Newsy Notes of Pendleton

New Teacher in County.
County Superintendent Welles has been notified of the appointment of Clayborn Hiser as third grade teacher in district No. 74 at Bates station near Milton.

Lease Echo Hostel.
Mrs. Ella Baker and Miss Mae Siler of Pilot Rock, left this morning for Echo, where they will take charge of the Hoskins House, having secured a lease on that stopping place.

Fossil Banker Here.
O. Parker, cashier of the bank at Fossil, is here today accompanied by his wife and two children. Mr. Parker is here to visit with his brother, R. T. Parker and members of the family are also having dental work done.

Extra Westbound Train.
Owing to the heavy colonist rush an extra section of train No. 17, westbound, was placed in running today. The special arrived here shortly before the regular 17 today and went upon the siding to await the arrival of the through train.

County Judge Has Auto.
County Judge J. W. Maloney is the latest addition to the chauffeurs of the city. He has purchased a red Maxwell runabout and will use the same in inspecting the roads in this section and in traveling to and from his reservation ranch.

To Hold Court in Heppner.
Judge Gilbert W. Phelps will leave tomorrow for Heppner, where he will convene his first term of court in Morrow county. Court Stenographer Beckwith will not accompany him but will continue his duties as referee in the Mosgrove-Bergevin case.

Final Proof on Land.
Lewis Warren Keller this morning made final proof before United States Commissioner Vida Johnston on 101 acres of land about five miles due south of Pendleton bordering on the reservation and the whole tract is under cultivation according to his sworn testimony.

Footie Draws 3 1-2 Years.
Judge G. W. Phelps this morning sentenced Charles Footie, who was convicted Saturday of larceny from a boxcar, to three years and a half in the state penitentiary. His partner in crime, Albert Thompson asked for a week's stay of the passing of sentence, which was granted.

Sheriff's Force Busy.
As an example of the general human tendency to put off things until the last moment, the sheriff's office has been crowded to the doors during the past two days with taxpayers desirous of paying in their taxes before tomorrow in order to get the discount to which they are entitled.

Back to Hot Lake.
Col. H. G. Newport of Hermiston, who is still suffering from the wound on his head, passed through Pendleton last evening on his return to Hot Lake for further treatment. He was accompanied by Mrs. Newport. Though still weak as a result of his long illness, the colonel is in good spirits and says he expects to be entirely recovered soon.

Big Colonist Traffic.
That a large number of colonists are taking advantage of the special rates to come to the northwest is indicated by the increased size of the passenger trains which are coming through. According to Agent T. F. O'Brien No. 5 Sunday night was made up of fourteen cars while No. 17 yesterday consisted of twelve cars, carrying two extra chair cars, two extra tourists and one extra standard.

For Artificial Limbs.
Friends of Virgil McCoy are circulating a subscription list in an effort to secure artificial limbs for the unfortunate young man. McCoy, who is a Pendleton boy, fell while attempting to board a freight train at Baker city to come to Pendleton last summer, and both legs were cut off just above the ankles. His only living relative is a destitute aged mother and since the accident McCoy has been compelled to make his home at the poor farm.

Former H. S. Stars in Game.
The freshman class team of the University of Oregon has just won the girls' championship in a basketball tournament at that institution and two former Pendleton high school players played on the victorious aggregation. Hazel Rader appeared in the lineup as forward and Grace Bean at guard, which positions both young ladies occupied on the local girls' team for several years. Miss Rader is also captain of the Kappa Alpha Theta team which is tied for first place in the inter-sorority tournament.

Echo Will "Go Some."
When the Blue Mountain league opens the baseball season at Echo March 26 the thing will be done right, according to Charles Friedley and W. H. Barker, who were here yesterday from the west end city. Already big preparations have been made for the day and one of the features will be a balloon ascension by "Daredevil" Davis. The man with the strenuous name came up from Echo yesterday with Messrs. Friedley and Barker, the trip being made by auto. The game at Echo on March 26 will be with the Pendleton team.

Kills a Murderer.
A merciless murderer is appendicitis with many victims, but Dr. King's New Life Pills kill it by prevention. They gently stimulate stomach, liver and bowels, preventing that clogging that invites appendicitis, curing constipation, headache, biliousness, chills, 25c at Koeppens.
