At the business session which preceded the program it was decided that the club's annual meeting should this year be a club tea, and will be held about February seventh. Invitations will soon be issued for the affair which promises to be one of the social events of the season.

Quite the most prominent of the week's social events was the third annual library ball given last night in the Eagle-Woodman hall under the direction of the ladies of the Current Literature club. The attendance was large, both from the older and younger Pendleton society and all joined in doing homage to the muse Terpsichore with a spirit that made the scene one of life and gaiety. The hall was beautifully decorated with American flags, palms and Indian robes, the mingling colors of which made a fit setting for the brilliant throng. Many handsome gowns were in evidence, but these only served to accentuate the beauty for which Pendleton is noted above all her sister cities in Oregon, the beauty of her womanhood. Between dances many excursions were made to the punch room by thirsty merry-makers, while any fatigue was driven away by the delicious coffee and sandwiches which were served up stairs. A seven piece orchestra rendered excellent music throughout the evening. Patronesses of the affair were Mrs. E. E. Judd, Mrs. W. L. Thompson, Mrs. L. H. Sturgis, Mrs. F. W. Vincent, Mrs. G. A. Hartman, Mrs. A. J. McAllister, Mrs. J. A. Fee, Miss Lotta Fleek. The members of the club are Mrs. R. Alexander, Mrs. C. F. Coleworthy, Mrs. C. P. Bishop, Mrs. G. H. Clark, Mrs. C. Bonney, Miss Ida Boyd, Mrs. A. C. Hampton, Mrs. J. P. Winter, Mrs. R. Ringo, Mrs. Lee Moorhouse, Mrs. G. M. Rice, Mrs. E. T. Wade, Mrs. James Johns, Mrs. C. J. Smith, Mrs. T. M. Starkweather, Mrs. M. Johnson, Mrs. M. La Dow, Mrs. E. Somerville, Mrs. M. Dismay, Mrs. N. Berkeley, Mrs. J. F. Robinson, Mrs. T. Vaughan, Miss Una Smith.

On Wednesday night, Mrs. Joe. H. Parkes was given a surprise when a number of her friends burst in upon her unannounced carrying hampers of lunch. The affair was in honor of Mrs. Parkes' birthday. The evening was spent enjoyably with "500" after which all sat down to the spread. The invading party was composed of Mr. and Mrs. Sam Paine, Mr. and Mrs. Lee Teuch, Mr. and Mrs. Ralph Ham, Mrs. Rose, Mr. and Mrs. Cora Town, and the Messrs. Pete Schaefer, Forrest Baker, Carl Sullivan, Mr. and Mrs. Teuch succeeded in winning both first prizes while Mr. and Mrs. Paine were equally successful with the consolation.

Mrs. Lina H. Sturgis was a charming hostess Tuesday night when she entertained the Evening Bridge club with a number of other guests at her spacious home on Wilson street. The prizes for highest score were won by Mrs. C. E. Roosevelt and Mr. Harry C. Thompson. The club's guests on this occasion were, Mr. and Mrs. John F. Robinson, Mr. and Mrs. L. G. Frazier, Mr. and Mrs. Harry C. Thompson, Mr. and Mrs. George A. Hartman, Jr., Mr. and Mrs. Nesmith Ankeny, Miss Neva Smith and Mr. John T. Lambirth.

The following were the pupils who appeared: Vern Parker, Helen Livengood, Helen Idleman, Blanche Furnish and Thelma Childreth.

Healthy Mothers

The bearing of children is frequently followed by poor health for the mother. This supreme crisis of life finding her physical system unprepared for the demands of nature, leaves her with weakened resistive powers and sometimes chronic ailments. This can be avoided if Mother's Friend is used before the coming of baby, and the healthy woman can remain a healthy mother. It is the only remedy that perfectly and thoroughly prepares the system for healthy motherhood, and brings about a natural and easy consummation of the term. Women who use Mother's Friend are always saved much suffering when the little one arrives, and recover more quickly, and with no ill effects, or chronic troubles. Every expectant mother should safeguard her health by using Mother's Friend, thus preparing her physical condition for the hour of motherhood. This medicine is for sale at drug stores. Write for free book for expectant mothers.

