POPULAR WESTON COUPLE MARRIED

(Special Correspondence.)
Weston, Ore., March 21.—A beautiful home wedding, was solemnized at the home of Mr. and Mrs. Andrew Douglas when their son Leonard was united in the holy bonds of matrimony to Miss Clara Plepenbrink of this city. The happy young couple left on the evening train accompanied by the many well wishes of their Weston friends.

Miss Viva Warren came up from Pendleton Sunday to spend the day with her friends and relatives in Weston.

The Champions are hard at work every day and they are developing a strong team. An interesting game was played Sunday, March 19, between the Weston high school team and the Champions. The Champions won, of course, but they are prepared to meet the strongest team of the league.

HOME OF SANTA CLAUS.
Toys to the Amount of \$24,000,000 Manufactured in Germany.

Santa Claus gets a great many of the toys that gladden the hearts of children at Christmas time from Thuringia, a place in Germany where there are green covered mountains, great beds of flowers and streams of sparkling water. Frank Dillingham, an American called a consul general, made a trip to Thuringia a short time ago and found out about the large number of toys that were made to be given to the children last Christmas. They were for little ones not only in this country but in other parts of the world. The toys were worth, in money, \$24,000,000.

It was found when the work for Christmas was begun that the children who were so fond of "teddy bears" the year before were tired of them and so the "character doll," with a face like a real person, was made to take the place of the bears. There were so many calls for these dolls that enough to go around could not be made in time for Christmas. It looks as though there would be more than enough, however, for next Christmas.

PILES CURED IN 4 TO 14 DAYS. PAZO OINTMENT is guaranteed to cure any case of Itching, Blind, Bleeding or Protruding Piles in 6 to 14 days or money refunded. 50c

TO PREACH GOSPEL OF IRRIGATION IN ENGLAND

To personally carry the gospel of the National Irrigation congress across the ocean, former Judge Charles F. Fishback, chairman of the Chicago board of control of the congress, left Chicago early this week for England. Mr. Fishback will seek to interest Lord Alfred Harmsworth, the noted English publisher, in the great work of the development organization in America and also will confer with financial interests in London and Liverpool regarding the investing of English funds in development work.

London financiers have shown some hesitation toward this phase of American investments, but the beginning of a change in attitude was shown recently when it was announced here that Joy Morton, financier of Chicago and a brother of the late Paul Morton, New York financier, had interested London financiers in an irrigation project in Wyoming. Mr. Fishback has dealt extensively in the middle west in irrigation securities and he probably will accomplish much for such development while abroad.

ANSWERS EVERY CALL.
Pendleton People Have Found That This Is True.

A cold, a strain, a sudden wrench. A little cause may hurt the kidneys. Spells of backache often follow. Or some irregularity of the urine. A certain remedy for such attacks. A medicine that answers every call. Is Doan's Kidney Pills, a true specific.

Many Pendleton people rely on it. Here is Pendleton proof. Mrs. E. J. Meiners, 501 Lewis street, Pendleton, Oregon, says: "About two years ago a cold settled on my kidneys and caused backache and pains through my loins. I felt lame and sore and any movement such as stooping or lifting was accompanied by sharp twinges. While I was suffering in that way, Doan's Kidney Pills were brought to my attention and I procured a box. They gave me relief at once and I had not used them long before my trouble was entirely removed. I know that this remedy is one of great merit and consequently I do not hesitate to recommend it." (Statement given October 10, 1905.)

Time Is the Test.
Mrs. Meiners was interviewed on May 17, 1910, and she said: "I still hold Doan's Kidney Pills in high esteem and I am pleased to again say a good word for them. I have taken this preparation recently and it has done good work."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's— and take no other.

DOING BIG BUSINESS
Perhaps the largest volume of business being done in London just now is by the real estate agents and house furnishers and decorators. The dress-makers, too, have their hands full, but they have more time to prepare their orders than have the house renters and furnishers. Americans lead by far the foreigners who are taking houses for the coronation, which will be followed by the height

of the London season. The house of the late Baroness Burdette-Coutts, in Piccadilly, which Mr. John Hays Hammond, special ambassador of the United States to the coronation, has rented, is one of the handsomest in London. It is splendidly adapted for large entertainments. The mansion was inherited from the Duchess of St. Albans, by the late baroness, and is now the property of her husband. It is interesting to note that Mrs. Burdette-Coutts, who by the way has no title, is mentioned as a successful suitor for the hand of Mrs. Ava Willing Astor, the beautiful former wife of one of New York's multi-millionaires.
