MRS. MARTIN MEINERS UNION SAVES MUCH ANSWERS LAST CALL

1:30 THIS MORNING

Woman Among First Born in Pendleton, Expires at Home of Her Brother, William P. Daniel-Funeral To-

In the death of Mrs. Mathilda H. Meiners, wife of Martin Meiners, at 1:30 o'clock this morning, another well known resident of Umatilia county has crossed the great divide. Coming so soon after the death of Mr. Meiners' brother, the bereavement of the husband is rendered especially sad.

November 30, 1869, the daughter of James R, and Catherine Daniel, her parents being early pioneers of Umailla county. On February 25, 1894, until 1903 when she, with her family, moved to Nez Perce, Idaho, and lived there until October 13, 1910. Then

she went to Portland for medical aid. Not gaining relief, however, she came back to Pendleton to the home of William P. Daniel, her brother, where she lingered until her death.

She leaves to mourn her loss her husband and three children, one daughter. La Vera, aged 13, and two sons, Evert and Lester, aged 11 and 8 years, three brothers of this place, C. V., W. P. and C. F. Daniel, two sisters, residing in the Willamette valley, Mrs. Josephine Lane of Salem and Mrs. Rose Ornsduff of Laurel, Olney cemetery.

ESTIMATED IT HAS SECURED SAVING OF \$60,000 IN YEAR

C, C. Connor, Retiring President of Local Farmers' Union Declares in Finds Wicked Looking Knife. Annual Report That Past Year Has Been Prosperous One, Financially and Fraternally.

In the neighborhood of \$60,000 has county during the past year, according to the annual report of C. C. Connor, the retiring president of the local branch of the Farmers' Educational & Co-operative Union of America, by the efforts of this organization, Every The deceased was born in this city farmer in the county shared in \$40,-000 of this sum regardless of whether or not he was a member, for the saving of this amount was secured by she was united in marriage to Martin throughout the entire northwest for appearance of the hotel to a great exly responsible. The remaining \$20,-000 was saved to the members of the organization only, resulting from the co-operative business plan which is rendered practicable by the combinng of the farmers,

As illustrations of the business caout that 600,000 grain bags were purchased at a reduction over the price of the year before of \$7 per thousand and that 7500 pounds of binder twine was purchased at a saving of 2 1-2 cents per pound.

He points out further that through Oregon, and hosts of friends. The fu- half million bushels of grain were sold morning. John Doe and Richard Roe neral services will be conducted at at an average saving of three cents who were the persons implicated in I o'clock tomorrow from the Metho- per bushel. In addition he illustrates the fight in front of the Bowman hodist church, followed by interment at by citing the fact that large quanti- tel Tuesday night, each forfeited bail dried fruits have been purchased at large reductions.

Showaway Tribe, No. 49, Redmen Mr. Connor then goes-on to show of Umatilla, are making elaborate arrangements for a big dance to be giv-en January 20. Music is to be fur-in office he appointed more than investigat subjects of interest to the union. He shows that there are now four farmers' union warehouses being operated in the county and declares that four more will be incorporated before

> Altogether, says the retiring head of the union, the past year has been a most prosperous one both financialby and fraternally. The membership has doubled and great enthusiasm is being manifested, and, in his opinion, he says, that the fact has been demonstrated that the success of the American farmer lies in his own

side appearance. Bushee Quits Job.

Glen Bushee, who has been acting esigned his position last night,

Teacher Is Wanted,

District No. 91, ten miles north of he public school as the one who has ecupied the position during the first wards, has resigned on account of the

Goes to California,

Mrs. A. J. Bean, who has made her ome with Mr. and Mrs. Lee Teutch ince the death of her husband last summer, left on No. 5 last night in company with J. D. Despain and wife for Los Angeles where she will spend the winter with ther late husband's sister, Mrs. Parker.

Freewater Sleuths Busy.
The Freewater officers are still busily engaged in trying to run to earth the man who broke into the office of the Pacific Light & Power company in that town last week and secured twenty dollars. So far their efforts to find a clew have been unsuccessful.

