RICH OFFICE BOYS.

Jerome S. McWade, the Duluth financier, was talking about W. T. Ronan and other New York office boys, who, working for brokers, speculated on the tips they received and accumulated fortunes of \$30,000 to \$50,000. "Thetwentieth century office boy is a wonderful creation," said Mr. Mc-Wade, admiringly. "He is so clever, so daring and, above all, so honest. A few years ago I had an office boy named Jaspar. One day I sent Jasper to buy me a postcard. I have never seen him since." But, sir, you don't call that honest!" cried his friend. "Yes—listen." said Mr. McWade. "Last year I received a postcard containing these words: 'Dear Sir: Here is your postcard. I started speculating with the penny you gave me to buy it and am now worth \$47,000. Thank you.' WHY SO WEAK?

Kidney Troubles May Be Sapping Your Life Away-Pendleton People Have Learned This Fact.

When a healthy man or woman be-gins to run down without apparent cause, becomes weak, languid, depressed, suffers backache, headache, dizzy spells and urinary disorders, look to the kidneys for the cause of it all. Keep the kidneys well and they will keep you well. Doan's Kidney Pills cure sick kidneys and keep them well. Here is Pendleton testimony to prove it.

Mrs. R. H. Hedrick, 619 Thompson street, Pendleton, Oregon, says: "I can speak good word for Doan's Kidney Pills, as they were used in my family with the best of results. The person who took this ramedy complained a great deal of a dull pain across the back and was also troubled by irregular passages of the bladder secretions. The use of two boxes of Doan's Kidney Pills corrected these difficulties and there been no return attack."
