

Baby's Voice

Every woman's heart responds to the charm and sweetness of a baby's voice, because nature intended her for motherhood. But even the loving nature of a mother shrinks from the ordeal because such a time is regarded as a period of suffering and danger. Women who use Mother's Friend are saved much discomfort and suffering, and their systems, being thoroughly prepared by this great remedy, are in a healthy condition to meet the time with the least possible suffering and danger. Mother's Friend is recommended only for the relief and comfort of expectant mothers; it is in no sense a remedy for various ills, but its many years of success, and the thousands of endorsements received from women who have used it are a guarantee of the benefit to be derived from its use. This remedy does not accomplish wonders but simply assists nature to perfect its work. Mother's Friend allays nausea, prevents caking of the breasts, and in every way contributes to strong, healthy motherhood. Mother's Friend is sold at drug stores. PILOT ROCK RANCH HAND IS POISONED

Following a hearty meal in which canned salmon occupied a prominent place on the menu, William Oliver, a ranch hand employed on the Ed Wright place, was violently attacked with cramps last Tuesday morning and when local physicians were called, pronounced it a case of ptomaine poisoning, says the Pilot Rock Record. The can of salmon when examined later, was found to have been opened several days ago and part of the contents disposed of, the partly filled can being left exposed to the air. Mr. Oliver is said to have been especially fond of the canned fish and to have partaken of large quantities during the morning. Following the meal, he was attacked with cramps which in a short time became so acute that Dr. Fred A. Lieualien was called to attend him. After a thorough investigation Dr. Lieualien pronounced it a case of poisoning and administered an emetic with immediate results.

At last reports Mr. Oliver had entirely recovered from his rather severe experience but says that he will be a little careful in the future about partaking too freely of any kind of canned meats.

Time is not so blamed precious that you are warranted to save it by growing whiskers.

Unexpected Guests

The farmer and his wife were about to sit down to a cold supper when they saw some old friends driving towards the house.

The good wife was equal to the occasion—thanks to her New Perfection Oil Cook-stove.

She had it lit in a moment, and her guests hardly were seated on the porch before a hearty hot meal was ready for the table—sausages and eggs and long rashers of streaky bacon, and rolls just crisped in the oven and fresh coffee—and the hostess herself as cool and neat as if she had not been near the kitchen.

She never could have managed it with an old-fashioned range. The New Perfection is the quickest, most convenient and best cooker on the market.

Made with 1, 2 and 3 burners, with long, frequent line enamel linings. Handsomely finished throughout. The 2 and 3 burner stoves can be had with or without a cabinet top, which is lined with drop shelves, towel racks, etc.

WHITMAN COLLEGE DEFEATS WASHINGTON

CLOSE CONTEST GIVES MISSIONARIES VICTORY

Final Score Is 6 to 5—Errors Are Frequent but Many Exciting Plays Redeem the Game—Teams Play Again Today.

Whitman college won a spectacular game from the University of Washington yesterday, says the Walla Walla Union, by a score of 6 to 5. Errors were frequent and the pitching was nothing brilliant, but the game was replete with sensational plays, and while Washington came close to a score to tie the game in the ninth inning, they have nothing to complain of, for Whitman lost two or three runs through poor work.

One play called in six assists, and the ball was thrown around the diamond with rapidity, chasing the University players, there being two on bases, in an endeavor to head off a double steal. Johnson had just put out Lockwood on a throw from first base, when Coyle and Sturges started things. The former was on second and the latter on third. Johnson, Hughes, Cox, Thom and Conover twice figured in the throwing, Thom finally putting Coyle out at second. The play did not stop then, the players being excited, and to make good measure, Sturges was caught off first. Wells, center field for Washington, caught a nice fly and fielded it to second to catch Peringer, who was asleep between second and third, the only double play of the day. Many spectacular catches were noted and the fielding, while full of errors, was for the most part good. Bennington got but three strikeouts, his team behind him doing the work. Cox had an off day, making three bad errors, one inexcusable. Conover, switched to third from shortstop, played a great game, no errors and two hits in three times up.

Sturges and Mickelstone, first and shortstop for the University, made three errors, and neither made a hit. Wells and Coyle both secured a double, and in the first inning, when the varsity made two scores.

But Niles, of Whitman, was the hero of the day. Twice with two men on bases, he rapped out three-baggers, scoring in all four men, and once Conover came up with a single that scored Niles. So to Niles must go the credit of winning the game.

The game was called 15 minutes late, owing to the fact that the train bringing the Washington team arrived 45 minutes behind schedule. But today the game will be called promptly on time as the teams are both ready for business.

Leman will pitch for Whitman today, and he is supposed to be the best the Missionaries have. Sturges will more than likely officiate for the visitors.
