INDIGESTION.

Relief in Five Minutes and Permanent Cure or Money Back.

When Tallman states that he has a remedy that only costs 50 cents and is guaranteed to cure any man or woman who suffers from food fermentation, or money back, what are the poor stomach sufferers in Pendleton and vicinity going to do about it? Food fermentation causes belching, sour stomach, gas eructation, heartburn and that lump of lead feeling as you probably know.

The name of this most remarkable stomach prescription is MI-O-NA. Most people call them MI-O-NA stomach tablets because they know that there is no remedy so good for indigestion or stomach disorders. Here is one opinion:

"I have been troubled with indigestion for more than a year. I bought one box of MI-O-NA and it cured me. Now I would not be without a box in the house for \$5.00. It saves a lot of doctor bills when you can be cured for 50 cents."—Arthur Sederquist, 6 Nichols St., Wakefield, Mass.

MI-O-NA stomach tablets cost 50 cents a box at Tallman & Co.'s and druggists everywhere and money back if they don't cure.

"I had been given up to die by three of our best doctors,

I could not stand it to be on my feet and I was so swelled in the abdomen I could hardly breathe.

But thanks to Dr. Miles' Heart Remedy and Nervine I am able to be about the streets, a walking advertisement of the curative qualities of your remedies, although I am 70 years old."

JOHN R. COCHRAN, Lewistown, Ill.

Dr. Miles' Heart Remedy are these words of Mr. Cochran. He speaks from experience, the highest possible source of knowledge.
