

HIGHEST PRICE EVER PAID FOR CALVES

ALL LIVESTOCK PRICES WERE EXTREMELY BULLISH

World's Wheat Markets Also Disclose Better Demand—Sharp Advance at Chicago—Turkeys Set New High Mark in Portland—Chickens in Demand.

(From Thursday's Journal.) Calves at Highest Price. Carsten's Packing company of Tacoma paid \$8.25 for calves today in the North Portland yards, thereby breaking all previous high records here.

Live turkeys have sold as high as 25c a pound and this, too, is a new high record here. The shortage of turkeys is the greatest ever noted in this market.

Trade in the egg market here continues weak. While once in a while a sale is reported a fraction above 28c, the bulk of the goods remains unsold at that figure, and further shading is expected.

Lower prices prevailed for hogs at Chicago, where prices closed 15c lower today. At Omaha hog values were down 10c to 15c, with prices between \$7.50 and \$7.70.

Cattle market was far more bullish than ever before in this territory. Only a small supply was visible and this was picked up generally at an advance of about 25c over last quotation, or about 75c above those in effect two weeks ago.

Prices that ruled in the stockyards today were almost prohibitive and marked this city as the highest market for livestock generally in the entire country.

Such action signifies that packers retain smaller herds of livestock on feed than generally anticipated. While at the start of the season they held more cattle than ever before, they have used up most of their holdings and are now forced upon the mercy of shippers.

The outlook for extreme high cattle prices can therefore be called the brightest in the history of the trade.

There was only one lot of sheep offering in the Portland market today and this brought fully 25c above the extreme value of a few days ago.

World's Wheat Markets. Portland—Cash club, 79¢ 1/2c, blue-stem 82¢ 3/4c. Liverpool—December 6s 11 1/8d, March 7s 3/4d, May 7s 1 1/4d.

Wheat market was firmer locally, but pending the New Year there was no change in quotations. Business remains quiet, with no activity on the part of exporters to promote sales.

Private advices from Buenos Ayres state that very little wheat is being offered as yet, and indications point to considerable holding by producers there.

Coarse grain values are generally held intact, with only a nominal amount of business passing over the holidays. There is no sign of a resumption of eastern buying of brewing barley here, but interior growers are holding out for higher prices on this hope.

SHARP ADVANCE AT CHICAGO. Wheat Starts Higher and Closes 1c to 1 1/8c Bushel Above Yesterday.

Chicago, Dec. 29.—Wheat was in bullish hands today, and after opening 1-4 to 3-8c higher the market closed with a net gain of 1 to 1 1/8c a bushel above yesterday's final figures for the three options.

There was a higher market generally abroad, although at Budapest a fraction was lost. Berlin closed 1-2c higher, and Liverpool was up 7-8 to 1d, after an opening 1-8 to 1-4d above yesterday's closing.

Price of dressed turkey today reached a higher average along Front street than ever before.

Sales of good birds are being generally made around 30c a pound, while occasional transactions in extra select are shown from that figure up to 32c, although the extreme mark was received only for a limited number.

INDUSTRIAL NOTES FROM THE PHILIPPINES

The recommendation is repeated that the limit of indebtedness which may be incurred by the Philippine government for public works and improvements be increased from \$5,000,000 to \$10,000,000.

There are over 20,000,000 acres of public lands fit for agriculture in the islands, and inducements upon the most favorable terms are offered to take them up. The island of Mindoro contains 3851 square miles and 28,361 inhabitants, which is less than eight persons to the square mile. It is practically undeveloped.

I was impressed by the effort of the Philippine Railway company in Cebu and Panay to promote agriculture along its lines. At every station there is an exhibit of the products, and instructions are published for the best methods of agriculture. The shops of the company at Iloilo are extensive and of a high order. The machinery is all modern. The Philippine people take deep interest in railroad construction, appreciate the benefits therefrom, and are eager for extensions. At public meetings at Albany and Legaspi I was urged to bring about the speedy building of the road from Batangas through Lucena to Albay.

Drop by drop the offensive discharge caused by nasal catarrh falls from the back of the nose into the throat, setting up an inflammation that is likely to mean chronic bronchitis. The most satisfactory remedy for catarrh is Ely's Cream Balm, and the relief that follows even the first application cannot be told in words. Don't suffer a day longer from the discomfort of nasal catarrh. Cream Balm is sold by all druggists for 50 cents, or mailed by Ely Bros., 55 Warren street, New York.

OHIO YOUNG WOMAN WANTS WESTERN RANCH Practical business experience with a large eastern manufacturing concern, including a knowledge of stenography, bookkeeping, cost accounting and shipping, has a young woman living at Akron, Ohio, who desires employment on a ranch in the western country. In a letter to R. J. Maclean, secretary of the Spokane chamber of commerce, the writer gives her age as 21 years, adding that she can furnish the best of references as to honesty, integrity and ability and is not afraid of hard work. "I would not care to locate in a city, as I have an unusually good position here," the letter continues, "but would like to go on a ranch, where I could live the out-door life. There must be grain, stock or fruit ranches in the Spokane country and other parts of the northwest that are large enough to warrant hiring a girl for all-around clerical work." Mr. Maclean will furnish the name and address of the writer to any reliable rancher or firm requiring the services of an experienced secretary.

WHY SO WEAK? Kidney Troubles May Be Sapping Your Life Away—Pendleton People Have Learned This Fact.

When a healthy man or woman begins to run down without apparent cause, becomes weak, languid, depressed, suffers backache, headache, dizzy spells and urinary disorders, look to the kidneys for the cause of it all. Keep the kidneys well and they will keep you well. Doan's Kidney Pills cure sick kidneys and keep them well. Here is Pendleton testimony to prove it.

Mrs. R. H. Hedrick, 619 Thompson street, Pendleton, Oregon, says: "I can speak a good word for Doan's Kidney Pills, as they were used in my family with the best of results. The person who took this remedy complained a great deal of a dull pain across the back and was also troubled by irregular passages of the bladder sections. The use of two boxes of Doan's Kidney Pills corrected these difficulties and there has been no return attack."
