STANFIELD FRUIT GROWERS MEET

(Special Correspondence.)
Stanfield, Ore., March 13.—An enthusiastic meeting of the Stanfield Fruit Growers' association was held last Saturday evening and after the routine business had been transacted the program committee took charge and the subject of the evening, "Advantages of rural life in an irrigated district," was presented by G. L. Hurd, J. E. Fawcett and E. N. Wheeler. It was decided by several of the members to specialize on growing of water melons between trees, "Kleckley Sweet" being the variety chosen. Saturday afternoon the sewing class of the public schools, under the leadership of Miss Baker, principal, met at the residence of Mrs. J. E. Reeves, who served delightful refreshments after the young ladies of the class had studied for a couple of hours the art of sewing.

TATTOO MARRIED WOMEN.

Advice of New Zealand Minister to Americans.
Chicago, March 13.—The Rev. Francis Rawel, a Methodist minister in Auckland, N. Z., a visitor here, urged Chicago husbands to tattoo their wives. Mr. Rawel talked before a meeting of the Cook County Teachers' association today on "From Cannibalism to Culture."
"I think this is a magnificent custom," he said as he caused to be thrown on the canvas a picture of a New Zealand woman thus tattooed. "These marks are put on the chin in order that the young men may know that a woman is married. When I go to Washington I am going to suggest this to President Taft as a"

CATARRH IS SURELY A DANGEROUS DISEASE

Thousands of people allow catarrh to slowly undermine the whole system until a serious disease develops sometimes consumption.
People who have catarrh should use every effort to get rid of it, but should above all adopt a sensible method.
Stomach dosing, sprays and douches won't cure catarrh because it is a germ disease, and the germs must be destroyed before the disease can be conquered.
HYOMEI is the one sensible cure for catarrh because it reaches every fold, crevice and nook in the mucous membrane and gets where the germs are. You breathe HYOMEI and as it passes over the inflamed membrane its soothing influence heals the soreness and destroys the germs.
A complete HYOMEI outfit costs \$1. This consists of a bottle of HYOMEI and a hard rubber inhaler. Pour a few drops of HYOMEI into the inhaler and breathe it a few minutes each day, that's all you have to do. It is guaranteed by Tallman & Co. and druggists everywhere to cure catarrh, coughs, colds and sore throat or money back. Extra bottle of HYOMEI costs but 50 cents. Free trial sample on request from Booth's Hyomei Co., Buffalo, N. Y.

venient manner of conveying information of the married women state."
Another innovation that the speaker suggested was the former New Zealand method of greeting, namely, the rubbing of noses together. Mr. Rawel's wife, Mrs. Hine Taimo Rawel, and their daughter, Piwa (Eva) Rawel, gave an exhibition of this manner of greeting.

A Fierce Night Alarm.

is the hoarse, startling cough of a child, suddenly attacked by croup. Often it aroused Lewis Chamblin of Manchester, O., (R. R. No. 2) for their four children were greatly subject to croup. "Sometimes in severe attacks," he wrote "we were afraid they would die, but since we proved what a certain remedy Dr. King's New Discovery is, we have no fear. We rely on it for croup and for coughs, colds or any throat or lung trouble." So do thousands of others. So may you. Asthma, hay fever, la grippe, whooping cough, hemorrhages fly before it. 50c and \$1.00. Trial bottle free. Sold by Koeppens.

Athena, Ore., March 12.—The funeral of Mrs. Elmira J. Foss of this city, who died Friday evening at 10:15 was held in the Christian church today at 11 a. m., with Rev. McKenzie Meldrum officiating. At the time of her death Mrs. Foss was at the age of 61 years, 3 months and 15 days. She was born in N. Y. in 1849.

Mrs. Foss was the mother of six children, three boys and three girls, five of whom survive her. They are as follows: Mrs. Mattie Mitchell and John Foss of Moro, Oregon; Alcy Foss of Spokane; and Austin and James Foss of this city.
Mrs. Foss with her husband, L. J. Foss, who is still living, was an old resident of this city and is very widely known and loved by the people of this entire country around. She was the type of a woman that is happiest when she was doing some kind service for someone else, and the citizens of this community extend their heartfelt sympathy to the friends and relatives of the deceased.

Revival Meetings.

Mrs. A. M. Johnson and children have been visiting for the past week with her mother in Walla Walla.
There are as many men who succeeded in falling as fall in succeeding.

PROMINENT WOODMAN HERE.

Deputy Head Consul Will Address Members of the Order.

D. J. Beakey, deputy head consul of the Pacific Jurisdiction of the Woodmen of the World, arrived in this city today and will address the members at a meeting this evening at 8 p. m.
Mr. Beakey, in speaking of the Woodmen this morning, said: "Our order was never more prosperous than at the present time and we are growing stronger numerically and financially every day. Our membership to a man is proud of our splendid record and achievements. We have paid over thirteen million dollars in death claims to widows and orphans, and over eight thousand dollars for the erection of monuments for deceased members in the nine Pacific states in the last twenty years. It is certainly a record to be proud of. And in addition to this, we can boast of the fact that our order is the strongest financially of any fraternal insurance order in the United States. We have accumulated

over four million dollars in reserve and surplus funds in the Pacific Jurisdiction, which comprises the nine Pacific states, all of which is invested in high class bonds, the membership having made wise restrictions in regard to the investment of these funds, so that the money can only be invested in U. S. government bonds, state bonds, bonds of municipal corporations and counties, district and improvement bonds, school district bonds and a preference is at all times given to security rather than interest on all bonds purchased. You can gather some idea of our financial strength when I tell you we have \$376,000 of our reserve and surplus funds invested in bonds in the state of Oregon, \$90,500 of that amount being bonds of Umatilla county.

WHY SO WEAK?

Kidney Troubles May Be Sapping Your Life Away—Pendleton People Have Learned This Fact.
When a healthy man or woman begins to run down without apparent cause, becomes weak, languid, depressed, suffers backache, headache, dizzy spells and urinary disorders, look to the kidneys for the cause of it all. Keep the kidneys well and they will keep you well. Doan's Kidney Pills cure sick kidneys and keep them well. Here is Pendleton testimony to prove it.
Mrs. R. H. Hedrick, 619 Thompson street, Pendleton, Oregon, says: "I can speak good word for Doan's Kidney Pills, as they were used in my family with the best of results. The person who took this remedy complained a great deal of a dull pain across the back and was also troubled by irregular passages of the bladder secretions. The use of two boxes of Doan's Kidney Pills corrected these difficulties and there has been no return attack."
For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.
Remember the name—Doan's—and take no other.

Refuse Tax Tender of O-W. R. & N.

Colfax, Wash.—P. B. Malleck, for the O-W. R. & N., came to the office of Treasurer William Duncan this morning with \$70,000, which he offered as settlement for the taxes due the county on the railroad's property for the 1910 tax on real estate. The offer was refused and the matter will have to be decided by the courts. Mr. Malleck stated that the reason the railroad had not settled before this time was that the briefs of the case were placed before the supreme court of the state in January and the lawyers were ready to argue the matter of the Whitman county assessment at that time, but the matter had not as yet been taken up by the supreme court.
