

DR. COOK IN PENDLETON

THE COSY THEATRE TO SHOW THE FAMOUS EXPLORER IN HIS DASH TO THE POLE, SATURDAY AND SUNDAY.

THE TRUTH ABOUT THE POLE

Moving Pictures, Photographs Taken at "The Top of the Earth," Accompanied by Interesting Lecture by Mr. Bert Hollbrook—Hear the Doctor's Side of the Controversy.

Manager Cooper has made special arrangements enabling him to present this great feature in connection with his regular program, at the regular prices, 5c and 10c.

This picture was made primarily for the purpose of presenting the issue as to the Polar controversy before

the people. Dr. Cook consented to personally appear in the picture because he felt that it would be a means whereby he could reach a great many of the American people with his version of what actually occurred. This has not been able to do through the press and he sincerely hopes that those who see the picture will consider the story it tells well and decide for themselves as to whether or not he has had fair treatment. The Cosy will present for the first time in the city, "THE TRUTH ABOUT THE POLE," Saturday and Sunday.

DRAWING CONTEST HELD AT ADAMS

(Special Correspondence.)

Adams, Ore., April 21.—Adams public school had a Easter drawing and painting contest which was decided by three disinterested parties, having no children at school. They were G. O. S.S.S. CURES CHRONIC ULCERS

There is a natural element of the circulation known as plasma, a fibrous constituent which is the true healing quality of the blood. This plasmas property is frequently destroyed by impure accumulations in the blood, and this vital fluid not only loses its power to heal, but becomes a source of irritation to any wound or open sore on the flesh. The blood continually discharges the impurities into the place and gradually the infection spreads and the sore enlarges. External applications cannot cure an old sore, because such treatment does not affect the blood; the most that can be expected from plasters, washes, salves, etc., is a cleansing, soothing effect on the ulcer. S. S. S. heals old sores in a perfectly natural way. It goes down into the blood, and removes the impurities and morbid matters that are the means of keeping the ulcer open; then the sore is bound to heal. S. S. S. is the greatest of all blood purifiers, and not only does it cleanse the circulation, but it restores the healing, plasmas qualities and aids in promoting every necessary quality for good health. S. S. S. builds new flesh tissue from the bottom of the ulcer to the outer skin, and makes a permanent cure. Book on Sores and Ulcers and any medicinal advice free. S. S. S. is for sale at drug stores.
