CLUB BOOSTS FOR UMATILLA PROJECT

An exhaustive report covering every eature of the Umatilla irrigation proct will be drawn up and forwards the Oregon delegation at Washngton, which in turn will be submitted to Secretary of the Interior R. A. Ballinger for consideration, says the Journal.

This decision was reached at : special meeting of the executive comnittee of the Portland Commercial lub this afternoon, it being the consensus of opinion that the matter thould be presented in as thorough a form as possible to the authorities. that they may fully understand the need of a substantial appropriation or carrying on to completion the big

In apportioning funds for the vari-us irrigation districts, the government practically ignored Oregon and in endeavor is being made to have he matter reconsidered or taken up some shape so that at least the Umatilla project can be pushed to empletion. The Umatilla project is egarded as one of the most important in the entire country. The matter has been brought to the attention of Secretary Ballinger and a telegram from him to the Commercial club held out considerable encouragement of getting the matter properly
