AT THE PICTURE SHOWS

Orpheum.
Pendleton's favorite picture theater offers an excellent program for Friday and Saturday.
Extra! Special released film.
1. Funeral of Archbishop Ryan of Philadelphia. This picture will be run in addition to the regular program.
2. "Hans' Millions." Essanay. A German character comedy, which develops a decidedly novel plot. If you relish a good laugh do not miss this clever comedy photoplay.
3. "The Kid from Arizona." American. Pathé. Western drama. A good picture with strikingly impressive scenes, photographed, staged and acted after the high standard for

which the Pathé company is noted.
4. "The Disreputable Mr. Reagan." A story of the East Side of New York by Richard Harding Davis, satisfactorily interpreted by the Edison players. A good story full of human nature.
5. "The Mimes Finch and Their Nephew, Billy." Vitagraph. A comic comedy of actual occurrence. Laugh at it all you please and there will be a whole lot more laughs left.
Five reels of pictures in every show.

The Pastime.
The house of quality. An unusually fine program for Friday and Saturday.
"Teaching Dad to Like Her." Biograph. A procedure very foolish on the boy's part. He introduces his father to his show girl sweetheart. His one bothersome question is, "Does dad like her?" He soon finds the answer, for he calls on Dolly to find that dad

likes Dolly unusually well; so much so that sonny gets worried. This is a well told story and will make a hit with any audience.
"A War Time Escape." Kalem. The romance of a "Dixie Girl." A war story intermixed with a love tale, having its beginning before the war and brought to a happy consummation afterwards. This war story is of much interest and an effort is made to make the story true to possibilities.
"How Tommy's Wits Worked." American Pathé. An exceptionally good comedy, showing how a ready wit is sometimes one's best asset.
"Max is Stuck Up." Pathé. A comedy with some amusing stunts.
"The Sailor's Return." Eclipse. A youth by successfully making a dangerous cruise to Newfoundland is enabled to earn enough money to save his sweetheart from suffering at the hands of a crafty landlord.
"Scenes in Jersey of the British Isles." Eclipse.

I had been troubled with both for fourteen years and consulted different doctors, but failed to get any relief. After using Lydia E. Pinkham's Vegetable Compound and Blood Purifier I can say I am a well woman. I can't find words to express my thanks for the good your medicine has done me. You may publish this if you wish."
