

IT WAS ECZEMA IT WAS RINGWORM

It Spread All Over His Head—If Touched It would Bleed and Leave Raw Spot—Could not Go to School—Spent \$200, Still He was Bald.

Got Cuticura. In Six Weeks He was Well and Had Growth of Hair.

"One day, when my boy was five years old, I noticed a sore on the top of his head. I was alarmed, so I called in Dr. — and he said it was eczema. After treating it for a week it spread all over his head, so the doctor advised us to see a specialist in New York, by the name of —. He said it was a bad case of ringworm and recommended a treatment of his. We doctored with him a long while and spent about \$200 and the boy's head was still bald. He had a disgusting looking little head. It would bleed and if you touched it it would bleed and leave a raw spot. All this time he had not been able to go to school, although he was eight years old."

"Then an old druggist named — said, 'Why don't you take him to the — Hospital, as they have cured a young lady with the Cuticura Remedies.' But they said the young lady's case had been different. So we decided to try the Cuticura Remedies ourselves. We got Cuticura Soap, Ointment and Resolvent and they gave our boy immediate relief with the first application and in six weeks' time he was well and had a growth of hair. Now he is fourteen and has a nice growth of hair than my other children. The doctors all said he would never have hair would come out in white spots, and several doctors said to take the child to the incurable hospital. We had at least seven doctors and we received no benefit from any. Mrs. Harry Fee, Liberty Corner, N. J., Feb. 25, 1910." "Cuticura Remedies sold throughout the world. Potter Drug & Chem. NEWS OF THE NORTHWEST

New School at Prineville.

Prineville, Wash.—The plans for a new \$25,000 public school building for Prineville will be ready in two weeks. It is expected to have the building ready for the opening of the schools in the fall. The plans are drawn by Architect Burggraf of Albany, Ore.

Breaks Leg in Manger.

Elgin, Ore.—The H. D. Spencer company, owners of large lumber interests and the Elgin Light and Power company, lost a valuable horse Sunday morning. The animal became entangled in the manger and broke its leg in two places.

Booster Banquet at Elgin.

Elgin, Ore.—At the "Get Together banquet" nearly 100 men were present. Among the principal talkers were Mayor H. H. Weatherspoon and Attorney J. Baker of La Grande, who is in Elgin in view of a change of location. L. P. Tuttle was toastmaster.

Test Well Strikes Water.

Elkensburg, Wash.—The test well being sunk by a special water committee of the city council is now 10 feet deep. Councilmen say there is

TRUTH CROPS OUT.

Why Pile Sufferers So Often Fail to Get Relief.

Science is getting at the bottom of everything, including the cause and cure of piles. The brightest doctors now admit that piles are caused internally and can be cured only by internal treatment. Dr. J. S. Leonard some time ago perfected a remedy in tablet form—Hem-Roid, which cures the cause of piles, and therefore cures permanently. It is sold by Pendleton Drug company and druggists everywhere under money-back guarantee. \$1 for 24 days' treatment, Dr. Leonard Co., Station B, Buffalo, N. Y. Write for booklet.

an abundance of water there and that the wells will be sunk no deeper. The well is on the river bottom, about a quarter of a mile from the river.

Carbolic Acid Burns Throat.

North Yakima, Wash.—Mrs. John Bland, wife of the district agent of an Iowa life insurance company living at 305 South Second street, had her throat and mouth severely burned, when she took a swallow of carbolic acid instead of cough medicine.

Dog Bites Girl Twice.

Walla Walla, Wash.—Eureka, 11-year-old daughter of W. J. Martin of this city, was bitten twice on the cheek just below the eyes by a dog following a farm wagon. The animal ran into the yard where the child was playing and snapped her, getting away before the child's parents could catch sight of it.

Revival Gets Members.

Freewater, Ore.—As a result of the recent revival meetings by the Presbyterian and Congregational churches, eight new members were received into full membership. The church will be opened next Sunday for members. The Rev. J. Ross Klitt administered the sacrament.

Million for Canadian Timber.

Kaslo, B. C.—For \$1,000,000 the Patrick Lumber company has sold a 9600-acre tract of white pine, cedar and spruce timber and their sawmill of 100,000 feet daily cutting capacity in the Crescent valley. The purchasers are the British Canadian Lumber corporation, who have gigantic timber interests on the coast and a capital investment of \$20,000,000.

