

HOUSTONS APPEAR HERE THIS EVENING

The Houstons will appear at the Christian church this evening as the second number of the high school lecture course.

In speaking of Mrs. Houston, the Shaw-Priest Lyceum bureau says:

Mrs. Houston is a reader of exceptional ability and has proven herself during the past three seasons to be one of the best entertainers in her line of work in the Lyceum field today. Her readings, for the most part are her own cuttings from stories by well-known authors, while she has many humorous monologues and stories, most of them also her own arrangement. For this reason she does not tire the audience by giving them things that they have heard many times before, and her many encores are strong evidence of this fact.

Mrs. Houston plays the piano accompaniments for Mr. Houston and also ably assists him in his magic.

Of Mr. Houston the bureau says:

As an imitator of musical instruments, he is undoubtedly without an equal. In his many imitations of musical instruments he uses compositions written for the instruments imitated, and played by the noted musicians of the world. For his imitation of the cello, "the instrument of the soul," he uses the "Star Song" from Tannhauser, "Simple Confession," etc., etc. (Read what Prof. Zedler has to say.) For his imitation of a cornet solo (with triple tonguing) such compositions as "The Signal" by Brooks, "The Levy-Anthen Polka" by Levy, etc., are used and so on through the various instrumental imitations. And then his marvelous imitation of a complete "Little German Band" giving the "clash and bang" of the drums and cymbals, the shrill notes of the cornet, the "screech" of the "yellow clarinet" and the low "grunts" of the brass horns so clearly that one can almost see the actual band passing before them.

Saves Two Lives.

"Neither my sister nor myself might be living today if it had not been for Dr. King's New Discovery," writes A. D. McDonald of Fayetteville, N. C., R. F. D. No. 8. "For we both had frightful coughs that no other remedy could help. We were told my sister had consumption. She was very weak and had night sweats but your wonderful medicine completely cured us both. It's the best I ever used or heard of." For sore lungs, coughs, colds, hemorrhage, la grippe, asthma, hay fever, croup, whooping cough—all bronchial troubles—its supreme. Trial bottle free. 50c and \$1.00. Guaranteed by Koeppeus.

TWAIN

A New Edition

Now for the first time you get a complete set of all Mark Twain's writings at just exactly one-half the price they have ever been sold before. This is a new edition, just as complete as the old one, which still sells, by the way, at \$50.00. This new edition is only \$25.00—for the 25 volumes.

It had been Mark Twain's ambition to have his books in every American home, and he made a great personal sacrifice to bring about this remarkable opportunity—for the first time in the history of publishing, copyrighted books are sold at the price of non-copyrighted books—the chance will not come again.

But for Mark Twain's action this would have been impossible. Never before has a copyrighted library set of a standard author's works been issued at such a low figure.

His Complete Works— 25 Beautiful Volumes

Brander Matthews says: "Mark Twain will be included in that group of writers headed by Moliere and Cervantes. With the exception of Count Tolstoi, Twain was the greatest of recent modern writers, and will be handed down to posterity through the trio of his works 'Huckleberry Finn,' 'Tom Sawyer,' and 'Pudd'nhead Wilson.' Twain is a greater stylist than Stevenson or Taborau, and his 'Man that Corrupted Hadleyburg' is one of the finest works in English literature." Mark Twain himself wrote a preface to this edition. Brander Matthews has written the biographical criticism of Mark Twain and his work. There are portraits of the author at periods when the different books were in process of writing.

There are beautiful pictures by such artists as Frost, Newell, Smedley, Thustrup, Clinedinst, Kemble, and Oppert. The binding is in rich red rep silk book cloth, with title labels stamped in gold. The books are printed on white antique wove paper, especially made for this edition. Each volume is of generous size and bulk, 5x7 1/2 inches.

DESCHUTES RAILROAD TO BUILD COSTLY BRIDGE

One of the largest and most costly structures of its kind on the Pacific coast will be built by the Deschutes railroad to carry its line across the gorge of Willow creek, on its way into Central Oregon. The bridge will be 1050 feet long, 250 feet above the water, and will contain 1500 tons of structural steel. It will span Willow creek at milepost 192.

Another big engineering work has been started on Lewis river, Wash., near the Cresap ferry, eight miles from Yacolt, where a big log chute, 1500 feet long, 80 feet wide and 16 feet deep, is to be built of solid concrete. A bridge across the river will also be constructed, the total cost being reported to be 1,500,000. It will take two years to complete the work it is estimated.

The Inward Effects of humors are worse than the outward. They endanger the whole system. Hood's Sarsaparilla eradicates all humors, cures all their inward and outward effects. It is the great alterative and tonic, whose merit has been everywhere established.

LIBRARY NOTES.

In the early days, the days of our grandfathers, the neighbor was the one who lived in the next house or on the next street; now the man who lives in Paris, Hongkong or Venice, is a neighbor of ours. The literature of today makes it possible for us to know the history, customs and activities of the various nations of the world. Probably few people realize how great an education of mind and heart this coming together of the world in one great community, is giving to this generation and in this noble education, books, and incidentally our libraries, are playing a great part.

Last week we listed a number of books dealing with the life and history of the Italian people, from the following list of books you may be able to learn some interesting facts concerning our French neighbors.

ILLINOIS MAY HAVE BANK GUARANTY LAW

Springfield, Ill., Jan. 19.—If a bill introduced in the house can pass, Illinois will have a bank guarantee law identical with the Oklahoma measure, which caused such discussion. The bill provides for the establishment of a state banking board and collects an assessment of one per cent on the average daily deposits upon all state banks and trust companies for the guarantee fund.
