

DEPARTMENT OF THE INTERIOR, WASHINGTON, February 28, 1911.—Umatilla Project, Oregon. Public Notice.—Pursuant to the provisions of Section 4 of the Reclamation Act of June 17, 1902, (32 Stat., 388), notice is hereby given as follows:

1. Water will be furnished from the fourth unit, Umatilla project, Oregon, under the provisions of the Reclamation Act, in the irrigation season of 1911, for the irrigable areas shown in the farm unit plats of Townships 4 and 5 North, Range 23 East, and Township 5 North, Range 29 East, Williamette Meridian, approved by the Secretary of the Interior, February 11, 1911, and on file in the local land office at La Grande, Oregon.

2. Homestead entries, accompanied by applications for water right and, as hereinafter provided, by the appropriate installment or installments of the charges for building, operation and maintenance, may be made on or after March 22, 1911, beginning at 9 o'clock a. m., under the provisions of said act for the farm units shown on said plats. Water-right applications may also be made for lands heretofore entered and for lands in private ownership, and the time when payments will be due therefor is hereinafter stated.

3. Warning and notice are hereby expressly given that no person will be permitted to gain or exercise any right whatever under any settlement or occupation begun prior to March 22, 1911, on any land shown on said plats and all such settlement or occupation, filling or entry is hereby forbidden; provided, however, that this shall not interfere with any valid existing rights obtained by settlement or entry while the land was subject thereto.

4. The limit of area per entry, representing the acreage which in the opinion of the Secretary of the Interior may be reasonably required for the support of a family on the lands entered subject to the provisions of the Reclamation Act, is fixed at the amounts shown upon the plats for the several farm units.

5. The maximum limit of area for which water-right application may be made for lands in private ownership shall be 160 acres of irrigable land for each land owner.

6. The charges which shall be made per acre of irrigable land in the farm units shown on said plats, subject to entry hereunder on and after March 22, 1911, and for lands heretofore entered or in private ownership for which water will be furnished during the irrigation season of 1911 as aforesaid, are in two parts, as follows:

(a) The building of the irrigation system, \$50 per acre of irrigable land, payable in not more than ten annual installments, each payment not less than \$5.00 or some multiple thereof per acre, except that in the case of lands heretofore entered the first installment of the building charge shall be \$12.00 per acre and subsequent installments \$6.00 per acre. Full payment may be made at any time of any balance of the building charge remaining due, after certification by the Commissioner of the General Land Office that full and satisfactory compliance has been shown with all the requirements of the law as to residence, cultivation and reclamation.

(b) For operation and maintenance for the irrigation season of 1911, and annually thereafter until further notice, \$1.50 per acre of irrigable land, whether water is used thereon or not.

7. All entries made hereafter for any of the lands described, whether for lands not heretofore entered, or for lands covered by prior entries which have been canceled by relinquishment or otherwise, shall be accompanied by application for water rights in due form and by the first installment of the charges for building, operation and maintenance, not less than \$13.50 per acre of irrigable land, except where payments have been duly made by the prior applicants and credits therefor duly signed in writing. The second installment of the building charge, not less than \$6.00 per acre, and the appropriate charge for operation and maintenance, shall become due on December 1 of the following year. Subsequent installments of the building charge shall become due on December 1 of each year thereafter until fully paid. All entries made and all water-right applications filed after March 22, 1911, for public or private lands shall be accompanied by a payment equal to the sum of all installments which would have become due had the entry or water-right application been filed on March 22, 1911, or which in the case of a prior application were paid and were not duly assigned in writing.

8. For lands in private ownership and for lands heretofore entered, the first installment of the charges for building, operation and maintenance, not less than \$13.50 per acre of irrigable land, shall become due on December 1, 1911. The second installment shall be due on December 1, 1912. Subsequent installments shall become due on December 1 of each year thereafter. In cases where applications for water rights are made for said lands after one or more installments of the charges thereon for building, operation and maintenance have become due hereunder, all installments of such charges which have thus accrued must be paid at the time of filing such applications for water rights.

