KING GEORGE TO ANNOUNCE ENNOBLINGS

London, May 26.—King George will observe his official birthday tomorrow by announcing a full list of ennoblings, whereby the ranks of knighthood and baronetage will be considerably swelled. It is persistently rumored that, at the suggestion of Queen Mary, Miss Ellen Terry, the actress, will be among those honored. Should this prove true, Miss Terry will become "a lady in her own right," which means that there will be no heritage of her rank. The creation of "a lady in her own right" is of rare occurrence, and will give Lady Terry a form of recognition equivalent to knighthood for a man.

NEW PRESIDENT IN MEXICO.

(Continued from page one.)

Liberal Junta Dissatisfied.

Los Angeles, May 26.—Richardo Flores Magon, head of the Liberal Junta here today said: "We look upon Madero with the same distrust as we did Diaz." LADDER IS CUPID'S AID TO ELOPEMENT

Oroville, Cal., May 26.—An elopement with dime novel features took place last evening at Portola upon the Western Pacific.

The principals in the affair were Miss Pauline Pezel, the daughter of V. L. Pezel, a merchant of Portola, and R. O. Green, official inspector of watches for the Western Pacific.

Green has been conducting a furious courtship for some weeks. He has not been half as furious as the father of the girl, who attempted to break up the match.

A long ladder leading to the window of the girl's room in the second story of the Pezel home furnished the means of escape. After the girl had made her escape from the house the two elopers hurried to the Western Pacific depot and caught an east-bound overland freight, apparently leaving for Nevada.

In the morning when the elopement

was discovered the father sent telegrams all over Nevada ordering the elopers arrested. The couple, however, were wiser than the father, and instead of going to Nevada took the narrow gauge to Alturas, where they were married.

The enraged father threatened physical violence upon his son-in-law. A delegation of railroad men called upon him and finally induced him to sign a paper declaring that he would do no harm. After affixing his signature to the paper he became calmer, and in all probability a parental blessing will await the elopers when they return.

RAIN A DAMPENER AT WESTON PICNIC

(Staff Correspondence.)
Weston, Ore., May 26.—If the present weather continues it will seriously interfere with the program for the Pioneers' picnic now in progress here. It rained during the forenoon thereby dampening some of the enthusiasm of the crowd and at 2 o'clock this afternoon a mist was falling threatening the pleasure of the ball game schedule for the afternoon.

Despite the bad weather, however, the program at the pavilion has been carried out in detail and the same will be done tomorrow.

OLD FORT VANNOY RANCH IS BOUGHT

Grants Pass, Ore., May 26.—Fred J. Cutler of Seattle has bought the Elber Shaak fruit ranch of 90 acres, four miles west of here, for \$75,000. The ranch lies entirely in the Rogue river bottom and there is said to be the choicest commercial apples, 25 acres of four year old peaches and the balance in young apples, pears and alfalfa. Old Fort Vannoy is located on the ranch and was the scene of many Indian battles. Cutler bought the property as an investment. He has been operating on the coast for some time and is much pleased with the outlook.
