Come Down Town TONIGHT

ALL THE STORES WILL BE OPEN

TO Relieve the Congestion of the Holiday Shopping during the afternoon and let those who are busy at their work during the day, have an opportunity to secure their Christmas presents, the following stores have agreed to remain open evenings, all week up until Saturday night.

COME OUT WITH THE CROWDS

The streets are ablaze with electric lights, the windows are beautifully decorated and gift suggestions are being displayed in a manner to accelerate and make shopping a pleasure. The moving picture shows will all be open enabling you to take in the show after shopping.