HERE IS A REAL DYSPEPSIA CURE

NO INDIGESTION, GAS OR HEARTBURN IN 5 MINUTES

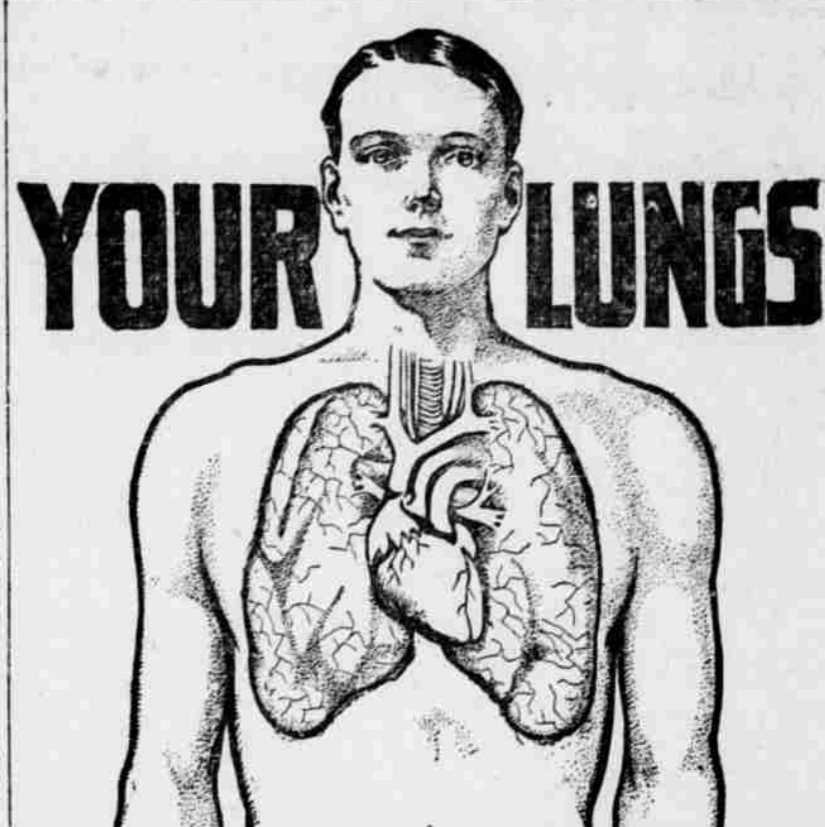

A Little Diapepsin Now Will Make Your Out of Order Stomach Feel Fine—Digests All Your Food Leaving Nothing to Ferment and Sour.

The question as to how long you are going to continue a sufferer from indigestion, dyspepsia or out of order stomach is merely a matter of how soon you begin taking some Diapepsin.

If your stomach is lacking in digestive power, why not help the stomach to do its work, not with drastic drugs, but a re-enforcement of digestive agents, such as are naturally at work in the stomach.

People with weak stomachs should take a little Diapepsin occasionally, and there will be no more indigestion, no feeling like a lump of lead in the stomach, no heartburn, sour risings, gas on stomach or belching of undigested food, headaches, dizziness or sick stomach, and, besides, what you eat will not ferment and poison your breath with nauseous odors. All these symptoms resulting from a sour, out of order stomach and dyspepsia are generally relieved in five minutes after taking a little Diapepsin.

Go to your druggist and get a 50-cent case of Pape's Diapepsin now, and you will always go to the table with a hearty appetite, and what you eat will taste good, because your stomach and intestines will be clean and fresh, and you will know there are not going to be any more bad nights and miserable days for you. They freshen you and make you feel like life is worth living.

ARE YOUR LUNGS WEAK OR PAINFUL?

Do your lungs ever bleed?
Do you have night sweats?
Have you pains in chest and sides?
Do you spit yellow and black matter?
Are you continually hawking and coughing?
Do you have pains under your shoulder blades?

THESE ARE REGARDED SYMPTOMS OF LUNG TROUBLE AND CONSUMPTION

You should take immediate steps to check the progress of these symptoms. The longer you allow them to advance and develop, the more deep seated and serious your condition becomes.

We Stand Ready to Prove to You absolutely, that Lung Germine, the German Treatment, has cured completely and permanently case after case of advanced Consumption (Tuberculosis), Chronic Bronchitis, Catarrh of the Lungs, Catarrh of the Bronchial Tubes and other lung troubles. Many sufferers who had lost all hope and who had been given up by physicians have been permanently cured by Lung Germine. It is not only a cure for Consumption but a preventative. If your lungs are merely weak and the disease has not yet manifested itself, you can prevent its development, you can build up your lungs and system to their normal strength and capacity. Lung Germine has cured advanced Consumption, in many cases over five years ago, and the patients remain strong and in splendid health today.
