#### WHAT SAVED

Mrs. Martin Tells About a Painful Experience that Might Have Ended Seriously.

Rivesville, W. Va.-Mrs. Dora Martin, in a letter from Rivesville, writes: "For three years, I suffered with womanly troubles, and had pains in my back and side. I was nervous and could not sleep at night.

The doctor could not help me. He said I would have to be operated on before I could get better. I thought I would try using Cardul.

Now, I am entirely well. I am sure Cardul saved my life. I will never be without Cardui in my home. I recommend it to my friends." For fifty years, Cardui has been re-

lieving pain and distress caused by womanly trouble. It will surely help you. It goes to the spot-reaches the trouble-relieves the symptoms, and drives away the cause.

If you suffer from any symptoms of womanly trouble, take Cardui. Your druggist sells and recommends it. Get a bottle from him today.

With practically all leading killers now getting their swine supplies from the Missouri river territory, there is only a nominal call here for hogs when local stuff actually arrives. Even those who are widely advertising that only Oregon grain fed hogs are used are said to be regular importers of Nebraska swine, while formerly they depended upon the local territory for

supplies. County Interests seem to profess little faith in the future of swine values and for that reason are not developing the industry as they would if high prices were expected. This condition is fully indicated by the lack of any liberal sized call for stock-

Used Cuticura Soap and Ointment 3 Weeks. Trouble all Disappeared.

"Some time ago I had a breaking out all over my body. It first started like what we call goose flesh and itched dreadfully. When I scratched it, it would bleed and become very sore. I tried almost everything for the itching but none gave me much relief. I could scarcely sleep as the itching was always worse at night. My hands were so sore I dreaded putting them in water and after I would wash dishes or do laundry work that required the use of other soaps they were always worse. This went on for about six months. Then I used Cuticura Soap and Cuticura Ointment, and in two or three weeks the trouble all disappeared. I always found that my hands two or three weeks the trouble all disappeared. I always found that my hands were worse (with a dry scale on them) after using any cheap scap but the Cuticura Scap produced such a scothing feeling on my skin that it was a pleasure to use it. I also know what wonders the Cuticura Remedies have done for a friend of mine, so I would recommend them to any one. Mrs. Delaware Barrett, 611 King St., Wilmington, Del., Nov. 15, 1909."
