## HIGH SCHOOL TEAM INVINCIBLE

ANOTHER GAME TO BE  
PLAYED HERE TONIGHT

Mormons Out for Revenge are Over-  
whelmed by 42 to 12 Score—Speed  
of Locals Bewilders.

Displaying a speed and teamwork that was simply amazing, the Pendleton high school basketball team last night swamped the M. I. A. team of La Grande by the overwhelming score of 42 to 12. The tide of victory, however, did not turn until the second half but it came with a flood when it did turn.

The first half ended with the local boys but four points in the lead, the score being 11 to 7 and throughout this entire portion of the game, the large crowd which had gathered in the high school gym witnessed a struggle as fast, as fierce and as exciting as was ever seen on a floor in this city. Each man on both teams put forth every atom of energy and every ounce of steam that his body possessed and the spectators were almost bewildered by the rapidity with which the players raced from one end of the hall to the other fighting every inch of the way for possession of the ball. In this half Pendleton dropped the sphere into the basket five times from the field and once from the foul line while La Grande scored three fouls and two field goals.

**The Second Half.**  
In the second half, however, the local boys demonstrated their superior capabilities. The vital force of the La Grande boys seemed to have been spent by their heroic efforts in the first half while that of the locals appeared to be undiminished. They started the canto at a pace that no one thought they could maintain, but from whistle to whistle, they never slackened one perceptible bit. This pace soon told on their heavier and older opponents and, as they began to grow tired, the machine like proclivities of the home team began to assert themselves with the result that basket followed basket in quick succession from all points and angles. In this half the visitors scored but one lone goal from the field while three balls were dropped into the basket from the foul line. Pendleton scored 31 points during this inning while the Mormons only garnered five.

In justice to the visitors, however, it must be said that they were handicapped to some extent by the low ceiling which interfered with their long passes, but the local boys assert they were also under a handicap in being forced to use the visitors' ball which was much softer than the one to which they had been accustomed and consequently more difficult to pass and catch.

**Stars of the Game.**  
For the home team, every individual member was a star of the first magnitude and in the aggregate they made up a constellation, a brighter than which never shone in the local firmament. But if any one man's work showed up more resplendent than any other's, it was that of young Tom Boylen, the fiery headed whirlwind forward. Of the total 42 points scored by his team, to his accurate shooting goes the credit of 18 and to his field work a number of others. Time and again he electrified the

crowd by some sensational feat and his agility and speed have never been equalled by a wearer of the big P in all the history of the high school. Chapman, the other forward, whose aim at the basket is almost always unerring, had an off night last night, and missed many goals that ordinarily he would have scored with ease. However, he made nine points as it was and his passing made possible many more.

Houser, at center, was pitted against the hardest player the Mormons had with them and the contest between these two men was well worth watching. From first to last they battled each other to a standstill, each man scoring three baskets from the field.

But the one factor which was responsible for the smallness of the Mormon score was the guarding of the Jordan brothers which was so well nigh perfect that the formidable forwards of the visitors were rendered powerless. Few indeed were their chances at the basket so completely were they covered up, and these few trials were made only under the most difficult circumstances and availed their team not one point. Cliff Jordan also demonstrated that he can throw baskets as well as he can prevent his opponent throwing goals over him. During the last half he dashed down the hall four different times and dropped the ball into the iron hoop thus scoring eight points for his team.

For the visitors, Bean, the center, was the bright particular star, scoring the only three field goals credited to his team and holding the redoubtable Houser down to a like number. Lindsey proved to be a hard fighter but he met his match in young Art Jordan. Childers was the best man on the floor when it came to throwing fouls and he was responsible for four of the points of his team by this ability.

The La Grande boys will play with Milton tonight and tomorrow night will encounter the Y. M. C. A. team of Walla Walla.

**Summary of Game.**  
Length of halves, twenty minutes.  
Field baskets, Boylen, 9; Chapman, 4; C. Jordan, 4; Houser, 3; Bean, 3.  
Fouls, Chapman, 1; Houser, 1; Childers, 4; Lindsey, 2.  
Fouls missed, Pendleton 8; La Grande, 4.

Referee, Hubler of La Grande.  
Umpire, Klumball of Pendleton.  
Timekeeper, Dickson.  
Scorers, Black and Chessman.

**The Line-up.**  
Pendleton Position La Grande  
Chapman ..... f..... Lindsey  
Boylen ..... f..... Childers  
Houser ..... c..... Bean  
C. Jordan ..... g..... Geddes  
C. Jordan ..... g..... Metcalf  
Substitutes, Pendleton, Hampton,  
McDonald, Strain and Fee; La Grande  
Black.

