SALE  
OPENS

# WEDNESDAY

*We intend to make prices which will tempt all to buy. There is not another store in the whole county, no not even in the state who would dare to sell merchandise at the low prices we are making.*

### OUR SALESPeOPLE

*Some of whom have been with us for years, just stand in amazement and wonder why*

**LEWIS BROS. & CO. Demand Such Low Prices**  
*on the goods.*

### The Heads of the Departments

*cannot figure out why their new spring stock should be sold at such ridiculously low prices. The department managers have the blues as they can see no chance of showing the store a profit this season, but what cannot be avoided must be endured, so out with the merchandise.*
