

THAT AWFUL BACKACHE

Cured by Lydia E. Pinkham's Vegetable Compound

Morton's Gap, Kentucky.—"I suffered two years with female disorders, my health was very bad and I had a continual backache which was simply awful. I could not stand on my feet long enough to cook a meal's victuals without my back nearly killing me, and I would have such dragging sensations I could hardly bear it. I had soreness in each side, could not stand tight clothing, and was irregular. I was completely run down. On advice I took Lydia E. Pinkham's Vegetable Compound and Liver Pills and am enjoying good health. It is now more than two years and I have not had an ache or pain since. I do all my own work, washing and everything, and never have the backache any more. I think your medicine is grand and I praise it to all my neighbors. If you think my testimony will help others you may publish it."—Mrs. OLLIE WOODALL, Morton's Gap, Kentucky.

Backache is a symptom of organic weakness or derangement. If you have backache do not neglect it. To get permanent relief you must reach the root of the trouble. Nothing we know of will do this so surely as Lydia E. Pinkham's Compound.

Write to Mrs. Pinkham, at Lynn, Mass., for special advice. Your letter will be absolutely confidential, and the advice free.

LIVING.

- How to make life worth living?
- The question haunts us every day;
- It colors the first blush of sunrise.
- It deepens the twilight's last ray.
- There is nothing that brings us a drearier pain
- Than the thought, "We have lived, we are living in vain."
- We need, each and all, to be needed.
- To feel we have something to give
- Toward soothing the moan of earth's hunger;
- And we know that then only we live.
- When we feed one another as we have been fed
- From the hand that gives body and spirit their bread.
- Our lives they are worth the living
- When we lose our small selves in the whole,
- And feel the strong surges of being
- Throb through us, one heart and one soul,
- Eternity brings up each honest endeavor;
- The life lost for love is the life saved and forever.

TO THE FRONT AGAIN.

With a vote so overwhelming that it swept the opposition away like chaff before a storm the taxpayers of Pendleton decided yesterday to build a splendid new high school and to complete the Lincoln school. They did more than that. They gave notice to the world that Pendleton is itself again—that the people of the city are ready and eager to grasp opportunities to take the town forward and to establish it more fully as the queen city of eastern Oregon and "The biggest town of its size in the west."

The victory for the high school yesterday was one of the most remarkable in the history of the town. It was generally believed that the bond

issue would carry despite the opposition from various sources. But the most sanguine scarcely expected such a landslide verdict and the result was the more gratifying because of the fears entertained.

The monster majority for the high school bonds puts at an end all doubt as to what will happen with respects to other improvements. Yesterday was the critical day and the forces of pessimism were so badly routed that there will be little to the fight from this time on. The water bonds will be voted with ease though it will not go for the progressives to go to sleep for they might lose out through being too sure of success. No doubt the sewer bonds will also be endorsed by the people. In voting upon the sewer and gravity water system bonds all male citizens may vote, whether taxpayers or not, and this fact indicates that the majority on those issues will be greater than the majority for the school bonds yesterday.

The question of street improvement also comes before the people for consideration. At the special election the charter is to be changed with a view to making more extensive improvements possible. When those amendments are made Pendleton should start upon a street improving crusade such as the city has never had before. All the main travelled streets of the city need paving and Jackson street and West Court especially need it this summer. Pendleton is behind sister towns in the matter of street paving although this was the first city in Oregon outside of Portland to do paving work. It is up to Pendleton to take her place again at the head of the procession. Money spent on permanent street work is well invested because it enhances the value of the abutting property, raises the general standard of the town, makes the place pleasant for those who are here and attractive to outsiders.

Now that the school bonds are voted and things are started the good work should be kept going. There is much to be done and it will pay to do it now. While the time is ripe keep up steam and "Let'er buck."

THE COMMERCIAL CLUB.

A new administration in the Commercial club usually starts forth with vim and enthusiasm. But there are indications that under the administration of President Smythe the association this year will show more speed than for many years past. It will if the first monthly luncheon held last evening's any criterion to go by.

At the Eagles-Woodmen hall last night the business workers of the city were gathered for a common purpose and the interest and enthusiasm manifested was such as to make it clear that a successful year is in store for the club. The situation is right for good work and with proper leadership and with good support by the people of the city much good can be accomplished for Pendleton.

It is the general desire to get the Commercial club on a better working basis and to increase its prestige as an organization. A long step forward was taken in this direction last evening when the board of managers was authorized to employ a paid secretary to take active charge of the club's affairs.

With a capable man as secretary-manager and with the rooms of the association equipped as such rooms should be furnished in a town of this size and importance the Commercial club will be what it should be, the live working brigade of the city. All signs point to prosperity and growth for Pendleton and effective work towards bringing about such an era may be done by keeping the Commercial club strong and enthusiastic. If you are not a member of the club now put in an application at once and get into the harness.

HE IS STILL POPULAR.

There are few men personally more popular with friends and neighbors than Judge W. R. Ellis. That this is

CATARRH IS SURELY A DANGEROUS DISEASE

Thousands of people allow catarrh to slowly undermine the whole system until a serious disease develops sometimes consumption. People who have catarrh should use every effort to get rid of it, but should above all adopt a sensible method.

Stomach dosing, sprays and douches won't cure catarrh because it is a germ disease, and the germs must be destroyed before the disease can be conquered.