**Game With Baker Tonight.**  
The fast five of the Baker high school arrived this afternoon and will contest with the local boys tonight. If Pendleton wins the game, as they are confident they will, it will clinch their title to the undisputed championship of eastern Oregon. The Baker boys were defeated in their home town last week by Pendleton but they have hopes of retaliating in kind tonight.

### SPECIAL MEETINGS IN THE M. E. CHURCH

Evangelist John Lewtas of Tacoma is now conducting meetings in the Methodist church. Mr. Lewtas is an extensive traveler, lecturer and evangelist, having conducted successful meetings in England, Ireland and Wales. He is a very fluent speaker, and is a trained soloist. His descriptions of the Holy Land are intensely interesting and instructive. Mr. Lewtas has crossed the ocean five times and visited Europe and the orient very extensively. Services are held each afternoon and evening and on next Sunday afternoon he will deliver a lecture to women only at 3 o'clock, the subject being "The Woman for the Twentieth Century." This is a very high class lecture to all women and young women are urged to be present. A large chorus is assisting in the song service each evening and the singing is very inspiring. The public is cordially invited to attend.

## Newsy Notes of Pendleton

**Arrested This Afternoon.**  
Ora Knight, one of the young men indicted by the last grand jury for stealing the O. R. & N. velocipede, was arraigned before Judge Phelps this afternoon.

**Neal Pleads Saturday.**  
Roy Neal the young Stanfield man who was indicted by the last grand jury on a charge of forgery, and who was arraigned yesterday, will enter a plea Saturday morning.

**Has Fingers Badly Burned.**  
While turning the air out of the radiators this morning, Bill Osborne had three of his fingers on his right hand badly scalded. While the injury is not serious it is quite painful and will incapacitate Mr. Osborne for some time.

**Three Drunks in Court.**  
The night police hauled in three drunks last night and they were brought up before Police Judge Fitz Gerald this morning. They were Patrick O'Brien, James Boyd and Gus Strailer and each drew a sentence of three days in the city bastille.

**Held for Grand Jury.**  
Ernest Toddhunter, the young man recently arrested by the local police for implication in an alleged white slavery case, was transferred from the city jail to the county jail this morning and will be held to await the action of the grand jury at its next session.

**May Put on Show in Echo.**  
Walter Farnum, who, with his wife, had the direction of the recent entertainment put on by the Catholic church for the benefit of their building fund, left on the local this morning for Echo where he will try to arrange for a similar entertainment under the auspices of some organization.

**To Arrange for Track Meet.**  
County School Superintendent F. K. Welles is in receipt of a request from Superintendent Pate of the Athena schools for his presence next Saturday in that town at the meeting of the county committee which is to make arrangements for the annual inter-scholastic county track meet which is held in the Athena park. Pendleton won the meet last year and is confident of carrying away first honors again this year.

**Silver Plate in Skull.**  
Arthur Bell, the young man who had his skull fractured several months ago when an O. R. & N. train ran into his wagon on a railroad crossing in the east end of the city and who had a portion of the bone removed at the local hospital, is in the city today from his home at Cabbage Hill to receive the last part of the treatment for his injury. This will consist in the placing of a piece of silver plate in his skull where the bone was removed.

**Big Window is Broken.**  
One of the large plate glass windows in the front of the Wohlberg Department store was broken last night as the result of a street altercation between Ora Knight and Ransom Smith. Both young men were arrested and charged with disorderly conduct. Smith pleaded guilty this morning in the police court but Knight pleaded not guilty and will be tried this afternoon. Sentence has been suspended on Smith pending the outcome of the trial this afternoon.

**Heard from Actin.**  
Many people will remember the alarm which was occasioned in this city last year when many of the houses of the city were found to be marked with a large "G." It was thought at that time that the houses were marked for some kind of mischief but it was later discovered that it was simply a hobby of one Fritz Gannon, who earns his livelihood by making a house to house canvass for calling cards which he writes himself. "Doc" Evans, proprietor of one of the Main street cigar stores, has just received a letter from this individual in which he states he is now covering the state of Colorado and still frightening timid women by leaving his mark on the houses at which he calls.

**Short Meeting of Council.**  
The city fathers held a very short session last evening and adjourned without doing much beyond hearing the monthly reports. One of the most interesting of these was that of Recorder Fitz Gerald showing the number of violations of the city ordinances during the first month of the existence of the regulated saloon. The records showed that there had been 122 arrests as against \$4 for the month of December, but they also show that the majority of the offenders this month were transients who served jail sentences rather than pay fines. Judge Fitz Gerald attributes this increase to the clean-up campaigns conducted in Spokane, Seattle and other cities in the northwest which has set in motion the riffraff of those communities. At the meeting last night, there was also a short discussion on the proposed new Main street bridge, but as the plans are not ready, no official action was taken.

