

The Golden Rule Store

WILL OPEN AT PENDLTON

SATURDAY, APRIL 8th, 1911

The Following is Taken From the New York Journal of Commerce and Commercial Bulletin:

"The 'Golden Rule Syndicate' of buyers doing business in Wyoming, Idaho, Utah, Nevada, Washington and Oregon, are at their offices at the Broadway Central Hotel in this city. These gentlemen buying for their various stores are heavy users of merchandise and their purchases are largely sought by largest and best manufacturers of the East, owing to their immense outlet.

These stores do an aggregate of one and one half million dollars annually and are rated in the mercantile agencies as being one of the strongest organizations in the West. In view of this, their trade is very desirable and they as buyers are regarded as experts in their line, they are enabled to buy their merchandise very much lower than the ordinary merchant, in fact are considered to be on a 'Strictly Jobbing Business.'

The buying power they possess gives them a wonderful advantage over their competitors in the West, and the growth of this wonderful organization clearly demonstrates its stability and strength."

DANGER IN DELAY.

Kidney Diseases Are Too Dangerous For Pendleton People to Neglect.

The great danger of kidney troubles is that they get a firm hold before the sufferer recognizes them. Health is gradually undermined. Backache, headache, nervousness, lameness, soreness, lumbago, urinary troubles, dropsy, diabetes and Bright's disease follow in merciless succession. Don't neglect your kidneys. Cure the kidneys with the certain and safe remedy, Doan's Kidney Pills, which has cured people high here in Pendleton.

J. D. Morrow, 517 Marie street, Pendleton, Oregon, says: "For about three months I had backache and if I did any work that required stooping, sharp twinges darted through my loins and over my right kidney. The secretions from my kidneys were unnatural and irregular in passage and pained me intensely when being voided. On a friend's advice, I used Doan's Kidney Pills and they corrected my trouble. I gladly give this preparation my endorsement."

CATARH IS SURELY A DANGEROUS DISEASE

Thousands of people allow catarrh to slowly undermine the whole system until a serious disease develops sometimes consumption.

People who have catarrh should use every effort to get rid of it, but should above all adopt a sensible method.

Stomach dosing, sprays and douches won't cure catarrh because it is a germ disease, and the germs must be destroyed before the disease can be conquered.

HYOMEI is the one sensible cure for catarrh because it reaches every fold, crevice and nook in the mucous membrane and gets where the germs are. You breathe HYOMEI and as it passes over the inflamed membrane its soothing influence heals the soreness and destroys the germs. A complete HYOMEI outfit costs \$1. This consists of a bottle of HYOMEI and a hard rubber inhaler. Pour a few drops of HYOMEI into the inhaler and breathe it a few minutes each day, that's all you have to do. It is guaranteed by Tallman & Co. and druggists everywhere to cure catarrh, coughs, colds and sore throat or money back. Extra bottle of HYOMEI costs but 50 cents. Free trial sample on request from Booth's Hyomei Co., Buffalo, N. Y.

Frisco Wins Two.

San Francisco, April 3.—San Francisco drew down two scratch victories over Vernon yesterday, winning the first game at Oakland by a score of 1 to 0 and the afternoon game in San Francisco by a score of 6 to 5. Miller pitched a fast game for San Francisco in the morning session, fanning nine of the visitors. Vernon used three pitchers in the second game, but lost after gathering five runs in the eighth for San Francisco. The score: Morning game: R. H. E. Vernon 9 3 3; San Francisco 1 1 7 5.

Afternoon game: R. H. E. Vernon 5 7 2; San Francisco 6 10 2.

Breckenridge, Stewart, Raleigh and Brown; Sutor, Henley and Schmidt.

Oakland Wins in Ninth.

Sacramento, Cal., April 3.—Sacramento played Oakland to a standstill for 9 innings yesterday but in the tenth Oakland won out with two runs scored on singles by Bowser and Cushman with two errors contributed by Sacramento. These two runs were the only scores of the game.

Kilroy and Mitze; Thompson and Thomas.

Angels and Portland Split.

Los Angeles, April 3.—Portland took the morning game and Los Angeles the afternoon of the double header. Five pitchers were used in each of the games, but even this failed to stem the tide of heavy batting by the two teams. A total of 42 hits were made during the two games, resulting in a home run, three base hits and seven two-baggers.

Although Portland made nearly twice as many hits in the second contest as did Los Angeles, the home team made twice as many runs.

Afternoon game—Los Angeles 10; Portland 5.

ECHO DOWNS MILTON IN FAST CONTEST

WIN IN NINTH BY SCORE OF 4 TO 3

Game Is Puled Out of Hole in Eighth and Won in the Ninth—Crowd Is Small on Account of the Chilling Breeze.

(Special Correspondence.)

Pulling the game out of the hole in eighth inning and winning it in the ninth, Echo won from Milton in the second game of the Blue Mountain league schedule series. The balloon ascension of last Sunday was a tame affair compared to the rally of the Echo willow wielders in the eighth inning of today's game. Though the crowd was very limited in number, those who did endure the chilling breezes in the grandstand were entertained with the speediest contest Echo has seen for some time.

How It All Happened.