9. The first and all subsequent installments of the charges for all irrigable areas shown on these plats, whether or not water is used thereon, shall be due and payable as hereinafter provided.

10. The regulation is hereby established that no water will be furnished in any year until the portions for operation and maintenance of all installments then due shall have been paid. Accordingly, no water will be furnished for the irrigation season of 1912 for any lands unless the portion for operation and maintenance of the installment due December 1, 1911, has been paid and in like manner no water will be furnished in any subsequent irrigation season unless payment has been made of the portions of the installments for operation and maintenance then due and unpaid.

11. Failure to pay any two installments of the charges when due, whether on entries made subject to the Reclamation Act or on water-right applications for other lands, shall render such entries and the corresponding water-right applications, or the water-right applications for other lands, subject to cancellation with the forfeiture of all rights under the Reclamation Act, as well as of any moneys already paid.

12. All charges must be paid at the local land office, at La Grande, Oregon.

13. The charges may, for the convenience of applicants, be handed to the special fiscal agent of the United States Reclamation Service assigned to the Umatilla project, for transmission to the register and receiver of the local land office, but in case this privilege is availed of the necessary charges for transportation of the cash as determined by the special fiscal

agent, must accompany said water-right charges. (Signed) R. A. BALLINGER, Secretary of the Interior.

LETTERS REMAINING UNCALLED FOR IN LOCAL POST OFFICE

Advertised letters for week ended March 2, 1911. Margaret McMahon, Frank Moorhouse, B. L. Barry, F. Neil, Raffare Pette, Don De Bonaventura, 2; Felipe Sompoto, M. Mareani, T. P. Clark, A. L. Cargil, G. B. Picart, B. E. Johnson, Wild Bill, Lizzie Minthorn, P. Minthorn, C. Sampson, J. C. McFadden, Harry Luton, Geo. Washington, Grover Minthorn, Chas. Whu, Edith Roy, Wm. Runner, H. Retzes, Doris Roberts, Rev. Ross, Maldon Samuelson, Warn Schambel, and Polk Shafer, L. S. Shack, Pearl Stanfield, B. E. Smith, F. F. Thomas, Nellie Shurman, J. L. Waldron, Chas. Wilson.

STATE BUYS STILL MORE ASYLUM LAND

Thirty-four Acres Secured For The Branch Insane Asylum.

Thirty-four and one half more acres have been purchased by the state board for the eastern Oregon branch insane asylum site and the abstract is being made out today. This tract is what is known as the Charles Myers place and adjoins the Carpenter tract on the east. The consideration was \$5800.

By this purchase the state has secured all of the land in the bottom with the exception of the ten acres owned by C. C. Hendricks. It is reported condemnation proceedings will soon be started to obtain this tract at a reasonable price as the owner has boosted his figures to \$4500 which is held by the state board to be exorbitant.

Deeds to the Patton and Roberts tracts which were purchased some time ago, were also filed today with the recorder. The Patton tract of five acres adjoins the Oliver tract back of the Carpenter land. The consideration for this piece was \$2500. The Roberts tract contains 54 acres and lies north of the road just west of the city limits. This transaction involved \$3100.

If you spend your time looking for a soft snap, make up your mind that some other fellow will pick it up incidentally while he is hard at work.

COLONIST FARES

From the Middle and Eastern portion of the United States and Canada to OREGON, WASHINGTON AND THE NORTHWEST will prevail DAILY March 10th to April 10th over the Oregon-Washington Railroad & Navigation Co. and connections, the OREGON SHORT LINE, UNION PACIFIC and CHICAGO & NORTHWESTERN

From Chicago at \$33.00 St. Louis 32.00 Omaha 25.00 Kansas City 25.00 St. Paul 25.00 and from other cities correspondingly low.

