## WHAT WALLA WALLA WANTS IS PENDLETON

That Walla Walla will open the baseball season Sunday, when the Colts meet the Bears in that city, with pomp and ceremony can be seen from a letter received this morning by President of the League, L. G. Frazier, from A. C. Moore, secretary of the Garden City Commercial club. The following is the letter in full:

We have learned with pleasure of the proposed visit of your team and supporters to Walla Walla on next Sunday. A supply of special street cars will meet your train upon its arrival in this city. At 1:30 in the afternoon, there will be an automobile parade carrying the band, ball clubs and officials. The parade will lead to the ball grounds where the game will be called at 3 o'clock. Mayor Tausiek will pitch the first ball, Chief of Police Mike Davis will catch the first ball (if possible) and the president of the league, L. G. Frazier, will umpire the first ball. We trust that

all our visitors from Pendleton will embrace the opportunity to visit the Commercial club rooms in the City Hall during the day and make themselves at home while in the Garden City.

El Paso, March 30.—The fact that there has been no fighting around Chihuahua and that the revolutionists have been gathering there, it is believed indicates those who fought in the cause will vote to decide whether to continue the revolt or negotiate for peace.

## TO START CEMETERY IRRIGATION MONDAY

The campaign for the beautification of Olney cemetery is to start a month earlier than last year, according to Chairman Dyer of the cemetery committee who is anxious to have all owners of lots in the cemetery to immediately make arrangements for the use of water.

At a recent meeting of the council the water fee for single lots was reduced from \$4 to \$1 per season though the charge for the larger lots will remain at \$4. This covers all expense in connection with the work as the irrigating will be done by the sexton. Chairman Dyer reports that the shade trees set out by the city last year are all alive and are doing much better than expected. A large number of extra trees were ordered at the time so that those which died could be replaced but these proved unnecessary as only a few of them were used and the city still has a surplus.

The cemetery committee of the council is very anxious that local citizens co-operate with them in their efforts. They are desirous of starting the irrigating season Monday.

## Newsy Notes of Pendleton

**Current Literature Club.**  
The Current Literature club will be entertained tomorrow afternoon at the home of Mrs. George H. Clark on Water street by Mrs. Clark and Mrs. A. J. McAllister.

**Off on Long Trip.**  
Mr. and Mrs. C. F. Colesworth left on train No. 17 for the east via Portland and the southwest. They will spend most of the time in Boston and other New England points and will return to Pendleton in the fall.

**Buy Chairs for Roundup.**  
President Raley and Secretary Gwinn of the Roundup association, have been conferring with the traveling representative of a furniture house today regarding the purchase of chairs for the boxes to be built in the new grand stand.

**Burglars Visit Wyrick.**  
Mrs. M. M. Wyrick reports that a burglar visited her home last Monday night but was fortunately frightened away before he could gain an entrance. Guy Wyrick arose sometime during the night to get a drink for the little girl and heard someone on the front porch trying to insert a key in the keyhole. When a match was struck inside he took to his heels and disappeared in the darkness.

**Lectures at Theater.**  
Instead of lecturing at the Christian Science church as was announced yesterday, W. D. McCracken, the famous author and lecturer, will speak at the Oregon theater Monday evening. Mr. McCracken is a writer and speaker of note and the Christian Science people and others are looking forward to his lecture with much interest.

**Enjoying California.**  
Mr. and Mrs. H. H. Hoopes, who formerly lived on Tutuilla creek, are now in southern California, where Mrs. Hoopes went some time ago for the benefit of her health. She is now improving. They will visit various places of interest during the summer and will go to Florida in November. Mr. Hoopes left Pendleton on March 14 to join his wife in California.

**Nesmith Ankeny, Strong Man.**  
Nesmith Ankeny of the First National bank, played the part of the strong man this morning when he carried two sacks of silver coin, weighing 60 pounds each from the First National to the American National bank on the opposite corner. The money was in halves, of which the American National was temporarily short or else the First National overstocked. Suffice it to say that an exchange was on and Ankeny was the coin deliverer. After having delivered two sacks containing \$1000 each in half dollars, Ankeny returned for a second load. But this time the sacks seemed even heavier than on the first trip and so Max Hopper was called into the game and given one to carry.

## NEW YORK DEMOCRATS TO SELECT CANDIDATES TODAY

## POPULAR UMATILLIAN MARRIED AT CHEHALIS

Cyril G. Brownell, son of Mr. and Mrs. D. C. Brownell of Umatilla and a prominent young resident of the "Seaport of Umatilla county" and Miss Florence Rigdon were married at Chehalis, Wash., Tuesday evening, March 28. The ceremony was performed at the home of the bride's sister and the Presbyterian minister of Chehalis was the officiating pastor. Mr. and Mrs. Brownell are now making their wedding trip to Seattle and other northwest points and are expected back at Umatilla soon.

The wedding at Chehalis came as a surprise to many of the Umatilla friends of the young couple. It had long been rumored that they were to be married but the young people religiously declined to give forth any definite information upon the subject. Not until a wire was received from the happy groom Tuesday evening did the fact of the wedding become known.  
The groom has long lived in this county and is now associated with his father in caring for the Brownell irrigation project. He graduated from the Oregon Agricultural college in 1907 and has been prominent and popular as a member of the Umatilla County O. A. C. Alumni association. He was toastmaster at the annual banquet held at the Hotel Bowman in December and is now president of the county association. Mrs. Brownell formerly attended the University of Oregon.

## WOULD STOP ALL BETTING ON GAMES

Baseball fans of Pendleton and the other Blue Mountain league towns who cannot enjoy a game properly unless they have wagered a few simoleons on the outcome may have this pleasure taken away from them if a movement originating in Milton and Freewater proceeds to the desired end. President Frazier of the league this morning received the following letter from the Milton-Freewater Base ball club signed by W. E. McKnight, president; C. R. Samuel, secretary-treasurer; E. K. Luna, manager, and G. A. Cowl, director, which is self explanatory:

Mr. L. G. Frazier, President,  
Blue Mountain B. B. League,  
Pendleton, Oregon.  
Dear sir:—It has been called to our attention that betting openly on the game has been practiced in some of the baseball parks of this league, and inasmuch as this is contrary to law, and we think detrimental to the dignity and sportsmanship of the game, the Milton-Freewater club desires this matter taken up by the league with the view that proper action be taken and an order made strictly prohibiting betting within the limits of the several ball parks, and requiring each club to post notices in their grounds, accordingly.

Hoping that you will see fit to take this matter up at once with the other clubs of the league, and that they may approve the action suggested, we remain, Yours for "clean sport,"  
MILTON-FREEWATER BASE BALL CLUB.

President Frazier states that he will call this matter to the attention of the other clubs and that every effort will be made to abolish betting on the games as much as possible.
