

"Dr. Miles' Nervine Raised Me From the Grave"—Mrs. Taylor

This is a strong statement to make, but it is exactly what Mrs. Thomas Taylor, of Blum, Texas, said in expressing her opinion of this remedy.

"Dr. Miles' Restorative Nervine raised me from the grave and I have much confidence in it. I can never say enough for your grand medicine. If anyone had offered me \$100.00 for the second bottle of Nervine that I used I would have said 'no indeed.'"

MRS. THOMAS TAYLOR, Blum, Tex. Nervous exhaustion is a common occurrence of modern life. The wear and tear on the nervous system is greater now than at any time since the world began.

Dr. Miles' Nervine Your nerves are your life and lack of vital energy makes existence a misery. Dr. Miles' Nervine will tone up your nervous system.

Ask any druggist. If the first bottle fails to benefit, your money is returned.

"SLIP-ON" WOMAN'S JOY.

Gown That Serves Multiple Purposes is Actually.

Why, has inquired many a woman, should man be allowed to roam and to dine in a frock coat, while woman can neither eat in her roaming suit nor roam in her dining gown?

The woman's world owes a vast debt of gratitude to the tailor for inventing what will undoubtedly be the most popular dress, "the slip-on."

No longer need the fashionable woman leap from bed to breakfast gown from breakfast gown to shopping suit, from shopping suit to luncheon costume, from luncheon costume to dinner frock from dinner frock to slumber robe, and from slumber robe to bankruptcy.

One leap will hereafter do it all. It is the leap from couch to "slip-on." It has the comfort of the kimono, the chic of the morning knock-about, the high collar of the matinee model, and the décolleté of the opera creation.

A few minutes delay in treating some cases of croup, even the length of time it takes to go for a doctor often proves dangerous.

CATTLE MARKET IS HIGHER IN PORTLAND

ADVANCE OF TWENTY-FIVE CENTS IS QUOTED

Slight Premium Also Offered for Grain Fed Wethers—No Hogs Offered—Exporters Enter Wheat Market.

Cattle market sold about 25c higher in the yards today with supplies liberal. Quality was generally good. A number of stags went at \$5.75 to \$6, a new high record for recent days.

No hogs arrived, but there was a firmer tone again in the east. At Chicago swine were steady at unchanged values, while South Omaha was strong to 5c higher.

World's Wheat Market. Portland—Cash club, 75¢ @ 79¢; bluestem, 80¢ @ 81c.

Exporters in Market. Wheat exporters are again in the market and are feebly offering 73c for club and 81c for bluestem basis track delivery tidewater.

On the other hand sellers are in no mood to let go at present figures and trade remains nominal.

A small amount of flour business is reported sold to China and Japan. The orders are for limited amounts and are almost too small to note.

Oats trade is nominal with holders much more willing to let go. Hay trade is limited with holders pressing their supplies for sale and quite willing to accept shaded figures.

"RARE PUBLIC SERVANT." Balthasar Henry Meyer of Wisconsin, one of the new members of the Interstate Commerce Commission, is a specialist in the science of transportation. That is to say, he has spent the last seventeen years studying and teaching, investigating and propounding the business of transportation with equal consideration for the corporations that sell transportation and the people that buy it.

He holds that either the railroads will be strictly and properly regulated by the government, or they will be owned, at least, he insists upon regulation. He does not advocate government ownership, but he realizes fully, and he says so, that if the roads are not regulated in the public interest, then the people will insist on taking them over.—From Hampton's Magazine for March.

William D. Huber has been re-elected president of the United Brotherhood of Carpenters and Joiners of America. William C. Scharf of Chicago ran so close behind Huber that the result was in doubt until the vote of the last local was counted.