You can PREPAY Fares The Colonist fares are Westbound only, but if you have relatives or friends or employees in the East whom you desire to bring to this state you can deposit the value of the fare with your local railroad agent, and an order for a ticket will be telegraphed to any address desired.

Let the WORLD Know Of our vast resources and splendid opportunities for HOME BUILDING Call on the undersigned for good instructive printed matter to send East, or give him addresses of those to whom you would like to have such matter sent.

WM. McMURRAY General Passenger Agent PORTLAND, OREGON.

FARMERS START SPRING PLOWING

(Special Correspondence.) Adams, Ore., March 11.—Charley Ferguson of Seattle, was calling on the business people of Adams Tuesday.

W. M. Anderson of Portland, was a business visitor in Adams Wednesday. Fred Blake visited friends in Pendleton Wednesday.

M. Picard transacted business in Pendleton Tuesday.

T. C. Ried went to Pendleton Tuesday to do some shopping.

Frank Martin was a Pendleton visitor Thursday.

Mr. and Mrs. George Woodward made a business trip to Pendleton Wednesday.

J. T. Lieualten and daughter, Stella, went to Milton Wednesday to attend the county Sunday school convention, which was held in that city.

T. A. Lieualten was a Pendleton visitor Thursday.

Carl Carlton left Friday for Pilot Rock, where he will spend the summer months on the ranch.

Fred Blake went to Athena Thursday to attend the K. of P. lodge.

The Misses Lizzie and Ruth McKenzie visited in Pendleton Wednesday.

Casper Woodward, one of Umatilla's big wheat men, started his caterpillar engine to plowing Thursday. It run fine, although the ground was a little too wet for it. It is a great invention for the Umatilla farmers.

L. L. Rogers started his men with his spring plowing Thursday morning.

L. L. Lieualten began spring plowing Thursday.

Dr. McKenny of Helix, was called to Adams Thursday night to see A. J. Baker's infant son, who has a bad attack of the grip.

Lewis Blake left Friday for California, after spending the past month with friends and relatives in Pendleton, Helix and Adams.

Electropodes

Rheumatism and Nervousness. Better Than Medicine

Rheumatism, Nervousness, Neuralgia, Backache, Liver and Kidney complaints are caused by excess uric acid. Medicine can only temporarily counteract the effect, while Electropodes remove the excess uric acid, and all other poisons and impurities, from the system. The result is prompt relief and a permanent cure.

One man from Pasadena, Cal., writes: "Electropodes cured me, in two weeks' time, after all other remedies had failed." Another from Madison, Neb., says: "Electropodes have done me more good than all the medicine I have taken."

NO CURE, NO PAY.

Druggist Signs This Contract: The purchaser of Electropodes is granted the privilege of returning them within 30 days, and the purchase price (\$1.00) is to be refunded upon the following conditions: They are to be worn according to directions for at least 25 consecutive days, and then if not satisfactory, to be returned in original box.

Druggist's Signature: _____

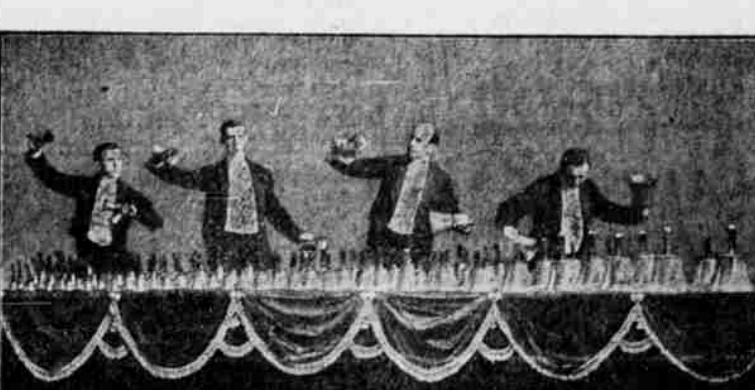

At druggists; or by mail, post-paid. If your druggist cannot furnish Electropodes, send us \$1.00, and we will see that you are supplied immediately. State whether for man or woman.

