The Big Head is of two kinds--concent and the big head that comes from a sick headache. Does your head ever feel like a gourd and your brain feel loose and sore? You can cure it in no time by acting on your liver with Ballard's Herbine. Isn't it worth trying for the absolute and certain relief you'll get. A. C. Koepfen & Bros.

Germis of Disease should be promptly expelled from the blood. This is a time when the system is especially susceptible to them. Get rid of all impurities in the blood by taking Hood's Sarsaparilla, and thus fortify your whole body and prevent illness.

There are so many peers and peeresses in England that it is feared they cannot all crowd into Westminster Abbey on the occasion of the coronation. Why not have an overflow meeting. There are plenty of Americans who would be glad to pay well for the privilege of attending it.

PLUMP FOLKS AND THIN FOLKS Samosee Will Make People Fat--"Money Back If It Fails,"--Say Koepfen Bros.

The line of beauty is a curve. Women may be thin and graceful, but not thin and beautiful. There is a vast number of pale, thin, scrawny people who are all brains and nerves, but without the health and strength that accompanies the standard weight. Good flesh and perfect health go together. A true flesh-forming food like Samosee is absolutely necessary to many people.

This remarkable discovery comes in tablet form and when taken after meals mingles with the food and helps it to assimilate so that it makes rich blood and pleasing plumpness.

Koepfen Bros. have so much confidence in this remarkable flesh-forming food and health restorer that they are willing and glad to allow any customer to deposit 50c with them and take home a box of Samosee with the understanding that if it does not give a marked increase in good firm flesh the money will be returned without any questions.

Take advantage of this offer. The risk is all theirs and you have almost the certainty of a pleasing gain in plumpness.

O. A. C. DORMITORY GIRLS ELECT

Yamhill County Girl to Preside Over Waldo Hall Club Next Year; Rivalry Keen.

Oregon Agricultural College Corvallis, Ore., June 9.—At the annual meeting of the Waldo Hall club, composed of the residents of the girls' dormitory at the Oregon Agricultural College, Miss Clara Wallen, a junior in the domestic science course from Adams, Yamhill county, was elected president for the coming year. Other officers elected were as follows: First vice president, Lucy Crawford, '13, Ashland; second vice president, Della Mays, '14, Hillsboro, Washington county; secretary, Florence Starbird, '12, Portland; treasurer, Kate O'Connor, '14, Montague, Calif.

The Waldo Hall staff, composed of Dr. A. Z. Crayne, dean of women, Miss A. A. Pettigell, housekeeper, and Esther V. Leech, assistant to the dean, has just issued an attractive booklet of information regarding the dormitory, its advantages and accommodations and the house rules for the coming year, so that parents may see exactly what care will be given their daughters should they elect to live in Waldo Hall rather than in private houses. The expense is less than in outside rooms and the house regulations insure regular hours for study, rest and recreation. There are social functions provided for the dormitory dwellers, too, that are not open to the outside residents.

A Charming Woman is one who is lovely in face, form, complexion and perfect health. Try mind and temper. But his hard for a woman to be charming without health. A weak, sickly woman will be nervous and irritable. Constipation and kidney poisons show in pimples, blotches, skin eruptions and a wretched complexion. But Electric Bitters always prove a godsend to women who want health, beauty and friends. They regulate stomach, liver and kidneys, purify the blood, give strong nerves, bright eyes, pure breath, smooth, velvety skin, lovely hair. 50c at Koepfens.

POLITICS AND POLITICIANS

Senator T. P. Gore of Oklahoma, is the first of the National Legislators to come out for Woodrow Wilson for president next year.

The attorney-general of Texas is looking evidence in New York upon which to base suits against the so-called electrical trust of the Lone Star state.

The legislature will be chosen in Louisiana next April will elect two United States senators. Congressman Joseph E. Handell a veteran member of the house from that state, hopes to be one, because of what he can do for the rivers and harbors movement as well as for his state, "Independent of his personal ambition."

Indiana democrats are beginning to discuss the nomination of a candidate for governor next year. State Auditor O'Brien has been mentioned for the honor, but it has been intimated by Tom Taggart, national chairman, that all other aspirants stand aside in favor of his friend Sam Easton. It is evident that Taggart remains much more powerful in Indiana than democrats of other states have supposed.

State Senator Blair Lee, of Maryland.

A Spring Tonic A Body Bulder

EMBLEM OF PURITY AND EXCELLENCE SINCE 1860 Duffy's Pure Malt Whiskey

is an absolutely pure distillation of malted grain, and as none but sound, clean grain can be malted, it has for its base the most carefully selected grains of the field. It is a predigested liquid food in the form of a medicinal whiskey; its palatability and freedom from injurious substances render it so that it can be retained by the most sensitive stomach.

It is a gentle, invigorating stimulant and tonic that influences for good every important organ of the body. It is a remedy that should be in the family medicine chest. It is especially valuable for use at this time to enrich the blood and rebuild the system that has become run down and weakened from the long strain of winter.

Duffy's Pure Malt Whiskey is the only whiskey that was taxed by the Government as a medicine during the Spanish-American war. Get the genuine, sold by druggists, dealers and grocers, or direct, \$1.00 a large bottle. Medical booklet and doctor's advice free on request. The Duffy Malt Whiskey Co., Rochester, N. Y.

land has made known his desire to be chief executive of that state and has asked the democrats to support him. His statement is a lengthy exposition of his views on state needs. Good roads, good schools and primary elections will be subjects to be given special attention during his campaign. It is understood that Gov. Corothers will furnish every assistance possible to Fr. Lee. The "organization" is said to favor K. P. Gorman.

Roger C. Sullivan, democratic national committeeman for Illinois, does not believe that he is to be very easily beaten by the combination existing between Mayor Carter Harrison of Chicago and William R. Hurst of New York, who wish to supplant Sullivan with Andrew W. Lawrence as committeeman for the state. Sullivan's friends have been in New York City where they have told Empire state democrats that the battle for the control of the majority of the delegates from Illinois to the democratic national convention is already on and promises to be memorable.

In Alabama a futile effort has just been made to raise the salary of the governor from \$5,000 to \$7,500. Alabama is one of the sixteen states that pay their governor \$5,000 a year. There are three states that pay only \$4,500. There are seven in which the salary is \$4,000 and eight that pay \$3,000. Wyoming, Vermont and Nebraska think that \$2,500 is enough for a governor. There are thirteen states that pay salaries higher than \$5,000, the range being from \$6,000 to \$12,000. Only one state, Illinois, pays the latter amount. Five states, including New York, pay \$10,000 each.

NASAL CATARRH

Mrs. E. Karberg Says It Is Easy to Get Rid of.

"A bad case of catarrh was cured for me by the use of HYOMEI. The trouble affected my head, nose and eyes, and was very annoying and disagreeable and the cure, from the use of HYOMEI, was very gratifying. HYOMEI has from me a strong recommendation and endorsement."—Mrs. E. Karberg, 213 Kingsley St., Ann Arbor, Mich., Nov. 16, 1908.

HYOMEI (pronounced High-o-mee) cures catarrh, because it gets where the germs are, and destroys them. It is made of Australian eucalyptus. When breathed over the irritated membrane, it gives relief in two minutes.

Used regularly for a few weeks it will build up and heal the germ-infested membrane and drive out catarrh.

If you own a small Hyomei pocket inhaler, you can get a bottle of HYOMEI at druggists everywhere, or at Tallman & Co. for only 50 cents. If you do not own a Hyomei inhaler, ask for a complete outfit, the price is \$1.00. It is guaranteed to cure catarrh, coughs, colds, croup or sore throat, or money back.
