To Make Eastern Trip.

Mr. and Mrs. C. F. Coleworthy and children are preparing to leave upon a trip to Boston and to Portland, Maine. Enroute they will stop at Washington and other places of interest. It is the intention of the family to be away until October.

Two More Men in Jail.

Sheriff Taylor has two more men behind the bars, one having been brought from Baker and the other from La Grande. The former is R. M. Vermillion, the Helix forger, and the latter Frank Miller, charged with stealing goods from a boxcar at Umatilla.

Two Births Reported.

Doctor R. E. Ringo reports the birth of one daughter and one son. The former weighed nine pounds and arrived at the home of Mr. and Mrs. Jack Webster on Market street yesterday morning. The son was born to Mr. and Mrs. Cloyd Leach of Gibson, the birth occurring at the home of Mrs. Leach's sister, Mrs. McPaul of 106 E. Bluff street.

Will Act as Interpreter.

William Wileise, a well known local Indian, has quit his job at Toppenish upon the solicitation of Rev. J. M. Cornelison to accompany Rev. William Wheeler, an Indian minister, to the Warm Springs reservation to act as interpreter. Wileise can speak a number of Indian languages and has a smattering knowledge of several other tongues. According to his own statement he can speak any language this side of the big water.

Four in Police Court.

For the first time this week, Juwgo Fitz Gerald occupied his seat at the bench in the police court this morning and passed sentence on four offenders arrested by the officers. Dorothy Clayton was fined \$7.50 for conducting a bawdy house, Ralph McDonald drew five dollars for being drunk and Richard Roe was assessed a like amount on the same charge. John Doe forfeited his ball of ten dollars, which he put up when arrested for being drunk and disorderly.

Rader Stars at Medford.

Donald Rader, son of M. A. Rader and formerly a well known athlete of the local high school, is making quite a reputation in Medford, where he is attending school. He is captain of the high school basketball team in that city and recently covered himself with glory when he secured ten baskets off of the crack portage team in the two games played. Young Rader is also a member of the Medford baseball team and is counted one of the fastest shortstops in southern Oregon.

Whitman College Lost Out.

E. W. Olsen, an employe of the Walla Walla Union and representative of the trades union of that city, was here yesterday en route home from Washington, where he had been so work against the donating of the Walla Walla garrison grounds to Whitman college. As a result of the efforts of Mr. Olsen and others the bill to give the lands to Whitman was killed and it is now the intention of the government to sell the lands by auction to householders. However the final arrangements regarding the sale of the lands have not yet been made.

Sues to Collect Note.

George W. Jones, executor of the last will and testament of Madison Jones, deceased, has commenced suit against Charles A. Hill, Margaret A. Hill and John H. Dozier. In his complaint he alleges that in 1906 the first two defendants gave Madison Jones their promissory note for the sum of \$1750 and as security gave him a mortgage on a certain piece of land which has since been sold to Dozier, the latter assuming the obligation of cancelling the mortgage. It is further alleged that the note has not been taken up and that the sum of \$1960 is due, which sum is asked. Peterson & Wilson are counsel for plaintiff.

"Sweet Lavender" Disappoints.

It was not a very large audience that greeted the appearance of Edward Terry and his English company at the Oregon theater last night, and such as it was, it was not over enthusiastic at the conclusion of the performance. The sentiment expressed by several was to the effect that if the attraction as presented here ranks among the best grown on English soil, then the tone of the English stage is distinctly lower than that on this side of the water. Edward Terry himself presented a strange character to the Pendleton public, and, it is safe to say that before the play was over the eccentric, weak willed, kind hearted old barrister was liked but the same cannot be said of his support which was very mediocre without exception.

Attorney A. W. Gray of Stanfield, and young son, A. W. Gray, Jr., are in the city today.

BOUNTY HUNTERS REAPING HARVEST

Coyotes and other predatory animals are falling before the traps and guns of scalp hunters in large numbers these days and there will be none to mourn the slaughter. So far this week bounty has been collected from Umatilla county on 54 coyotes and four bobcats, all of which amounted to \$89.50, the coyote scalps bringing to the slayer \$1.50 apiece, while \$2 is paid for the killing of each bobcat. It is necessary to bring the whole hide into the county clerk's office, where the scalp is detached. After that such disposition can be made

of the hides as is desired. Jack Kelly of Milton, has secured the biggest revenue from this source that has been paid for some time. Yesterday he brought to the clerk's office 24 coyote hides and three bobcat skins, for which he received a total of \$36. William Corley of Gardane had fifteen coyote scalps to his credit this morning when Deputy Brown finished with his knife. Others who have claimed bounty this week are Henry A. Wimmer of McKay, who brought in eight coyote hides and one bobcat hide, James M. Sams and Charles M. Sams, both of Milton, who had three coyote hides apiece to their credit, and A. F. Michaels of this city who collected on one coyote scalp.

WILD SCRAMBLE FOR CARNIVAL SEATS

Never before in the history of local amateur entertainments has there been such a wild scramble for choice seats as was manifested this morning when the sale on the seats at the Elks' Minstrels opened. Before the nine o'clock bell had chimed a long row of people had gathered at the Hanson jewelry store and when the sale was opened it kept two men busy picking out seats for the crowd. So it is certain when the curtain goes up tonight, there will be a packed house to greet the antlered merry makers. The last practice was held last night and those who witnessed it declare the bunch of songsters gathered together is the best drilled aggregation that has ever attempted a thespian feat in the city. When it is remembered that these men have only been together a few nights, one can not but marvel at the ability of S. A. Grubbs as a director.

One of the special features of the entertainment tonight will be the big ten piece orchestra, several musicians having been brought in from outside towns to strengthen the local orchestra.
