young people of Umatilla, assisted by a number from Hermiston who sang Conconi Mass in F. After mass the sacrament of confirmation was administered to a class of nine by his lordship the bishop. The Catholics of Umatilla are certainly to be congratulated on the erection of their church.

The first of a series of basketball games of the season opened here Friday evening when Hermiston met the Umatilla club. The game was the finest exhibition of basketball ever played in the west end and each player was well in his position in the play. The game resulted in a victory for the home team, score 29 to 28. A large number of spectators were present and the Hermiston boys brought a large number of admirers with them. The following is the lineup:

Hermiston—Giese, (capt.) center; Thompson, r. f.; Donovan, l. f.; Duncomb, r. g.; Diekmund, l. g.

Umatilla—O'Connell (capt.) center; Hinaman, r. f.; R. McMullen, l. f.; J. M. McNurien, r. g.; E. Shaw, l. g.

O'Connell's long shot from center was a feature of the game. Hindman for Umatilla did good work on baskets. Duncomb and Thompson did good work for the Hermiston team. Referee Stewart and Umpire Switzer did their part of the work in a creditable manner.

F. T. O'Connell has opened up a new general merchandise store in the Duncan Hotel building. Mr. O'Connell is a resident of Umatilla and has been in Idaho for some time, where he owns a large ranch. His friends wish him all kinds of success in his new venture.

Many persons find themselves affected with a persistent cough after an attack of influenza. As this cough can be promptly cured by the use of Chamberlain's Cough Remedy it should not be allowed to run on until it becomes troublesome. Sold by all dealers.

OREGON FRUIT MEN TALK CO-OPERATIVE PLAN

Portland, Ore.—As the result of the recent apple show held here, it is expected a plan of co-operative selling will be arranged by the fruit growers of the northwest and initial steps to organize will be taken within the next 60 days. President Atwell of the State Horticultural society, is taking the lead in the matter, and will soon issue a call to growers of Oregon, Washington and Idaho to organize such an apple-selling agency with a capital of \$500,000.

The idea was incorporated in the annual address of President Atwell before the society and orchardists of the Pacific Northwest will act upon the suggestion, believing it will effect great economies in disposing of the annual crop. The association will be patterned to some extent after the fruit associations of California and their successful methods followed in marketing.

The greatest danger from influenza is of its resulting in pneumonia. This can be obviated by using Chamberlain's Cough Remedy, as it not only cures influenza, but counteracts any tendency of the disease towards pneumonia. Sold by all dealers.

CZAR OF ALL THE RUSSIAS HOLDS LEVEE

St. Petersburg, Dec.—A levee, attended by all the fashionable society of the empire, was given today by the emperor at Winter Palace. This is the first function of its kind held since 1904.

For the last six years the czar and czarina have held as few big functions as possible, because of the fear of assassination which has rendered the existence of the imperial family miserable. Of late, however, the czar has given evidence of a healthier and braver frame of mind and the levee is looked upon as an indication of the decision of the imperial pair to resume their social activities.

During the levee the palace was surrounded with troops, while government spies fairly swarmed through the building, on the lookout for nihilists or other suspicious persons who might have affected an entrance during the arrival of the guests.