Promptly at 1:30 his honor, the ump, Bustrata, gave the order "Play ball" and Henderson, Milton's one-armed wonder, advanced to the platy to face Lehman's twisters. He got a nice little pass to the initial bag and went to second on a stunt of bunt by Storm. It looked as though the Orchard county cubs were going to score in the first inning, but Lehman unwound and caused the decease of the next three men, two by the stalkout route and a pop-up fly in the infield.

Pulpher was the first man up for Echo. He failed to locate for a safe passage to first and was followed by Ludwell, who did ditto. Thon flew out in a little infield pop-up and the first canto was ended.

In canto two Jenkins got a safe hit to first and stole second, but was put out as he tried to reach third on Jayne's hit. Darling was put out on a long drive to the middle garden and Bartholomew fanned the gentle zephyrs as Jenkins expired on third.

Gilbert for Echo reached third but was unable to reach the tally pan, as Hoskins, Fitzhugh and Hensleigh each failed to connect for safe ones.

In canto three, Milton started the ball rolling. Henderson went the pitcher route, but Storm tapped one just over second for a safe passage and was advanced to second on a sacrifice stunt by H. Henderson. Reser then located for a safe one, sending Storm to third. Rennieck then drove out a neat little two-bagger, scoring Storm and Reser. Jayne struck out and Milton's part of the third canto was ended.

In Echo's half of the third the first two men up failed to do anything in the safe hit line, but Milton's pitcher got a little careless on account of the joy feeling and shot one which flew wide and connected with Pulphier's anatomy, giving him a free pass. He promptly beat a sneak to second and went to third on Ludwell's hit. "Davy" (Thon) then got busy with the willow for a scorching two-bagger, which put Pulphier safe over the tally pan. Gilbert then failed to connect and the score was two to one in Milton's favor.

In the fourth canto Milton added one more to their list and Echo failed to increase her credits. Hutchison took the mound for Echo and in turn gave place to Pulphier. The fifth, sixth and seventh cantos were just simply a panoramic vision of fast ball. Neither side seemed to be able "to do nothin' now!"

In the eighth canto the Miltonites succumbed so rapidly to Pulphier's Puzzling Pettets and it was over so soon it seemed but a dream.

Echo's first two men up in their half bit the dust likewise rapidly but "Davy" came to the rescue again with a corking two-bagger. Gilbert did the ditto stunt with a duplicate copy done up in a fancy wrapper. Ludwell then selected one with accurate precision and so neatly that during the melee Gilbert and Thon both registered. Hensleigh ended the canto and the score was a tie.

In the ninth Milton failed to rally, the first man up going out by the strikeout route. Pulphier allowed the next man a pass on balls but the next two men up, Reser and Rennieck, cleaved the atmosphere for naught.

In Echo's half Campbell fanned but Hutchison drove out a cracking two-bagger. Pulphier then followed with a safe one far in the outfield and Hutchison scored home, registering the winning race for Echo.

The following is the tabulated score:

WESTON CHAMPIONS LOSE TO ATHENA

GAME IS SCRAPPY WITH SCORE 10 TO 6 Sensational Playing of Picard for Athena Is Feature of the Game—Much Dissatisfaction Over Decisions of Umpire Blackman.

(Special Correspondence.)

Athena, April 3.—Littlejohn's Millers showed the Weston Champions in the cellar yesterday, winning a scrappy game by a score of 10 to 6. Picard playing right field for Athena, was the star performer of the day. He made one of the most spectacular catches ever made on the Weston grounds, got three hits and scored twice. Owens knocked one over the fence for three bases. Feland was there with the stick, finding O'Hara for a two-base hit and a home run.

The game was replete with much wrangling, both teams finding fault with the decisions of Umpire Blackman. His "Umps" had a bad day, but no worse than he had at Milton a week ago and it is potent that the league officials will be asked for a competent man to hold the indicator.

Captain Brown is getting his team in shape and the game at Weston yesterday developed no weak spots.

PENDLETON COLTS LOSE SECOND GAME

HANSON'S CURVES ARE PUZZLING TO PENDLETON

Bears Have on Batting Clothes and Land Hard on Leather—Blough, Pendleton's Centerfielder, Is the Scentation of Game.

Inability to connect with Pitcher Hanson's mystifiers and a deficiency in the knowledge of inside baseball lost the game for the Pendleton Colts yesterday in Walla Walla and bumped them to the half way mark between the percentage pinnacle and the bottomless pit. Not only did they fail to annex victory but they could not ring up a single score, the end of the game finding a row of doughnuts to their credit, while Bude's Bears had a grand total of five runs. It was a sad spectacle for the one hundred fans that accompanied the local team into the camp of the enemy, but not one denies that Walla Walla's triumph was earned. With their bats, the Bruins pitchers was of the gilt edge variety, but four of them being retired in eight innings via the strikeout route.

Thompson, the lanky twirler for the Colts, could not deliver the goods in a puzzling package yesterday. He was perhaps a little nervous at first and the Bears landed on him hard in the opening inning. On the other hand, he had pitted against nine men who had been taught how to clout the horseshoe and was fortunate in being able to hold them to eight safe ones. Milne, the little high school pitcher, supplanted him on the mound in the final inning and held the savage Bears down without a hit.

Support Is Excellent.

The support given the Pendleton pitchers was of the gilt edge variety, but one error being made behind
