

"The House That Quality Built"

---BOND BROTHERS

Where Do Bond Brothers' Clothes Get Their Prestige?

We wish to ask every customer of ours, every citizen of Pendleton or Umatilla county, and every visitor to permit us to answer this question by a demonstration.

The answer comes out in the fine and staunch quality of the fabrics; in the findings; in every detail of the construction; in the perfect lines of the cut and in the perfect finish that is given every garment.

Bond Brothers' famous Benjamin, Society Brand and Chesterfield Clothes out-style and out-wear any ready-made clothes ever shown in Pendleton.

This is the future demonstration that we guarantee with every purchase. We do not need to prove it—you will prove it yourself.

Call and "view them o'er"—you'll find Every Seasonable Fabric and Every Fashionable Style, at