Western Electropode Co., 247 Los Angeles St., Los Angeles, California.

The Dunbars

Pendleton Lecture Course

Artists with Bells, Voice, Flute, 'Cell and Piano

Magnificent Clarillon of nearly 200 bells. Entire equipment the finest money can buy.

Several original part songs never published. Character sketches in many dialects. Music unsurpassed in its class.

Tuesday, March 14th, First M. E. church.

Admission: Adults 75¢. Children 35¢

Every Mother is or should be worried when the little ones have a cough or cold. It may lead to croup or pleurisy or pneumonia—then to something more serious. Ballard's Horehound Syrup will cure the trouble at once and prevent any complication. A. C. Koepfen & Bros.

SPORTOGRAPHS

Executive committee of the National Association of Amateur Oarsmen will meet in New York next week.

Lake Worth, Fla., will be the scene next week of the annual regatta of the Palm Beach Power Boat association.

Rowers from all over the Dominion, with not a few from the United States, will compete in the Montreal tournament opening Monday.

An intercity relay race, with the champion quarter-milers from Philadelphia, Boston, Chicago and Newark opposed against the New Yorkers, will be a feature of the Pastime A. C. games in New York next Tuesday.

Matters pertaining to the protection of wild game and fur bearing animals in the Empire state will be considered at a conference of leading sportsmen of New York, in session today in the assembly room at Albany.

Boston's annual automobile show will close tomorrow, after a highly successful exhibition, and shows will be opened during the coming week in Syracuse, N. Y., Denver, Colo., Louisville, Ky., and Pittsburg, Pa.

Finals in the international amateur trapshooting tournament, the qualifying rounds for which are now in progress, will be shot off in Madison Square Garden, New York, on Monday afternoon, and will be the closing feature of the International Sportsmen's Show.

Tomorrow will be a busy day for athletes in Chicago, the events on the program including the Central Amateur Athletic Union championships, to be held under the auspices of the Illinois Athletic club, and dual track meets between Chicago and Illinois and Northwestern and Purdue.

Two important intercollegiate wrestling matches are on the cards for tomorrow, the Pennsylvania and Princeton grapplers meeting at Princeton and the teams of Columbia and the Naval Academy going to the mat at Annapolis, these dual meets being preliminary to the intercollegiate championships to be held at Princeton on March 25.

Plans for new schoolhouses to cost half a million dollars have been made up by the department of public instruction in Hawaii for action by the legislature at Honolulu.

When You BUILD, Build to STAY!

Re-enforced concrete and concrete blocks are cheaper in the end; are prettier, more substantial and far more comfortable in either cold or warm weather.

Concrete stands unsurpassed for Basements, Foundations, Walls, Fences and Curbing. It looks better and lasts longer than stone.

See my many beautiful designs in concrete blocks before you build your home.

I will furnish your estimates for any class of work on application.

COLUMBIA LEADS ALL IN STUDENTS.

Figures recently compiled and given out show that Columbia University leads the educational institutions of the country in number of students enrolled in 1911.

Columbia's student body numbers 7411. Two western universities come next in order. Chicago with 5883 and Michigan with 5339 students. Harvard closely follows with 5329, only ten less than the Ann Arbor institution. Pennsylvania has 5187 students enrolled, and Cornell 5169.

Columbia also leads in the summer session, with Harvard next. Pennsylvania third and Michigan, California, Wisconsin and Indiana following in the order named.

The report shows a considerable decrease in the number of students taking scientific courses. Yale, Columbia and Illinois being the only universities making considerable gains in those departments.

There must be some Theodore Roosevelt Smiths, Joneses, Browns, etc., grown up now enough to hurrah for Teddy when he comes.
