Newsy Notes of Pendleton

Baby Girl is Born.

Dr. I. U. Temple reports the birth of a baby girl yesterday to Mr. and Mrs. Charles H. Myers who live about a mile below the city.

Buys New Engine.

William Roesch has purchased of the Nissen Implement company a new steam engine to replace the old one in his brewery.

District Attorney Here.

District Attorney Sam Van Vactor reached Pendleton this morning to conduct the examination of cases which are to come up before the grand jury Monday.

Echo Forger Here.

C. Taylor, the man who passed a bad check in Echo Thursday and attempted to pass another one, was brought to Pendleton last night and given lodgings in the county jail.

Hemorrhage of Lungs.

W. Fanshier had a bad hemorrhage of the lungs yesterday at the shops of the Nissen Implement company, but the medical relief which was speedily secured, prevented any serious results.

Bowman Property Sold.

Lee Tetusch has sold the W. H. Bowman property on Lilletth street to Mr. and Mrs. Edwin W. Myers for a consideration of \$1250. Mr. Myers is the yard engineer for the Oregon-Washington company.

Purchases Rock Crusher.

The county court yesterday purchased from Beal & Co. of Portland a rock crusher for \$250 and it will be used for the improvement of roads throughout the county. Two other bids were received from Portland firms but the Beal bid was the lowest.

Three "D. and D.'s" in Court.

Three men appeared before Police Judge Fitz Gerald this morning to answer to the charge of being drunk and disorderly. They were Andrew Severs, Charles Norton, and H. Rowland. The former were given three days in jail and the latter drew a four-day sentence.

Used Profane Language.

A warrant was issued from the police court this morning for the arrest of Marjorie Milo, a negro woman commonly known as Queen Bess who lives on south Garden street. The warrant was sworn to by Henry, the negro who works at the Henneman cigar store and charges her with using profane and abusive language.

Out on Street Again.

W. L. Bowlsby, who had a narrow escape from electrocution several months ago and, as it was, was burned and shocked quite severely, is able to be about on the street this week for the first time since the accident. He still limps painfully as one of his feet was badly burned.

Sues for a Divorce.

Hinkle and Warner of Hermiston have filed a suit with the county clerk for Blanche M. Spinning against her husband, W. Benjamin Spinning in which she asks the court for a dissolution of the marriage bonds on the grounds of cruel and inhuman treatment and failure to provide means of subsistence.

Large Audience Hears Sermon.

The largest week night audience that has yet attended the revival services at the Methodist Episcopal church gathered to listen to Evangelist Lewtas' address to women last night. He took Vashit, the queen, for his theme, emphasizing the importance of purity, home making and love. He scored the extravagance of many women, the light manner in which the marriage vows were taken and broken, and urged the importance of being a home-worker. No service tonight.

Freewater Land Deals.

Several warranty deeds from the east end of the county were filed with Recorder Burroughs this morning. By one of these, Mrs. P. C. Keller and daughter, Mrs. S. I. Birdsall, transfer to P. M. Van Slyke block 43 and other property in Freewater for a consideration of \$1200. By another, Martha C. Emry and W. J. Emry have disposed of a couple of lots in the same town to J. E. Irons for \$1500. By a third, M. L. Winn and husband, J. D. Winn have sold to Nellie Talbot one acre for a consideration of \$4500.

Girls Defeated at Milton.

The girls' basketball team of the high school returned on the local this

morning from Milton where they met defeat last night at the hands of the Milton girls by the score of 27 to 8. They declare, however, that they played a better game of basketball than did their opponents who, they say, are of colossal physical proportions and attempted to turn the contest into football. Boys rules were used because the Milton girls were not acquainted with the rules drawn up for the gentler sex and the result was 40 minutes of "roughhouse" they declare. However, the girls speak enthusiastically of the manner in which they were entertained when not on the floor.

Challenge is Accepted.

The bold challenge of the Walla Walla Commercial basketball team has been accepted by members of the local Commercial gymnasium and the answer of acceptance was dispatched this morning by John Montgomery. It is couched in terms calculated to shake the courage of the Garden City tossers. The game is scheduled to take place next Friday night in Walla Walla and later a return game will be played in this city. The local team has not yet been selected but the members will be picked from the following men: George Hartman, Charles Marsh, Clark Nelson, Will McKinney, John Montgomery, John Lambirth, E. B. Aldrich, Richard Mayberry, Leroy Brethaupt, Merle Farrel and Merle Chessman.

