

BATTLE SHORTAGE VERY PRONOUNCED

CATTLE INTERESTS ARE LOOKING FOR RAISE

Two-year-olds Bring Good Prices in North Portland Yards—Good Demand in All Other Lines of Live-Stock.

Portland, Ore., Dec. 19.—Competition for cattle is sending prices sky-high at country points and besides this the scarcity is the most pronounced ever shown.

This is the news brought to Portland today by Frank W. Burke, who came through from Utah with 10 loads of cattle from Kidwell & Caswell, which were put on the market this morning.

"On account of the very poor range in Utah this summer a lot of half fat cattle was sent to Omaha early this fall," said Mr. Burke to the Journal this morning. "Cattle are now very scarce in that part of the country and are extremely difficult to get. San Francisco, Los Angeles, Denver and Omaha interests are there bidding against us for the supplies and naturally this is having a stiffening effect upon prices.

"Cattle interests at interior points are looking for higher prices owing to the small supply now on feed and the great demand. While the quality of the cattle on feed will be very good this season, the number available for market is extremely small."

Good Prices for Two Year Olds. Very good prices were realized in the North Portland yards today for 2 year old cattle. Those brought forward by Frank Burke for Kidwell & Caswell were of this character, and as high as \$5.90 was secured for steers that averaged less than 1100 pounds. Cows that ranged under 1000 pounds went at \$4.90, a very unusual figure for light stuff.

Other sales of steers were made as high as \$6.50. This was for 1372 pound stuff, and only seven head went this morning at the high figure. Three cows that averaged 1240 pounds went at \$5.50 during the morning.

There was a good demand in other lines of livestock and one bull that weighed 950 pounds went at \$4, while lambs sold as high as \$7 for 12 head that averaged 107 pounds. The sheep market in general was firmer, and mixed stuff sold about a dime higher than formerly.

Hogs were quoted steady in the yards today.

The Correct Time to stop a cough or cold is just as soon as it starts—then there will be no danger of pneumonia or consumption. Just a few doses of Ballard's Horehound Syrup taken at the start will stop the cough. If it has been running on for sometime the treatment will be longer, but the cure is sure. A. C. HOUSTON IS LEADING NAVY RECRUITING STATION

Houston, Texas, Dec. 19.—By reason of her shipping interests, Houston is the leading recruiting station for Uncle Sam's navy maintained in the southwest. Last week thirteen stalwart young Texans were sent to the training ships thus setting a new record for this station. During the month of November, 84 applications were received at the Houston office by recruiting officer Delaney, who says these clean-cut young fellows make the ideal Jackies of the navy.

MRS. GORE SAYS BRIBER WAS COLDLY RECEIVED

Washington, Dec. 19.—Mrs. Gore, wife of the senator of Oklahoma, was the principal witness today before the house committee on Indian affairs at a hearing of the charges of Gore that Jacob Hammond offered him a bribe for his vote in confirmation of the Indian lands sales contracts. Mrs. Gore contradicted Hammond who said he was greeted cordially on a visit to Gore's home at the time of the alleged bribery visit. Mrs. Gore said the reception was chilly.

WONDERFUL REMEDY.

That's What is Said of Stomach Prescription Guaranteed by Tallman & Co.

Stephen Waite of Lansing, Michigan, writes:

For over three years I suffered much pain and annoyance from stomach disease. I had no help from my digestive organs apparently, and my food would stay in my stomach and ferment, causing gas; there was also a dizzy headache. I doctored and used every remedy that I heard of, but it remained for MI-O-NA to cure me entirely. Before I had used three boxes, my appetite and digestive organs became all right. It is a wonderful remedy."

MI-O-NA stomach tablets are small and easy to swallow. They stop the most painful stomach distress in five minutes. They drive out sourness and gas and make the stomach clean and sweet.

They are sold by Tallman & Co. under a positive guarantee to cure any case of indigestion or money back.

They put vigor and vitality into people run down by indigestion. Sold by Tallman & Co. and leading druggists everywhere at 50 cents a large box.

TALES ABOUT PEOPLE

New York.—May Riley Smith, the poetess, does not consider imitation the sincerest form of flattery. Whatever credit is due for her literary productions she wants for herself. In fact she despises plagiarism, especially when she is cast for the role of victim.

Some time ago a convict in a Minnesota prison wrote verses of such merit that he was given a pardon. Immediately all the bright lights of other "stars" throughout the land got wise to the "hunch" and began to woo the muse. Several inmates of the Kansas state penitentiary at Lansing were among the number, and some of their effusions were published.

May Riley Smith ran across these convict-made verses, and, aha! she at once recognized one poem, entitled "Children," as a garbled imitation of her own widely-copied "Tired Mothers." She at once wrote to the Kansas prison authorities, and the chances for that enterprising convict to get off with less than a full term have become mighty slight.

In the face of the criticism of the clergy of the entire country, Thomas A. Edison remains undisturbed and firm in his opinion that immortality is but a vain dream which will never be realized. He recently declared that if there is a heaven, he will probably have a much better chance of getting in than some of the pastors, and that without the use of any electrical inventions. When asked whether he expected to replace the angelic choir with phonographs, he declined to express an opinion, saying that he had many problems to consider dealing with more material things.

A sprained ankle will usually disable the injured person for three or four weeks. This is due to lack of proper treatment. When Chamberlain's Liniment is applied a cure may be effected in three or four days. This liniment is one of the best and most remarkable preparations in use. Sold by all dealers.

PROPOSED TARIFF INCREASES ON PAPER

The proposition to amend sections 152, 154, 156 and 157 of the Cuban tariff referring to various kinds of paper, of which a translation was published in the Daily Consular and Trade Reports of August 15, 1910, was read in the Chamber of Representatives on November 9, 1910, and referred to the appropriate committee.

The Secretary of Hacienda is preparing a recommendation to revise the whole tariff classification on paper on technical grounds. In response to an inquiry, the American Legation was informed that appropriate provision would be made, in the event of any changes in the tariff, for the fair treatment of paper actually on its way to Cuba at the time or for which contracts had already been made.

Many persons find themselves affected with a persistent cough after an attack of influenza. As this cough can be promptly cured by the use of Chamberlain's Cough Remedy it should not be allowed to run on until it becomes troublesome. Sold by all dealers.