### OREGON BOY IS RELEASED FROM JAIL

San Francisco, Cal., Feb. 2.—With the warning that he had better have less sweethearts to whom to supply engagement rings, Walter Barrett, son of State Senator Barrett of Oregon, was released today by Police Judge Shortall of the felony charges.

### TWO UNITED STATES SENATORS SWORN IN TODAY

Washington, D. C., Feb. 2.—Clarence Watson of West Virginia, and A. J. Grenna of North Dakota, were sworn in today as United States senators.

### REBELS LOSE MANY KILLED.

(Continued from page one.)

city, regard the situation as so acute that they are fortifying the city to be ready for an attack from the insurgents. Sand bags have been placed around the barracks occupied by the federal troops, and a large number of mines have also been placed around the barracks and customs house.

Insurrectos are reported as within less than 100 miles of Juarez in considerable numbers and openly boast of their intention of taking the city within the next week.

The streets of Juarez are patrolled by soldiers night and day.

### Trains Released.

Mexico City, Feb. 2.—The two Mexican Central trains that were in the hands of revolutionists between Chihuahua and El Paso Tuesday, were permitted to go yesterday afternoon, one north, and the other south. Railroad officials here said they had received telegrams that traffic had been resumed.

Yesterday morning the main line from Chihuahua to within ten miles of El Paso was tied up. Officials said rebels had not in any way molested the train crews or passengers, but had merely told the men they must not attempt to operate the trains.

### Supply of Dynamite.

Juarez, Feb. 2.—One hundred Mexican cavalry left Juarez last night with a supply of dynamite to be used in blowing up the tracks of the Mexican Central to prevent insurrectos using marooned trains.

All amusements in Juarez were closed at 9 o'clock last evening and thousands of Mexicans spent the night in El Paso.

United States troops from Fort Bliss have been stationed at the American end of the two bridges crossing the Rio Grande here. Company E of the 23rd infantry has been sent to the smelter, located four miles north of El Paso on the river bank. All persons crossing the Rio Grande are being subjected to the closest scrutiny.

### Vega in Field.

San Diego, Cal., Feb. 2.—Governor Seso Vega of Lower California has taken the field with a force of men and is advancing to attack the revolutionists near Mexicali. He is expected to arrive Friday or sooner.

### AMERICANS ORDERED TO TAKE GUNS ACROSS LINE

San Diego, Cal., Feb. 2.—Several mounted rufials from Ensenada arrived at Tia Juana, across the border today and fifty more are expected tonight to aid the citizens guarding the town from the rebel attack. Americans have been ordered to remove all their guns to the American side of the boundary to prevent the revolutionists from seizing them.

### PEEBLER HOME DESTROYED BY FIRE

The residence of Andy Peebler on Perkins avenue was almost totally destroyed by fire about 2:30 this afternoon and but little of the furniture and other contents of the house was saved. It is not known exactly what was the cause of the conflagration but it is thought by the ladies of the house to have originated in the kitchen.

It had gained considerable headway when discovered and by the time the fire department had arrived in response to the alarm, the structure was enveloped in flames and but little could be done toward saving it. It has not yet been ascertained whether or not the building or furniture was insured.

### SIX BILLS MEET THEIR DEATH IN SENATE

Salem, Ore., Feb. 2.—Six bills found a graveyard in the senate Wednesday morning. Four of them were house bills.

S. B. 64, by McCulloch, which was among the slain, was killed because it is practically the same as house bill No. 57 by Fouts, which is to be passed. Both bills prohibit the transportation of dynamite on passenger trains.

Other bills indefinitely postponed were the following:

H. B. 62, by Peterson, relating to non-judicial days.

H. B. 192, by Peterson, relating to statutory crime.

H. B. 167, by Mahoney, relating to contracts of conditional sales.

H. B. substitute 10 by Clemens, exempting legislators from jury service.

S. B. 183, by Locke, regulating the recording of cemetery plots.

## BOX CAR THIEVES ARE UNDER ARREST

In the arrest of six hoboes last evening in Umatilla, another gang of box-car thieves has been broken up and the men are now in the jails of this city to await the next session of the grand jury.

One of the freight conductors is responsible for the discovery of the gang. Last night, while walking through the railroad yards in Umatilla he noticed a group of men, all of whom were wholly or partly clad in new garments. Suspecting that they had not come by them honestly, he notified Marshal Stevens and O. W. R. & N. Detective E. B. Wood, who began a search for the men. They were finally located and placed under arrest and later a boxcar was discovered from which the loot had been taken. Still later a cache of the goods which were not on the backs of the hoboes was found and in it were clothing and other articles, the estimated value of which was between \$300 and \$400.

Marshal Stevens and Detective Wood brought the six men to Pendleton on the motor this morning and three were locked in the county jail and three in the city jail, as the officers wished to keep them separate until they have all been questioned.

James Kyle, mayor of Stanfield, came in this morning for the transaction of business.
