### A DEAD STOMACH

Of What Use Is It to Anyone? Thousands! you hundreds of thousands of people throughout America are murdering their own stomachs.

This is no sensational statement; it is a startling fact, the truth of which any honorable physician will not deny.

These thousands of people are swallowing daily huge quantities of poison and other strong digesters, made especially to digest the food in the stomach without any aid at all from the digestive membrane of the stomach.

In other words, they are taking from the stomach the work that nature intended it should do, and are also refusing it the only chance for exercise it has.

MI-O-NO stomach tablets relieve distressed stomachs in a few minutes. Taken regularly for a few weeks they build up the stomach and make it strong enough to digest its own food.

MI-O-NO stomach tablets are sold by Tallman & Co. and leading druggists everywhere at 50 cents a large box, and are guaranteed to cure all stomach distress or money back.

## LIVESTOCK MARKET STEADY AT PORTLAND

### ENORMOUS RUN WAS RECEIVED YESTERDAY

Receipts Break Records With Cattle Selling Up to \$6.50 and Hogs Up a Dime—Wheat Advances a Cent.

(From Monday's Journal.)

In the Stockyards, North Portland—Hogs high—er, cattle steady, sheep steady. South Omaha—Hogs 5c high—er, cattle higher, sheep lower. Chicago—Hogs strong and active, cattle and sheep steady.

Under the press of the greatest bunch of cattle that ever came into the yards, the local market withstood the shock of enormous supplies, and prices held remarkably well.

Packers continue to draw upon east of the Rockies for their supplies of fed cattle although grass stuff in increasing numbers is coming forward from California.

One local packing concern brought forward nine loads of cattle from Nebraska and 19 loads were brought from Montana by two shippers.

Fancy steers sold as high as \$6.50 in the North Portland yards this morning but the general price for steers of good quality stood around \$6.25.

General range of cattle: Best steers \$6.25@6.50, Fancy grain steers 6.25, Ordinary grain steers 6.00, Ordinary steers 6.00, Best grass steers 6.10@6.25, Best cows 5.75, Medium cows 5.25@5.50, Ordinary cows 5.00, Poor to fair cows \$3.90@4.00, Best bulls 5.90@5.25, Fancy bulls 4.75, Ordinary bulls \$4.00@4.25.

CALVES, Best light \$7.50, Ordinary 6.85, Poor 3.00@4.00.

## HEALTHY MOTHERS

Women who bear children and remain healthy are those who prepare their systems in advance of baby's coming. Unless the mother aids nature in its pre-natal work the crisis finds her system unequal to the demands made upon it, and she is often left with weakened health or chronic ailments.

At South Omaha there was a sudden change in sheep conditions today and prices were weak to 10c lower with yearlings, \$4.85@5.50; wethers, \$4.65@5.25; lambs, \$7@8; and ewes, \$4.50@4.75.

Hog Market Is Better. There was a firmer tone in the hog market today, with local arrivals of only 142 head over Sunday. One sale of 45 head was made at \$6.85 or a dime above the previous high mark here.

This advance here is scarcely due to any real improvement in the market here, but is caused by the almost total lack of home offerings recently.

At South Omaha there was an advance of a nickel in the price of hogs with tops at \$6, which means \$7.10 to land on the Pacific coast.

At Chicago the market closed active with no general change in prices. Nominal swine values at North Portland: Best blockers \$6.85, Medium light \$6.75, Heavy packers \$6.60, Rough packers \$5.00@6.60.

### Wheat Advances.

A further advance of a cent a bushel is being offered for club wheat in the local market while a half cent has been added to the price of bluestem by some buyers. Bids for club wheat range between 56c and 87c a bushel, basis track, delivery Portland, while bluestem is quoted from 94c to 95c, but principally at 94-1/2c and 95c a bushel.

Several small lots of wheat have been reported sold at interior points but nothing outside of nominal supplies are now available.

Flour market is quoted from steady to strong with no change in either patent or export.

Coarse grain market is steady with no special change in the situation. Prices are nominally the same as last week.

Hay market is quiet at unchanged values.

### FORMER UNION PRESIDENT GOES BACK TO PICK

Wheeling, W. Va.—"I never felt better in my life. Of course, I am a little sore after not having done any hard physical labor for nearly fifteen years, but things will come to me as easy as ever in a few days," said Thomas L. Lewis, former president of the United Mine Workers of America, today.

Lewis went "back to the mines" last Thursday after having held office in the miners' organization fourteen years—three years as secretary of the Ohio miners, eight years as vice president of the United Mine Workers of America, and three years as president of that organization.

The former miners' president has as his partner in the Wheeling creek mine, near his home at Bridgeport, Ohio, where he is now employed, Sylvester Price, with whom he was paired when he left the mines fifteen years ago.

"My work as a miner is certainly easier than my work as president of the mines," said Lewis. "As president I worked fifteen hours a day. Now I work eight hours a day and my day's work is done, and I can pick coal as well today as I could fifteen years ago."

Lewis denied the report from Columbus that he would be a candidate for president of the Ohio miners. He says he is not a candidate for any office.

### BATTLING NELSON TO FIGHT AGAIN

Kenosha, Wis., May 20.—Batting Nelson, the uncrowned king of the lightweights, will try to come back here today, with Jack Redmond as the obstacle to his ambition. If he triumphs over Redmond, the Battler will seek another match with Ad Wolf.

The bout here will be staged in the open air and is scheduled for ten rounds. Nelson is guaranteed \$2000 for his share, win, lose or draw. Many fight experts have watched Nelson of late and believe he is a "dead one" pugilistically, and that Redmond will conclusively prove it.

It is a poor rule that won't work always.
