MOTHER'S DUTY

It is the duty of every mother to protect her boy for the sake of his character and mental development, and to keep him from evil influences. This can be done by the careful supervision of his conduct, the friends he associates with, and the books he reads. It is the duty of every mother to see that her boy is well fed, clothed, and sheltered, and that he has a good education. It is the duty of every mother to see that her boy has a good home and that he is well cared for. It is the duty of every mother to see that her boy is well grounded in the Bible and in the principles of right and wrong.
