NEW HOMESTEADERS ARRIVE IN WEST END

OPENING OF FOURTH UNIT ATTRACTS MANY SETTLERS

Homestead Entries Can Be Filed on March 22 at La Grande—Lineup Before Land Office Expected.

(Special Correspondence.)

Hermiston, Ore., March 16.—Several people every day are arriving now expecting to take advantage of the opening of the fourth unit. Most of these people expect to take homesteads. There will be about 15 of these open to entry on March 22, 1911. The public notice of February 28, 1911, section 3, reads as follows: Homestead entries, accompanied by application for water right, and, as hereinafter provided, by the appropriate installment of the charges for building, operation and maintenance, may be made on and after March 22, 1911, beginning at the hour of 9 o'clock a. m. under the provisions of said act for the farm units shown on such plans. Water right applications may also be made for lands heretofore entered and for lands in private ownership, and the time when payments will be due therefor is hereinafter stated.

The charges are as follows: \$60 per acre of irrigable land payable in not more than ten annual installments, each payment not less than \$6 or some multiple thereof per acre, except that in the case of lands hereafter entered the first installment of the building charge shall be \$12 per acre and the subsequent installments \$6 per acre. Full payment may be made at any time of any balance of the building charge remaining due, after certification by the commissioner of the general land office that full and satisfactory compliance has been shown with all the requirements of the law as to residence, cultivation and reclamation.

This makes the payments on homesteads on the fourth unit \$13.30 per acre in advance, the balance in payments of \$6 per acre each year. The maintenance and operation for 1911 being \$1.30 per acre. Therefore all

persons who wish to make application for homesteads in the fourth unit will have to deposit for such application the sum of \$13.30 per acre of irrigable acres and if for any reason, the application is found defective the same will be suspended and the applicant allowed to cure the defects, but in no case will applications be accepted without the required amount, whether in proper form or not. The Commercial club of Hermiston is making arrangements to take the new comers out to see the land, the only charge being the payment of the livery team, this makes it so people who wish to look at these homesteads will have the opportunity of doing so without the cost of locating. It is expected now that there will be a line up at La Grande, Oregon, for the best lands. However, this can not be determined as yet, there are six homesteads left in the third unit, and it is expected that these will also be taken at this time.

The third unit and the fourth units are going to prove to be the finest spot on the Umatilla project, for the reason that they are all good farmers, the homes that are being built are the best, the homesteaders are buying cows, chickens, etc., and all living on the lands, there for this part of the project is settling up very fast, hardly a day passes but what you can see loads of lumber going to this part of the project, carpenters are all busy, and every man who has a homestead is fully satisfied with what the government have given to them. They are all making farms and homes for themselves and families.

FOR ROSE CARNIVAL

Railroad Companies Grant Special Rates From Northwest Points. Portland, March 15.—Wm. McMurray, general passenger agent of the Harriman lines in the Pacific northwest, has announced that the Oregon-Washington Railroad and Navigation company and the Southern Pacific company had made a round trip of one and one-third the single fare from points in Oregon and Washington to Portland, and return during Portland's annual rose festival which will occur this year from June 2 to June 16. West of Goldendale and The Dalles, north of Eugene and south of Centralia, four selling dates will be given. Grays Harbor, Puget Sound points (including Vancouver and Victoria, B. C.) eastern and southern Oregon and eastern Washington will be given three selling dates.

TEDDY TO DEDICATE THE ROOSEVELT DAM

IS ONE OF THE LARGEST IN THE ENTIRE WORLD

Named in Honor of the Man Signing the Act Making its Construction Possible.

The United States reclamation service in its work of supplying moisture to arid lands has given the world five of its largest dams. It was quite appropriate that one of the largest of these, a part of the Salt river project in Arizona, should be called the Roosevelt dam in honor of the man who as president signed the act which made its construction possible.

Col. Roosevelt, in connection with his visit to Phoenix, March 18 to 20, will formally dedicate the dam named in his honor. In this connection it is interesting to note that the 19th National Irrigation congress at which it is expected Col. Roosevelt will be one of the principal speakers at Chicago, December 5 to 9, has for its president Hon. B. A. Fowler of Phoenix, Arizona, who for many years was president of the Salt River Valley Water Users' association.

This immense dam requiring over four years' work and costing in the neighborhood of \$2,500,000, is 230 feet high, length of base 235 feet and top 1,080 feet. The dam is higher than the Flat-Iron building in New York and would hide the capitol at Washington to the dome. Two four-in-hands could pass on the top. Most of the wall rests on stones big enough for a team and a wagon to stand on and weighing sixteen tons each.

The lake formed by the dam extends back in the valley twenty miles and holds enough water to flood 2,000 square miles a foot deep. The reclamation land will make 25,000 farms each large enough to support at least five people, making homes for fully 125,000 Americans. Each acre it is estimated will yield yearly crops valued at \$50 to \$125.

SEATTLE HOUSE COLLAPSES WHILE BEING RAISED

Seattle, Wash., March 15.—Knut

Daviand, a workman, was crushed to death and five were injured by flying timbers today when a house being raised, collapsed. Davis was under the house. Others, including Mrs. John Heyer, the owner, were inside.

Wanted, Waitress—Address Home Bakery, Hermiston.

"RAG TALK TABOOED AT UNIVERSITY OF CALIFORNIA

"Rag talk," is tabooed at the University of Southern California. "Oh, you demon." "You for muh," and other pet phrases are "all to the Kelly," for the Anti-Slang club regularly incorporated and widely patronized by the co-eds, which began life today.

If the male students persist in "rough talk" the co-eds will go to next Saturday's track meet unescorted. So there!

The organization of the club is the result of Actor Frederick Ward's anti-slang speech at the college chapel last week.

OREGON WOMAN WILL GET SHARE OF ESTATE

Rockford, Ill., March 15.—Mrs. Sarah Beale, named in the will as executrix of the estate of her husband, Thomas Beale, who passed away recently, has made application for letters in the estate.

WOMEN'S BEAUTY.

Imperfect Digestion Causes Bad Complexion and Dull Eyes. The color in your cheeks won't fade the brightness in your eye won't vanish, if you keep your stomach in good condition.

Belching of gas; heaviness, sour taste in mouth, dizziness, biliousness and nausea occur simply because the stomach is not properly digesting the food.

MI-O-NA stomach tablets give instant relief to upset stomachs, but they do more; they put strength into the stomach and build it up so that it can easily digest a hearty meal.

"I had stomach trouble for six years—for days at a time could eat nothing at all. After taking MI-O-NA treatment I am in perfect health and can eat anything."—E. M. Campbell, 1200 S. Prospect St., Sedalia, Mo.

MI-O-NA is sold by Tallman Drug Co. and druggists everywhere at 50 cents a large box. It is guaranteed to cure indigestion, and all stomach distress or money back.

Mr. Beale left an estate valued at \$24,000 in real estate and \$11,000 in personal property. The widow and two daughters, Mrs. Ada J. Miller, of Phoenix, Ariz., and Mrs. Catharine May Hinkley, of Wilbur, Ore., are the heirs-at-law and beneficiaries of the substantial estate.

BOOKS FAIL TO BALANCE. Douglas County Sheriff's Accounts Show Discrepancy of \$400.05. Roseburg, Ore.—The report of the

expert accountants who experted the county records, states the accounts of B. Fenton, ex-sheriff, who retired from office January 1, failed to balance by \$490.05. County Treasurer Sawyers was found to have \$130 surplus, while County Clerk Lenox had a surplus of \$2. The expense incurred in experting the books is approximately \$750.

Everybody goes to the Orpheum to see the best and the clearest pictures.
