

LIVED ON RAW EGGS

Mr. Richard's Experience With Different Diets. Peaches and Buttermilk for Three Years.

Cecilton, Md.—Mr. George Richards, of this place, during the past 12 years, has probably tried more different diets than the average person would ever use in a lifetime.

What he has to say about his experiments, must therefore be highly interesting to anyone suffering from indigestion or stomach troubles of any kind.

He says: "For more than 12 years, I suffered with stomach troubles, and paid hundreds of dollars for doctor bills and medicines. I was also operated on for piles.

I lived on dried peaches and buttermilk for nearly three years. The only thing that would not give me pain was raw eggs. I was a physical wreck. I could not sleep, and was as near crazy as a man could well be.

I must say that after taking two 25-cent packages of Theodor's Black-Draught, it did me more good than all I ever spent for other medicines.

I have been working daily on the farm ever since, and I am as hard as iron. This purely vegetable remedy has been in successful use for more than 70 years. Try it. But be sure that it's 'Theodor's.'"

CATTLE MARKET IS EXTREMELY FIRM

SELECT STEERS SOLD AT \$6.40 YESTERDAY

One Lot Moves at High Mark and Another Goes at \$6.35—Hogs Are Nickle Higher—Williamette Valley Wool Firm.

(From Friday's Journal.)
Portland cattle market was in an extremely firm position and one lot of steers was sold at \$6.40, or an advance of 15c over yesterday's quotations, or 40c for the week. There was quite a fair run of cattle in the North Portland yards during the day but demand was so good that buyers were willing to pay the price asked. Some of the stuff that came into the yards this morning was recently sent away from here, owing to the lack of suitable call. This morning they commanded far better values and buyers were over-anxious to get them.

The 23 steers that went at \$6.40 this morning averaged 1295 pounds, while another lot of 22 head that averaged 1282 pounds went at \$6.35. Other lots were sold around \$6.25 for good quality.

At South Omaha today there was a steady to weak tone in the cattle trade with top steers at \$6.15 and cows at \$5.50 for best.

At Chicago the market for cattle was strong with no change in prices. Nominal cattle values at North Portland are:

Best steers	6.40
Fancy grain steers	6.35
Ordinary grain steers	6.25
Ordinary sters	6.00
Best grass steers	6.25
Best cows	5.50
Medium cows	5.25
Ordinary cows	4.75@5.00
Poor to fair cows	3.00@4.00
Best bulls	5.00@5.25
Fancy bulls	4.75
Ordinary bulls	4.00@4.25

CALVES.

Best light	7.00
Ordinary	6.85
Poor	3.00@4.00

Hog Market Is Higher.
Hog market advanced today at North Portland with offering of far better quality than has recently been received here. Receipts for the day were 129 head compared with 177 head last Friday. Top hogs sold at \$6.90, with one lot of feeders at \$6.90, with one lot of feeders at \$4.25. At South Omaha the hog trade was in better position with values at 5c higher and tops selling at \$6.10. This means \$7.20 to land at Portland.

At Chicago the hog market was strong with tops at \$6.20. Arrivals there for the day were 13,000 head, compared with 19,000 head on the same day a year ago.

Nominal swine values at North Portland:

Best blockers	6.90
Medium light	6.75
Heavy packers	6.60
Rough packers	5.00@6.60
Feeders	7.25

Sheep Trade Is Steady.
There was only a small run of sheep in the North Portland yards for the day. The market generally was steady. Real fancy lambs readily moved at \$6.50, but ordinary stuff was not held so well, although there was no general change in values.

Total arrivals of sheep and lambs for the day were 224 head, compared with 920 head a week ago.

At South Omaha the sheep and lamb trade was steady with yearlings at \$4.65@5.25; wethers, \$4.75@5.75; ewes, \$4.45@4.25, and lambs, \$4.75@7.75.

At Chicago the sheep market was steady with values unchanged from yesterday.

Locally the sheep and lamb trade was generally quoted today as follows:

Wethers	\$3.50@4.00
Lambs	3.00@3.25
Ewes	3.00@3.25
Feed sheep	2.10@2.50

Among the Shippers.
Cattle—W. H. Harris, Shearer, Or., two loads; S. G. Clyde, Pomeroy, Wash., one load cattle and calves; William Shepard, San Dial ranch, 73 head.

Hogs—S. G. Clyde, Pomeroy, Wash., one load.

Sheep and Lambs—W. E. Stafford, Eugene, Or., one load.

William Wool Firm.
Williamette valley fancy wools are showing a firmer and higher price and for strictly medium the trade is freely offering as high as 16 1/2c a pound. For coarse wools the price rules generally around 14 1/2c, with an occasional lot a fraction higher or lower.

The entire wool market is steady to strong. For eastern Oregon clips buyers are bidding from 9c to 14c a pound, according to quality and shrinkage.

Trade in the wool market is again decreased. For awhile sheep owners were quite willing to accept the recent sharp advance in prices, but now they seem to be of the opinion that further advances may be forced by holding for awhile.

The eastern markets are not as active for wool as here, but trade there is steady, although of nominal nature. Buying in this section is generally for the account of manufacturers and the heaviest operators are among the largest woolen mills.

Shearing is now well advanced at all Pacific northwest centers. Quality is very similar to that of last season.

ITCHING RASH ON FACE AND NECK

Cured—Scratched Until Face was Mass of Raw Flesh—Used Cuticura and had First Good Night's Sleep in 3 Months.

"An itching rash broke out on my face and neck, so bad that I scratched it until my face was a mass of raw flesh which kept me awake all night. After going to my family doctor, he not helping me, I tried another doctor but without success. After doctors failing, a friend recommended the Cuticura Remedies. That night, after washing my face and neck with Cuticura Soap, I applied some Cuticura Ointment and had the first good night's sleep in three months. I used about two lots of Cuticura Soap and Ointment when you could not see a mark on my face or neck. I will gladly recommend the Cuticura Remedies to anybody. Wm. Silver, 346 West 38th St., New York, Mar. 1, 1910."

In another letter Mr. Silver says, "My case was of about two years' standing. After using Cuticura Soap and Ointment for about three days I saw a decided improvement and was entirely cured in two months."

For the prevention and treatment of itching, burning, scaling eruptions and the promotion of permanent skin and hair health, Cuticura Soap and Cuticura Ointment are absolutely unrivaled in purity, efficacy and economy. A single cake of Cuticura Soap and box of Cuticura Ointment are often sufficient.

Deafness Cannot Be Cured
by local appliances, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.