HYOMEI is the one sensible cure for catarrh because it reaches every fold, crevice and nook in the mucous membrane and gets where the germs are. You breathe HYOMEI and as it passes over the inflamed membrane its soothing influence heals the soreness and destroys the germs.

A complete HYOMEI outfit costs \$1. This consists of a bottle of HYOMEI and a hard rubber inhaler. Pour a few drops of HYOMEI into the inhaler and breathe it a few minutes each day, that's all you have to do. It is guaranteed by Tallman & Co. and druggists everywhere to cure catarrh, coughs, colds and sore throat or money back. Extra bottle of HYOMEI costs but 50 cents. true with respects to Umatilla county has often been shown in the past by the immense majorities the judge has been given by this county. His popularity was shown again yesterday by the greetings given him upon his arrival and by the ovation tendered him at the Commercial club banquet last evening. The people of this city supported Judge Ellis both while upon the bench and as congressman. Their friendship has not been changed by his present retirement.

Press reports make President Taft appear as the hero who has unmasked the scheme of the villainous Japs in Mexico and has caused them to slink away in fear. Just how correct this version of the affair may be is hard to say. But that the matter will be settled without the necessity of a war is very good news. Fighting is bad for the eyes.

It is a general impression that the ladies voted almost solidly for the new high school. If they did then God bless them. They are broader minded and more progressive than some men.

At the Commercial club luncheon last evening the presence of the Weiserites made the meeting a joint state affair. Eastern Oregon may well join hands across the line with Idaho because they are good boosters over there.

It will soon be in order to take moving pictures of Pendleton. The place will be improving so fast that no ordinary picture will do.

Now tell the mechanics to get ready to come to Pendleton. That million dollars worth of work is a sure thing. Only it will amount to more than a million.

The Pendleton spirit was not dead but only sleeping.

When taxpayers vote a bond issue they mean it.

The news sounded bad to the pessimists.

Sleeps Well—Appetite Fine

And Feeling Like a New Man After Being a Nervous Wreck and Unable to Do a Stroke of Work.

Mr. R. Arthur Jordan, R. F. D. No. 1, High Point, N. C., who experienced this remarkable recovery, writes as follows: "Last July I was taken sick; I was very nervous and weak. Could not sleep at night and was unable to look after my farm work or do any business. I tried two doctors, but did not receive much benefit from them. A friend of mine told me of Duffy's Pure Malt Whiskey and insisted that I try it. I did and I am now strong and well. Can sleep all night and have an appetite like a horse."

Duffy's Pure Malt Whiskey

will bring a healthy glow to the pallid cheek, give new energy to the faltering limbs, strengthen and invigorate the weary body and throbbing brain; reanimate the vital organs and create a new supply of rich, red blood. It makes the old feel young and keeps the young strong and vigorous. Prescribed by physicians, used in hospitals and recognized as a family medicine everywhere. Thousands of our patients, both men and women alike, who have been restored to health and strength, extol its virtues as the world's greatest tonic, stimulant and body builder.

Sold in SEALED BOTTLES ONLY by druggists, grocers and dealers, or shipped direct for \$1.00 per large bottle.

MARCH 24 IN HISTORY.

1492—Columbus with an army of 290 men, twenty horses and twenty dogs, commenced his campaign against the natives of Hispaniola, who, in consequence of the excesses of the Spaniards, had raised an army of 100,000 to destroy the colony of Isabel. He reduced the colony to obedience.

1588—Bombs were first used at the siege of Wachtendonk in England.

1603—Elizabeth, queen of England, died, aged seventy, after a prosperous reign of forty-five years.

1638—Canonicus and Miantonimah gave Roger Williams a deed of Providence.

1744—War between France and Great Britain declared.

1782—Spain acknowledged the independence of the United States.

Hobbach has Modern and Sanitary Bakery

Otto Hobbach has just completed improvements in connection with his Court street bakery, amounting to about \$5,000, and now has one of the cleanest and most modern bakeries in eastern Oregon.

He has erected a new brick annex with concrete floors, plastered walls and dough mixing and handling machinery that assures absolute cleanliness and sanitation, besides being vermin proof. Within this new and modern factory, all the cakes, pasteries, candies and ice cream will be made that is sold by him, either wholesale, from the wagon or in his recently renovated retail store.

A standing invitation is extended to the general public to visit this new bakery—not at any appointed time, but at your convenience—see for yourself how clean and sanitary it is kept at all times.

"I was Crippled, could hardly walk and had to Crawl

down stairs at times on my hands and knees. My doctor told me I had an acute attack of inflammatory rheumatism. I was in the hospital for weeks, but was scarcely able to walk when I left it. I read about Dr. Miles' Nervine

bought a bottle and began to get better from the start, and for the past six months I have had scarcely any pain and am able to walk as well as ever." J. H. SANDERS, P. O. box 5, Rockaway, N. J. Few medicines are of any benefit for rheumatism, but Mr. Sanders tells plainly what Dr. Miles' Restorative Nervine did for it. One ounce of salicylate of soda added to one bottle of Nervine makes an excellent remedy for rheumatism, which is now known to be a nervous disease and therefore subject to the influence of a medicine that acts through the nerves, as does Dr. Miles' Nervine

Sufferers from rheumatism seldom fail to find relief in the use of Dr. Miles' Nervine, with salicylate of soda.
