PURE RICH BLOOD.

Tallman & Co. Sell a Prescription That Means Vigor, Vim, Vitality.

Because MI-O-NA causes the blood to get better and more nourishment it is at all times a valuable tonic. It puts vigor into the muscles, clears up the improperly nourished brain and makes strong nerves that will stand the severest test.

Men who feel that their vitality is slipping away; that the vim and energy that they formerly put into all their work is lacking; that ambitious impulses and clever ideas do not come as they used to—are the kind of men that need MI-O-NA.

Besides being a peerless remedy for indigestion MI-O-NA is a most pronounced tonic.

If you have that blue, discontented feeling through the day and pass restless nights, trying unsuccessfully to get a refreshing sleep, take a month's treatment of MI-O-NA stomach tablets, and bring the sunshine into your life.

MI-O-NA costs but 50 cents at Tallmans and druggists everywhere. Guaranteed to cure indigestion and immediately relieve all stomach misery, or money back.

GUARDIAN TWEEDY REPLIES TO CHARGES

ACCEPTED APPOINTMENT AT EARNEST SOLICITATION

Alleges Newly Acquired Wife of Son of Ward Is Responsible for All the Trouble.

Denying the charges made against him and making counter charges against Mark Sturtevant and wife, T. J. Tweedy late yesterday afternoon, through his attorney, Will M. Peterson, filed his answer to the petition asking for the removal of himself as guardian of the person and estate of A. J. Sturtevant of Pilot Rock, and the appointment of T. P. Gilliland in his stead.

Mr. Tweedy alleges, in the first place, that he only accepted the appointment after repeated and earnest solicitation on the part of both A. J. and Mark Sturtevant and that he was only named as executor of the last will and testament of the former at the expressed desire of that person himself.

Mrs. Mark Sturtevant is charged with being responsible for the trouble between Mr. Tweedy and his ward. She, it is alleged, was attempting to secure the drawing up of a will that would leave to her 200 acres of land and personal property to the value of \$16,000, and that when a new will, leaving her only \$1000 and \$20 a month for her care of him during his life was drawn, she immediately began to make trouble and threatened to file a suit for \$30,000 against her father-in-law unless the will was altered to suit her.

It is further alleged that Mark Sturtevant has been of such intemperate habits that his father refused to have anything to do with him and Mr. Tweedy alleges that he effected a reconciliation between the two and finally prevailed upon the old man to allow his son and his son's wife to take up their residence with him so that they could care for his person, and that for this service he allowed them a reasonable sum of money. And, he alleges, if Mark Sturtevant would acquire habits of industry and temperance, it would not be necessary for Mr. Tweedy to make many trips to Pilot Rock, and thus considerable expense would be saved to the estate.

Mr. Tweedy declares in his answer that he has used his best influence to make Mark Sturtevant and wife careful and considerate in looking after the person and property of A. J. Sturtevant, but that if the court finds they are not proper caretakers, he will remove them and place his ward under more competent persons.

Phosphorus Fatal to Two-Year-Old at Portland.

Portland, Ore., Feb. 21.—After eating the phosphorus and explosive preparation from the heads of some matches Saturday night the 2-year-old babe of Conductor Summersville of the P. R. L. & P. company, died in much agony today. Poisoning from the compound seemed to be clearly revealed when Dr. O. A. Thornton held an autopsy over the baby's body following its sudden demise and this cause was given for its death.

Steps are being taken to present a fair statement of labor conditions in Tampa, Florida, where the union cigar makers have been on strike for several months. A set of resolutions adopted by the council sets forth conditions from the standpoint of the

union men, and they picture a deplorable state of affairs as the result of the determined fight being made against the union in the Florida city by employes of cigar factories involved. Copies of these resolutions are being sent to various central bodies with a request for favorable action.

Fargo labor organizations are planning to have the finest headquarters in the northwest. The trades assembly has secured a new lease of Royal Knights hall through the directors and plans have been formed to entirely rearrange and renovate the building. The new hall will be headquarters for all kinds of societies as well as labor organizations.

Wise men control their money; fools are commanded by it.