Drowns in Shallow Water.

Medicine Lake, Wash.—George Kramer, 8-year-old son of Mr. and Mrs. Fred Kramer, living five miles west, was drowned Sunday in two feet of water.

He was playing with other children around a slough formed by the Central Washington railroad grade and fell in. Dr. J. A. Allan was summoned, but life was extinct.

Woman Leaps From Stage.

Husum, Wash.—The Trout lake stage on the down trip turned turtle the other day, near the McCracken ranch, after running into the large root of a tree. Miss Josephine Brune, a nurse from Portland, jumped, escaping injury, and grabbing one of the horse's bridles, checked what might have proven a disastrous runaway.

"Shoots to Frighten Him."

Walla Walla, Idaho—George Blackstock, who is to have a preliminary hearing on the charge of the attempted murder of Joe Rosen at Murray, will enter the defense that he did not shoot at Rosen or intend to hit him, but merely fired twice to frighten Rosen into paying \$32 he alleges Rosen owed him. Both bullets, according to the story of eye witnesses narrowly missed the saloon man.

Jap Forfeits \$1000 Bond.

Walla Walla, Wash.—A bond of \$1000, put up by Kanda Risaburo, the Japanese under sentence to the penitentiary by the local court for living off the earnings of a woman, was declared forfeited this morning when he did not appear to begin sentence. Risaburo was convicted and given sentence of two to five years about a year ago, but appealed to the supreme court, where he was turned down.

Oppose Colfax Paving.

Colfax, Wash.—Petitions were circulated for presentation to the council asking that the paving of Main street proposed by the council be not undertaken until the lower part of the street between Island street and the Spokane & Inland depot is opened up by the council. The council has already announced its determination to open this part of the street as soon as the work can be done. No protest has as yet been made to the macadamizing of Mill street.

PUTS AN END TO STOMACH MISERY

INDIGESTION, GAS AND DYSPEPSIA GO IN FIVE MINUTES

A Little Diapiesin Now Will Make Your Out of Order Stomach Feel Fine—Digests All Your Food, Leaving Nothing to Ferment and Sour.

Every family here ought to keep some Diapiesin in the house, as any one of you may have an attack of indigestion or stomach trouble at any time, day or night.

This harmless preparation will digest anything you eat and overcome a distressed, out of order stomach five minutes afterwards.

If your meals don't tempt you, or what little you do eat seems to fill you, or lays like a lump of lead in your stomach, or if you have heartburn, that is a sign of indigestion.

Ask your pharmacist for a 50-cent case of Pape's Diapiesin, and take a little just as soon as you can. There will be no sour risings, no belching of undigested food mixed with acid, no stomach gas or heartburn, fullness or heavy feeling in the stomach, nausea, debilitating headaches, dizziness or intestinal griping. This will all go and, besides, there will be no sour food left over in the stomach to poison your breath with nauseous odors.

Pape's Diapiesin is a certain cure for out of order stomachs, because it prevents fermentation and takes hold of your food and digests it just the same as if your stomach wasn't there. Relief in five minutes from all stomach misery at any drug store, waiting for you.

These large 50-cent cases contain more than sufficient to cure almost any chronic case of dyspepsia, indigestion or any other stomach trouble.

Forty Young Hogs Bring \$600. Grangeville, Idaho.—There were delivered at the local stockyards yesterday 40 head of 9-months-old hogs that brought \$600 in the leading pens. The animals were raised by G. L. Bourland, weighed 200 pounds each, and were purchased by E. L. Sweet for 7 1-2 cents per pound live weight.

Every Mother is or should be worried when the little ones have a cough or cold. It may lead to croup or pleurisy or pneumonia—then to something more serious. Ballard's Horehound Syrup will cure the trouble at once and prevent any complication. A. C. Koeppe & Bros.

Rush for Montana Land. Lewiston, Mont.—The local land office here has been busy the last week with a rush for homesteads by eastern people. More than 200 claims were filed during the week and 50 were filed Monday. Country roads are in such a condition that automobiling is impossible, and land hungry people drove 50 to 100 miles.