LIVED IN COUNTY QUARTER OF CENTURY

Robert Dick, who lived for over a quarter of a century in this county, passed away this morning at 10 o'clock at the home of Sam Osborne on Johnson street, death being due to a malignant growth on his neck from which he had been suffering for the past two years. The funeral arrangements have not yet been completed but it has been decided that interment will take place Monday morning in the Pilot Rock cemetery.

Robert Dick was born in Ontario, Canada, 61 years ago and came to Umatilla county in 1882, settling near Pilot Rock. He has lived there ever since until about four months ago when he came to Pendleton to secure medical treatment. He leaves a widow and three step-children in this county to mourn his death, a father, mother, four brothers and a sister in Canada, a brother in Virginia City, Nev., and a sister in Missouri.

BUTTERCUP PATROL FOR SPOKANE

Buttercups Patrol of Troop I of the Girl Guides, the first of its kind in the United States, has been organized in Spokane by David W. Ferry, scoutmaster of Troop 4 of the Boy Scouts of America. The officers are: Leader, Mrs. M. A. Hanson; captain, Audrey Botham; corporal, Ethel Rhodes.

The patrol was organized on the recommendation of Sir Robert S. S. Baden-Powell, organizer of the Boy Scouts, and it is expected that the movement will spread to all parts of the United States and Canada. The Girl Guides will be affiliated with the Boy Scouts. Sir Robert says in a letter to Scoutmaster Ferry:

"I am delighted to hear that you are taking up such useful work in the states and that the Boy Scouts are already on such a good footing for development and efficiency and citizenship in Spokane. I enclose for your information a small pamphlet regarding Girl Guides. Their handbook will be published shortly, giving their training in detail. This, as you see is arranged much on the same principles as that of the scouting for boys, but designed to teach the girls more womanly arts of nursing and housecraft.

"I hope that you will tell your boys that I am delighted to hear how well they are doing in Spokane, and I hope they will not forget their brother scouts in England and communicate with them by picture postcards or otherwise, with a view to establishing a mutual friendship and sympathy that should exist between us who are of the same blood. I wish for you every success."

Five hundred dollars has been raised for the equipment of a mounted patrol of Boy Scouts to meet Colonel Theodore Roosevelt, who will pass three days in Spokane some time next April.

CHURCH MEMBERS ARE HIGH PRICED

"Every member gained by the Methodist Episcopal church in 1910 represented an expenditure of \$1,000 and a property investment of \$7,000," declared Rev. Dr. E. Blake of Chicago, in an address before a convention of Methodist Episcopal Sunday schools of the Columbia river conference in Spokane, which was attended by delegates from all the northwestern states.

"The Methodist Episcopal church is facing a serious situation," Dr. Blake added. "The net gain in members was only 41,337 in 1910, an increase of about 1.2 per cent. This convinces me that the old methods of evangelism are not producing results. We have never had more evangelists than at the present time and they have never accomplished so little as now. The weakness of modern evangelism is that it makes its main appeal to adults, when it is a matter of fact that 85 per cent of all conversions are under 18 years of age. The church must make its appeal to youth and the earlier this is made the better the result will be for the church."

Funeral of Edwin Long. The funeral of Edwin Long who died Monday night at St. Anthony hospital of pleuro-pneumonia, will be held tomorrow afternoon at 2 o'clock from the Christian church followed by interment in the Olney cemetery.

Miss Edna Slater and Miss Edna Zimmerman each sang two beautiful solos.

Miss Olive Gwinn rendered two delightful piano solos while Miss Helen Johns contributed a violin number.

One of the most brilliant social affairs of the season was given last Thursday afternoon at the home of Mrs. C. P. Bishop. It was the "club annual" of the Thursday Afternoon club and was in the form of a reception a la Francaise. The reception rooms were beautifully decorated and lighted by soft candle light and the guests were received by the president of the club, Mrs. Alice Sheridan, gowned to represent Duchess de Charreusse and Mrs. Bishop as Marie Antoinette. The others in the receiving line were the officers of the club representing famous French women, of both past and present, including Madame Craminader, Duchess de Longville, Mad. de Stael, Mad. Curie, Mad. Necker, Mad. de Verle, La Princesse Marguerite de Valrois, Mad. de Laucy and Mad. Marquise de Lafayette. Some of the costumes were very elegant. Many interesting heir-

looms both in jewels and gowns having been brought out for the occasion.

