

REVELATION IN AUTOMOBILE BUILDING

The 1911 E-M-F "30"

DELIVERED TO YOU IN PENDLETON FOR \$1250.00

By turning out 205 automobiles every working day of the year, in their \$7,000,000.00 plant the E-M-F Company is enabled to sell and charge on the quantity plan. The car is equal to any make of nearly twice this price, but the turning out of so large a number of machines each day enables them to reduce the price ridiculously low.

The control is standard; the frame the acme of engineering skill; the lubrication and cooling systems unequalled for simplicity and satisfactory service.

An E-M-F "30" Five passenger, 30 horsepower, 4 cylinder touring car, complete with wind shield, fine Mohair top, Magneto, 5 lamps, tube horn and generator—and guaranteed for one year—\$1250 F. O. B. Pendleton.

THE E-M-F COMPANY

Certificate No. MANUFACTURERS OF AUTOMOBILES Motor No.

GUARANTY

THIS IS TO CERTIFY that the E-M-F COMPANY Fully WARRANTS AND GUARANTEES the automobile covered by this certificate FOR THE PERIOD OF ONE FULL YEAR from the date of original sale by the Dealer. This Guaranty includes all material and all equipment (tires excepted) used in connection with the construction of such automobile.

Tops and Windshields not guaranteed unless bearing E-M-F Name Plate.

If any part or parts of this car break or prove defective within one year FROM ANY CAUSE WHATSOEVER, and the customer shall forthwith communicate the facts to The E-M-F Company or one of its authorized dealers giving the number of the car, and the name of the dealer from whom the car was bought, and the date of purchase, and if it shall appear that such breakage was not in fact due to misuse, neglect, or accident, The E-M-F Company will furnish such new part either at a branch house, or at its factory in Detroit, Michigan, FREE OF CHARGE TO THE OWNER.

This Guaranty does not apply either directly or indirectly to consequential damage of any nature whatsoever, or to the replacement of tires which are guaranteed by the manufacturers thereof.

ATTEST:
 ROBERT W. BROWNSAN,
 Secretary.

THE E-M-F COMPANY
 WALTER E. FLANDERS,
 President and General Manager.

GUARANTEE—The E-M-F Company's one-year guarantee which appears in this ad needs no amplification or explanation. It speaks for itself. Every E-M-F car is backed up by a definite promise—the most liberal in motordom. Not only the car but the equipment as well—aside from tires which are guaranteed by the manufacturers—are included in its provisions. Don't be misled by trickily-worked promises that warrant cars for indefinite periods. Some of these "Guarantees," carefully analyzed, really mean nothing. The conventional 90-day guarantee is a relic of antiquity—a legacy of the days when a motor car was an experiment, not a standard, staple article. The E-M-F guarantee is a definite promise for a definite period—ONE WHOLE YEAR.

Manufacture of a car like this at a figure that makes possible the quoted selling price is the industrial achievement of the age. It is an achievement possible to no other manufacturer of motor cars.

FOES OF PINCHOT WILL FIGHT FORESTRY POLICY

Omaha, Neb., Jan. 21.—With the slogan "Fight the Pinchot Policies," an organization to be called the western development league, will be organized here Tuesday among land owners who will attend the Omaha land show. Governor Aldrich is planning the organization and has invited the governors of a dozen western states to send delegates. Louis Hill, president of the Great Northern railroad, has been asked to make the keynote speech.

Discussing the proposed society, one of its promoters said today: "We favor conservation for the present generation; not those to come. We do not want the lands, forests and water power of the west placed in cold storage. They are here, and we are here. Let us develop them and use them as we may."

NO MORE MISERY IN THE STOMACH

INDIGESTION, GAS HEARTBURN OR DYSPEPSIA VANISH

Five Minutes After Taking a Little Diapepsin Your Stomach Will Feel Fine Again—Eat Your Favorite Food Without Fear of Distress...

If what you just ate is souring on your stomach or lies like a lump of lead, refusing to digest, or you belch Gas and Erucate sour, undigested food, or have a feeling of Dizziness, Heartburn, Fullness, Nausea, Bad taste in the mouth and stomach headache—this is Indigestion.

A full case of Pape's Diapepsin costs only 50 cents and will thoroughly cure your out-of-order stomach, and leave sufficient about the house in case some one else in the family may suffer from stomach trouble or Indigestion.

Ask your pharmacist to show you the formula plainly printed on these 50 cent cases, then you will understand why Dyspeptic trouble of all kinds must go, and why they usually relieve sour, out-of-order stomachs or Indigestion in five minutes. Diapepsin is harmless and tastes like candy, though each dose contains power sufficient to digest and prepare for assimilation into the blood all the food you eat; besides, it makes you go to the table with a healthy appetite; but what will please you most, is that you will feel that your stomach and intestines are clean and fresh, and you will not need to resort to laxatives or liver pills for Biliousness or Constipation.

This city will have many Diapepsin cranks, as some people will call them, but you will be cranky about this splendid stomach preparation, too, if you ever try a little for Indigestion or Gastritis or any other Stomach Trouble and Indigestion.