Cash Goes From Cruiser. Seattle, Wash.—The disappearance of \$525 from the postoffice of the armored cruiser Colorado, now at the Puget Sound navy yard, was reported. A thorough search of the ship was made, but no trace of the missing money was found. Captain A. W. Gill has appointed a board to investigate the loss.

A Swollen Jaw. is not pretty nor pleasant. Whether it's caused by neuralgia, toothache or accident, Ballard's Snow Lintment will reduce the swelling and relieve the pain. The great and sure cure for rheumatism, cuts, burns, bruises, scalds—any and all aches and pains. A. C. Koeppe & Bros.

Wheat Chaff in Boy's Ear. Mace, Idaho.—Lloyd Sex, 5-year-old son of Charles Sex, died Friday at Hope hospital, Wallace, where he had been taken for an operation. The child was taken with earache two weeks ago, but little attention was paid to it, as the parents thought it an ordinary attack of earache. Something like a piece of wheat chaff came from the boy's ear a week ago.

Autoists Gather at Toppenish. Toppenish, Wash.—Toppenish was the mecca for North Yakima automobilists Monday, 12 parties making the trip to this city. The auto owners report excellent roads and quick time between North Yakima and this city.

Nasal Catarrh, an inflammation of the delicate membrane lining the air-passages, is not cured by any mixtures taken into the stomach. Don't waste time on them. Take Ely's Cream Balm through the nostrils, so that the fevered, swollen tissues are reached at once. Never mind how long you have suffered nor how often you have been disappointed, we know Ely's Cream Balm is the remedy you should use. All druggists, 50c. FLORIDA MINES MOST PHOSPHATE Other States Make Reduced Output in 1909.

The United States geological survey reports that the quantity and value of phosphate mined in Florida in 1909 were somewhat greater than in 1908, although South Carolina and Tennessee, the other producing states, made a reduced output. The figures for Florida are: 1908, \$8,484,539; 1909, \$8,541,301. The total value of phosphate mined in the United States in 1909 was \$19,772,120, as against \$11,399,124 in 1908. The average price per ton was slightly lower in 1909.

The United States geological survey has just published its report entitled "Mineral resources of the United States, calendar year 1909," on "The production of phosphate rock in 1909," by F. B. Van Horn, which may be obtained free of charge by applying to the director of the survey at Washington, D. C.

Blooded Hog Goes to China. Pullman, Wash.—The experiment station of Washington State college has sold a Berkshire boar to the Chinese government and the animal will be shipped to Manchuria. An order was received from the Carstens Packing company of Seattle and Tacoma, which has taken the contract to supply the Chinese government with pure bred, registered stock to improve the native stock of Manchuria. The Chinese government has ordered pure bred cattle, sheep and hogs of various breeds, and these are being bought in Washington and Oregon.

A Fierce Night Alarm. is the hoarse, startling caught of a child, suddenly attacked by croup. Often it aroused Lewis Chamblin of Manchester, O., (R. R. No. 2) for their four children were greatly subjected to croup. "Sometimes in severe attacks," he wrote "we were afraid they would die, but since we proved that a certain remedy Dr. King's New Discovery is, we have no fear. We rely on it for croup and for coughs, colds or any throat or lung trouble." So do thousands of others. So may you. Asthma, hay fever, in grippe, whooping cough, hemorrhages fly before it. 50c and \$1.00. Trial bottle free. Sold by Koeppe.

Kills White Snake in Snow. Grangeville, Idaho.—Friday, while at Adams camp, 35 miles east of Grangeville, in the Blitter Root forest reserve, Robert Simons, a well-known Buffalo Stamp mining man, killed a "snow" snake nearly six feet long, skinned it and brought the skin to Grangeville. The "snow" snake, so-called because of its coloring, which is almost a perfect white, is peculiar to the Blitter Root mountains, and but few have ever been killed even there. The reptiles seldom attain a greater length than four feet, and are never seen after the snow disappears. They feed on squirrels and rabbits, and the one killed by Mr. Simons was stalking a cottontail when discovered.

Loss of Appetite is also loss of vitality, vigor, tone. To recover appetite and the rest take Hood's sarsaparilla—that strengthens the stomach, perfects digestion, makes eating a pleasure. It also makes the blood rich and pure, and steadies the nerves.