When Chief of Police Gurdane pened his office yesterday morning he found on the floor a long, sharp dagger which had been thrust under the door. It is a wicked looking weapon and the chief is speculating been saved to farmers of Umatilla as to the motive which prompted the owner to get rid of it in the fashion

St. George Lobby Enlarged,

The tearing out of the partitions between the old lobby and the room formerly occupied by the bar in the St, George hotel, was finished yesterday and the desk moved to the rear of the new room. This gives over twice as much floor space as was formerly in the lobby and improves the

Off for Long Jaunt.

Dr. W. G. Cole took his final leave of Pendleton this morning when he entrained for Portland. He will leave soon for points east via Los Angeles and New Orleans, and will also cross pacity of the union, Mr. Connor points the Atlantic to European countries, where he will attend several medical clinics. On his return to Oregon, he will take up his residence in Portland with his family.

Four in Police Court.

Meat Company Organized,

The Farmers' Meat company, which concern is to conduct a butchering business on Court street, at the old location of the Owl Tea House, has been organized. James Furnish is president, C. Rosenberg, vice president, and Conrad Platzoeder, secretarytreasurer and manager. According to Platzoeder there are 84 local men in the company. Preparations for commencing business are now being made and Platzoeder says he will have his shop open about February 1.

CANADA INVESTIGATING INDUSTRIAL EDUCATION

Toronto, Ont., Jan. 19 .- One of the nost thorough investigations into the subject of industrial training and technical education ever attempted by any government is now being made by a Canadian royal which began a hearing today in To-Sessions have already been held by the commission in the capital and in the cities of western Canada. Following the completion of the local investigation, the members of the ommission will go to Montreal and other cities of the province of Que-Next month the commission will sail for Europe and will make a thor-ough inquiry into all the methods of industrial education in vogue in England, Scotland, Ireland, France, Germany, Switzerland, Holland, Denmark and Sweden.

The commission was appointed last June on the initiative of Hon. W. L. Mackenzie, minister of labor, and the ody is larger in membership and wider in its scope than any heretofore appointed by any country. The purpose of the commission is to discover the needs and present equipment of Canada in regard to industrial training and technical education, and then to ascertain, by inquirles in other countries, the best means and methods of fulfilling Canada's needs in the course of a few years, it is expected that Canada will lead the world in industrial and technical education.

Big Aerial Fleet, Washington, Jan. 19.—Commodore

John Barry Ryan, of the United States aeronautical reserves, a son of Thomas Fortune Ryan, the financier, is in charge of the work which will give Uncle Sam the largest aerial emergency navy in the world within a year from today. January 19, 1912, has been set as the date for the completion of the project to give each state and territory at least one military aeroplane.

Brothers Have Different Names, St.Louis, Jan. 19.—There are now residing in the west and southwest four full brothers, each of whom have different surnames. They are

Safford of Maysville, Mo., Krebs of Walnut, Ill., William Malin of Little Sandusky, O., and C. C. Chandler of Oklahoma City. The strange fact is due to death of their parents while they were children and their legal adoption by families in different parts of the country.

Change Names of Streets, London, Jan. 19.—The names of seventeen London streets were legally changed today, all of them thoroughfares having previously known as Charles street. Great cons night officer for the O.-W. R. & fusion resulted, especially in the decompany for the past few months, livery of mail, as five of the Charles streets were in Westminster alone.

The street first given the name of Charles was permitted to retain that ! designation, but all the others were his city, is in need of a teacher for legally given new names today. The council some time ago took similar action in regard to the numerous John part of the term, Miss Minnie Ed- streets, and the work will be carried on until there are no duplicate streets in the metropolis.

WASHINGTON STAYS BY ITS HANGING LAW

Olympia, Jan. 19 .- The Goss bill abolishing capital punishment was postponed indefinitely in the house today after a hard fight. The vote was 44 to 41. Dencen of Spokane led the fight against the bill.
