

### LAMBS DOWN DIME AT NORTH PORTLAND

HOGS ARE LOWER; CATTLE REMAIN STEADY

Sheep Market Drops Ten Cents—Good Tone in the Swine Situation—Weaker Feeling Is Indicated in Cattle Market.

(From Thursday's Journal.)  
In the Stockyards,  
North Portland—Hogs steady to strong, cattle steady to weak, sheep steady, lambs 10c lower.  
South Omaha—Hogs 5c lower, cattle steady to strong, sheep 15c higher.  
Chicago—Hogs 5c lower, cattle and sheep strong.

Sheep market dropped another 10c today at North Portland and the trade was not any too brisk at the reduced quotations. Some good stuff sold this morning at \$6.25 compared with \$6.35 yesterday.  
Sheep market in general is holding its own fairly well and quotations are generally about the same as have ruled during the past few days.  
There was a liberal run of stock in the North Portland yards this morning, a total of 2167 sheep and lambs being received compared with 1658 last Thursday.  
At Chicago there was a strong tone

in the sheep and lambs trade but values were unchanged for the day. At South Omaha the market was strong with quotations 15c higher than yesterday at \$4.50 to \$5 for yearlings, wethers \$3.75 and \$4, lambs \$5.50 and \$7 and ewes \$3.50 and \$4.  
Sheep and lamb prices at North Portland today:  
Yearlings ..... \$ 4.25  
Wethers ..... 3.50@4.00  
Ewes ..... 3.00@3.50  
Lambs ..... 5.00@6.25  
Feed sheep ..... 2.00@2.50

**Hogs Are Holding Steady.**  
There is a good tone in the swine situation at North Portland. Only a small run of stock put in appearance but it was generally of good quality. The tone of the market was steady to strong with top butcher stuff at \$6.90.  
With hog market values unsettled in the east it looks as if there will be more frequent fluctuations in the trade here. At South Omaha the market was down a nickel today with tops at \$5.90, which means \$7 to land at Pacific northwest points. Therefore, the local market is only a dime under the cost of landing best eastern stock.  
At Chicago there was similar weakness in the hog trade with a loss of 5c in the price.  
Nominal swine values at North Portland:  
Best blockers ..... \$ 6.00  
Medium light ..... 6.75  
Heavy packers ..... 6.80  
Rough packers ..... 5.00@6.50  
Feeders ..... 7.00@7.25

**Cattle Market Weaker.**  
Weaker feeling is indicated in the cattle trade and quotations may safely be considered about 15 to 25c lower than at the start of the week. While there was only a limited run of cattle in the North Portland yards today, buyers did not take hold of supplies as well as formerly and the majority portion of the shipment found no buyers during the morning.  
Total offerings of cattle at North Portland were 75 head compared with 142 head last Thursday.  
At Chicago the cattle market trade was strong with no change in current quotations, but at South Omaha the market was steady to strong with steers \$5.85@6.10 and cows \$4.50@5.60.  
Cattle values at North Portland are:  
Best steers ..... \$6.10@6.25  
Fancy grain steers ..... 6.10  
Ordinary grain steers ..... 6.00  
Ordinary steers ..... 5.75

**A Charming Woman**  
is one who is lovely in face, form, complexion and perfect health. Try mind and temper. But its hard for a woman to be charming without health. A weak, sickly woman will be nervous and irritable. Constipation and kidney poisons show in pimples, blotches, skin eruptions and a wretched complexion. But Electric Bitters always prove a godsend to women who want health, beauty and friends. They regulate stomach, liver and kidneys, purify the blood; give strong nerves, bright eyes, pure breath, smooth, velvety skin, lovely them. 50c at Koeppens.
