At the Cosy.

"A Ward of Uncle Sam." A story of two little Russian orphans. The little boy is raised in America, fights in the war against Spain and after 20 years returns to see his blind sister. He protects her from the insults of Russian nobility and is backed up by an American battleship. Something doing every minute.

"A Jealous Wife's New Year's Day." A screamingly funny comedy. Depicting the woes of matrimony when the green eyed monster of jealousy intrudes.

"Norwegian Water Fall." An exquisite subject beautifully tinted.

"Just Revenge." A story of the Alps. The rejected suitor by a dastardly trick causes the old guide's daughter to fall from a narrow foot-bridge to the depths of a ravine. See her lover's terrible revenge.

"Proscovia." A story of Russia. By saving the governor general's child from death in a deep chasm, Proscovia wins a pardon for her aged father who has been cast into exile in Siberia. A picturesque story.

Song, "Good Night, Dear."

Perisian Antiques.

Consul William F. Doty, in his annual report from Tabriz, states that Persian antiques, though scarce at present, are yet obtainable, and comprise pottery and tiles, suits of armor, weapons such as daggers, swords and axes; also manuscripts, some of which are probably four or more centuries old. These illuminated manuscripts of the Koran on exceedingly thin deer skin in gold leaf are very beautiful. Occasionally coins dating back to the time of the Emperor Nero of Rome are to be had, seemingly genuine.

Balzac, Pere Geriot. A modern King Lear; a story of the extravagance of paternal sacrifice.

Dickens, Martin Chuzzlewit, is a mingling of comedy, caricature, farce melodrama and tragedy; shifting from England to America and back again.

Elliot, Mill on the Floss. A deeply significant tragedy of the inner life.

Hawthorne, Scarlet Letter. A strong story of the workings of conscience embodied in a romance of Puritan Boston.

Howells, Rise of Silas Lapam. "An ignorant but manly character who is brought into humorous contrast with the refined society of the city."

Meredith, Ordeal of Richard Feverel. "The ultimate fruit of blindness and error."

Scott, Quentin Durward. Rich and varied picture of the age when chivalry and feudalism were about to pass away.

Thackeray, Vanity Fair. Mingled tragedy, passion and comedy. During the second decade of the 19th century.

Becky Sharp, Major Dobbin and the wonderful picture of the battle of Waterloo are immortal.
