Joelyn, Bedford, Ind., says: "I am a printer by trade and being on my feet so much started my kidney trouble. I had sharp pains over my back and hips, and my kidneys acted too freely. I had done some doctoring but never received much relief until I tried Foley Kidney Pills, and they corrected all my complaints, and in a very short time too, and I feel 100 per cent better. I can gladly recommend Foley Kidney Pills as a great preventive and quick and permanent cure for rheumatism and kidney and bladder trouble." The genuine is in a yellow package. A case of Pape's Diapepsin will cost fifty cents at any pharmacy here, and will convince any stomach sufferer five minutes after taking a single dose that fermentation and sour stomach is causing the misery of indigestion.

No matter if you call your trouble catarrh of the stomach, nervousness or gastritis, or by any other name—always remember that a certain cure is waiting at any drug store the moment you decide to begin its use. Pape's Diapepsin will regulate any out-of-order stomach within five minutes, and digest promptly, without any fuss or discomfort, all of any kind of food you eat.