MOVING PICTURE FILM OF COWLITZ RIVER FISHING. A set of moving pictures that will be unique has been secured recently through the efforts of the Harriman lines for presentation in the east. The pictures show the harvest of the crop of smelt in the Cowlitz river when the recent run of fish was at its height.

Fishermen dipping the small fish from the water in countless thousands and sealing them in with big nets are shown in the moving picture films. A Portland photographer watched the operations with a moving picture camera and secured a splendid set of pictures. Tons of smelt are taken from the Cowlitz river in a very short time during a good run and the pictures, when presented in the east, will show an unusual industry.

ATHENA HAS TWO SALOON APPLICANTS

PENDLETON MAN WOULD CONDUCT DRINK EMPORIUM

Council Has Matter Under Advice—Citizens of Town and County Determined to Have Better Roads.

(Special Correspondence.) Athena, Ore., March 21.—Two applications have just been made for saloon licenses in this city and the money is being held in trust in the First National bank of this city, pending the action of the council at its next meeting. One of the applicants was made by John Durham of Pendleton, and the other is by James Huggins and Will R. Harden, both of this city.

Mr. Durham will occupy the building formerly known as the Corner saloon and the other saloon will be installed where the proprietors, Huggins and Harden, have their soft drink parlors.

Citizens Want Road. Owing to the fact that the state legislature has turned down the good roads bill, the citizens of this community, including this city and Weston, have taken matters in their own hands and a macadam road is to be constructed between the two towns. The county is to furnish the machinery, this city is going to furnish the rock quarry and the citizens and farmers have agreed to furnish the labor and teams. Such enthusiasm has been created over the proposed road that about 400 days labor with men and teams have already been subscribed towards helping the cause along. This macadam road will be one of the most beneficial in this part of the country because the road between this city and Weston is one of the worst, especially in the winter time, around this part. The machinery is expected to be unloaded here today and work will begin at once.

Coats for Field Service. North Yakima, Wash.—Under orders from Adjutant General Llewellyn overcoats for field service have been ordered for members of the two companies of national guard stationed at North Yakima.

PARISIAN SAGE. Puts Hair on Your Head and Keeps It There. Man or woman, no matter how old you are, Parisian Sage, the unequalled hair tonic, will make you look younger.

Why not go to Tallman & Co. and get a generous sized bottle today, it only costs 50 cents and your money back if it does not cure dandruff, stop falling hair, or itching scalp. It will make your hair luxuriant, bright and beautiful, and it is the most refreshing, pleasant and invigorating hair dressing made. The girl with the Auburn hair on every bottle.

OTTUMWA WOMAN CURED

By Lydia E. Pinkham's Vegetable Compound

Ottumwa, Iowa.—"For years I was almost a constant sufferer from female trouble in all its dreadful forms; shooting pains all over my body, sick headache, spinal weakness, dizziness, depression, and everything that was horrid. I tried many doctors in different parts of the United States, but Lydia E. Pinkham's Vegetable Compound has done more for me than all the doctors. I feel it my duty to tell you these facts, so that your heart is full of gratitude to you for my cure."—Mrs. HARRIET E. WILSON, 524 S. Ransom Street, Ottumwa, Iowa.

Consider This Advice. No woman should submit to a surgical operation, which may mean death, until she has given Lydia E. Pinkham's Vegetable Compound a fair trial.

This famous medicine, made only from roots and herbs, has for thirty years proved to be the most valuable tonic and invigorator of the female organism. Women residing in almost every city and town in the United States bear willing testimony to the wonderful virtue of Lydia E. Pinkham's Vegetable Compound.

Mrs. Pinkham, at Lynn, Mass., invites all sick women to write her for advice. Her advice is free, confidential and always helpful.

Many well informed democrats do not believe that any headway can be made for any presidential candidate until the record of the democratic house of representatives is made up. Most republicans who are willing to be interviewed seem to have no question as to the renomination of President Taft.

A motor truck that is not handicapped by heavy snowfalls or ice covered streets is looked upon as the perfected vehicle because the winter season gives the delivery systems their severest tests. In recognizing this the builders of Sampson freight and delivery motors have incorporated three important features in their trucks. By means of the detachable hubs the change to winter equipment can be made in fifteen minutes. When a truck is caught in the snow application of the locking device on the differential gives power to both rear wheels. Cases enclosing the double side chains prevent them from clogging by snow, slush or mud.