During the afternoon a screened orchestra played most delightfully. Punch was served in the drawing room and tea and coffee in the dining room. The refreshment tables, beautifully decorated with the club colors, pink and white were under the espionage of Mrs. George Hartman, Jr. while club members assisted in the serving. Fully a hundred people enjoyed the club's hospitality and altogether it was a most delightful affair.

The friends of the library will be glad to learn that the amount cleared from the ball given by the Current Literature club was one hundred and thirty-four dollars.

ORATORIO IS GIVEN ON FOUNDER'S DAY

Whitman College, Walla Walla, Wash.—The annual celebration of Founder's Day on February 15th was marked this year by the notable rendering of Handel's oratorio, the "Messiah" by a chorus of 75 voices. The day was the birthday of Cushing Eells, the founder of the College, and each year it is celebrated by service in commemoration either to him or of the other men and women whose lives have been built into the college foundations. For the first time a musical service has been established as a part of the celebration.

FINE PROGRAM FOR COMING MEETING

"GET TOGETHER" SESSION
WILL BE INTERESTING

Representatives of Six Organizations
Will Present Ideas—Good Music
Will Vary Monotony—Prof. Scudder to Tell of Field Peas.

Arrangements for the "Get Together" convention to be held here February 22 are now being perfected. The affair is to be held in the Oregon theatre and for the program some of the best speakers in the country are being obtained. Short addresses will also be made by many local men with reference to the work of the organizations they represent.

Scudder is Coming.
What promises to be a very interesting feature of the meeting will be a talk by Prof. H. D. Scudder, of the Oregon Agricultural college upon the subject of the field pea. Professor Scudder is one of the best scientific agriculturalists in the northwest and he has also had much practical experience in this state, in Kansas and Illinois. He is particularly interested in the raising of field peas in eastern Oregon and many local farmers have expressed a desire to hear what he has to say upon that topic. He is coming at the invitation of the committee.

Good Musical Program.
Under the direction of Frank Fragler, who is one of the committeemen from the Good Roads association an excellent musical program has been arranged. The musical numbers will be interspersed with the speaking throughout the day and will serve to enliven the convention. Among the numbers already secured will be a duet by Miss Edna Zimmerman and Mr. Thomas H. Williams; a duet by Mrs. J. R. Dickson and Miss Slater and selections by the quartet composed of Messrs. Storey, Baer, Scott, and Dickson.

The Speakers.
Under the arrangements made by the committee each organization participating in the convention will have one hour for its part on the program. However, some organizations will not use that much time. The following is the list of organizations to participate and the speakers that will represent those organizations:

Farmers' Union; A. A. Elmore of Portland, and J. W. McAllister, of La Grande.
Pendleton Commercial Association. President W. L. Thompson and President-elect Dan P. Smythe. Prof. Scudder will also speak during the hour allotted to the commercial club.
Good Roads association; Judge S. A.

Lowell and Dr. C. J. Smith. Credit mens association; J. H. Gwinn, secretary.
Third District Fair; Dr. C. J. Smith. Round-up; J. R. Raley, president. It is the intention of the committee to arrange for a big luncheon to be served at 12 o'clock, probably in the Eagles hall. However, complete arrangements for this feature have not yet been completed.

I. W. W. ARMY TO MEXICO.

(Continued from page one.)
effort to enlist organized labor into the cause of the Mexican revolutionists was launched here today when a resolution was adopted by the San Francisco labor council denouncing Diaz as a blood-thirsty enemy of labor and mailed to every union body in America.
The resolutions urge the unions throughout the country to aid the insurgents and urge through the congressmen that the alleged discriminations now going on against the insurgents in the enforcement of the neutrality laws by the United States troops be stopped.

STUDENTS WILL CONTROL THE AGRICULTURAL CLUB

Control of the Agricultural club now being formed here will rest with the students of the high school. At a meeting of the students held yesterday preliminary steps towards organizing were taken and another meeting will be held Monday. Next Thursday evening a larger meeting will be held in the rooms of the Commercial association for the purpose of taking in outside members. All who are interested in the work of the club are asked to join through the officers of the association will be students. The following declaration has been signed by the students who are forming the club:

Believing that economic advancement is largely proportionate with agricultural advancement, and that a broader knowledge of scientific agriculture will be of much value to ourselves and to our locality, we hereby signify our approval and support of an "Agricultural Club," in the city of Pendleton for the purpose of advancing interest in agriculture, and through the investigation and discussion of both general and special subjects, encourage a better understanding of agriculture in its various phases.
