

FELT BAD ALL THE TIME

Shellhorn Lady Suffered a Great Deal, But Is All Right Now.

Shellhorn, Ala.—In a letter from this place, Mrs. Carrie May says: "A short time ago, I commenced to have weak spells and headaches. I felt bad all the time, and soon grew so bad I couldn't stay up. I thought I would die. At last my husband got me a bottle of Cardui, and it helped me; so he got some more. After I had taken the second bottle, I was entirely well. I wish every lady, suffering from womanly trouble, would try Cardui. It is the best medicine I know of. It did me more good than anything I ever used."

Cardui is a woman's tonic—a strengthening medicine for women, made from ingredients that act specifically on the womanly organs, and thus help to build up the womanly constitution to glowing good health.

As a remedy for woman's ills, it has a successful record of over 50 years. Your druggist sells it. Please try it.

MANY SOUTHERN CATTLE IN PORTLAND YARDS

RUN OF GRASS STUFF ARRIVES ON MARKET

Feed Hogs Are Higher But Light Stuff is Nickle Lower—Lamb Trade is Weaker and Early Drop of 50 Cents is Expected.

(From Tuesday's Journal.)
◆◆◆◆◆ In the Stockyards. ◆◆◆◆◆ North Portland. Hogs higher for feeders, lower for killers; cattle easier; sheep steady; lambs weaker. ◆◆◆◆◆ South Omaha—Hogs 10 to 11c lower; cattle slow to 10c lower; sheep steady. ◆◆◆◆◆ Chicago—Hogs steady; cattle strong; sheep steady. ◆◆◆◆◆

Today's run of cattle, while not a record breaker, supplied the trade with all the stock it can possibly use for awhile. Shipments were from California and consisted of 36 loads. There was an easier feeling in the cattle trade at North Portland today, but considering the extent of the arrivals of grass stuff, this was not to be wondered at. The shipments from California were in excellent condition but were not unloaded until a late hour.

TINY BABY HAD DREADEFUL ECZEMA

On Hands, Face, Nose and Mouth. Hard Crust Formed and Cracked Open. Blinds Ran. Itched Frightfully. Mitts on Hands. No Rest.

Got Cuticura. In 3 Days Relief. In a Week Cured Without a Mark.

"I have a little baby almost a year old. When it was two months old it got eczema on top of both her hands, on her face and inside her nose and mouth. She refused to drink and one of her eyes almost closed up. A hard crust formed and would crack open and the blood ran out. It itched so frightfully that the poor little girl could not rest. We had to keep mitts on her hands to keep her from scratching at her face and her mother was forced to sit in a rocking chair with the baby day and night. We had a very good doctor and he did all that he possibly could to relieve the baby's torture but the results were not what we had looked for.

"We had read of the Cuticura remedies so we went to the drug store and got some Cuticura soap and Cuticura ointment. We used them just as directed and in three days the crust began to come off. In a week there was no more scab and now the baby is cured without a mark. She sleeps soundly in her cradle and her parents in their bed, with no more sleepless nights because of the baby's suffering. Cuticura seems a wonderful remedy for this disease and any one having eczema should not delay in getting it. Henry M. Fogel, R. F. D. 1, Bath Pa., Dec. 9, 1909."

of the county. Another supervisor will be named for the remainder of the schools in the other part of the county. The county superintendent under the old plan found it possible to visit all of the schools only about once a year, but with the assistance of the two superintendents the schools can be watched more closely.

The Big Head
is of two kinds—conceit and the big head that comes from a sick headache. Does your head ever feel like a gourd and your brain feel loose and sore? You can cure it in no time by acting on your liver with Ballard's Herbine. Isn't it worth trying for the absolute and certain relief you'll get? A. C. Koeppen & Bros.

It is a fact not generally known that there are more confederate veterans in the present congress than there are survivors of northern armies.

Deafness Cannot Be Cured
by local appliances, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.
