Salt Lake City, Utah, June 21.—Relative powers of the state and federal governments, especially in relation to the regulation of common carriers and trusts, is the principal theme before the national convention of the Association of Attorney Generals, opened here today.

ITCHING SCALP.

Get Rid of It in a Few Hours.
There is nothing made that will so quickly rid the scalp of distressing itchiness as **PARISIAN SAGE** the hair dressing and beautifier.

Tallman & Co. guarantee Parisian Sage to cure dandruff; stop itching scalp and falling hair, or money back, and sells it for only 50 cents a large bottle. It puts vitality into the hair and gives it a radiant luster.

It is the favorite hair dressing of refined women because it so quickly refreshes the scalp and not being sticky or greasy is delightful to use.

"I haven't been bothered with dandruff and itching scalp since I began using Parisian Sage."—Lena McGough, Wichita, Kas., June 8, 1910.

NATURE TELLS YOU.

As Many a Pendleton Reader Knows Too Well.

When the kidneys are sick, Nature tells you all about it. The urine is nature's calendar. Infrequent or too frequent action; Any urinary trouble tells of kidney

ills. Doan's Kidney Pills cure all kidney ills.

Pendleton people testify to this. T. F. Felton, 807 Vestin street, Pendleton, Oregon, says: "I can recommend Doan's Kidney Pills highly, having used them with excellent results. The secretions from my kidneys were too frequent in passage and I was obliged to get up several times at night. I also had backache and I was very desirous of getting rid of my trouble. Doan's Kidney Pills relieved me and after taking them I enjoyed much better health."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

CATTLE DOWN TEN CENTS AT PORTLAND

TOP STEERS BRING FROM \$6.00 TO \$6.10

Hog Trade Is Firm at Advance of 10 to 15 Cents—Poor Sheep is Neglected—Efforts Being Made to Contract Wheat Crop.

(From Tuesday's Journal.) Cattle prices dropped 10 to 15 cents today, with packers holding out for lower prices late in the day. Top for steers is now \$6@6.10, and it would take something exceptional to bring the higher figure. Cows are top at \$4.75@5 this afternoon for first class quality.

Thin and poorly fed stuff is the bane of the livestock market at North Portland just now. Cattle that are almost too poor to go into killers' pens are being offered in greater numbers and for that reason the average price obtainable is not given any severe test to former top figures.

From the looks of the present market, it would be far better from a financial point of view, for shippers to hold back their thin and half-starved stuff, until they are ready for market.

While neglect is shown in the yards for poor quality cattle, the call for real good stuff is all that could be desired. For instance the market still shows a much better price than a year ago. In the cattle division a year ago steers were quoted at \$5.50 for tops while cows ranged as high as \$5. Therefore the present market is fully 50c higher than on this same day in 1910.

Cattle market was firmer and higher at South Omaha. The strength was sufficiently pronounced for an advance of a dime in the price with top steers at \$5.35@6.15 and cows at \$4.50@5.60. This is considerable improvement over the situation that has ruled in that territory for a number of months. Therefore it is not likely that Pacific coast packers will soon again invade the eastern territory.

At Chicago today there was a steady tone in the cattle trade with no change in prices.

Nominal cattle values at North

Portland are:

Best steers66.00@6.15
Fancy grain steers 6.00
Ordinary steers 5.75
Best grass steers 5.90
Best cows 5.40
Medium cows\$4.75@5.00
Poor to fair cows 3.00@4.00
Best bulls 4.50
Fancy bulls 4.00
Ordinary bulls 3.75@4.25

CALVES.

Best light\$7.00
Ordinary 6.80
Poor\$3.00@4.00

Poor Sheep Neglected.

It seems more than folly for shippers to continue to invade the market with sheep, but they are pouring this class of stuff into the North Portland yards in great numbers. Real first class sheep are scarce and as a rule prices are quite fairly maintained at previous rulings. There was a liberal run of sheep and lambs in the yards today, a total of 814 head being received compared with 1597 last Tuesday.

Notwithstanding the recent improvement of the sheep and lamb trade elsewhere, values here are showing no improvement. As compared with a year ago, this year's prices are now somewhat lower. On this day in 1910 yearling wethers were quoted in the North Portland yards at \$4.75, old wethers, \$4, ewes \$4.50, lambs \$6.10.

At South Omaha today there was a steady to strong trade in sheep and lambs, with the following prices: Yearlings \$4.50@5.00, wethers, \$3.75@4.00, ewes \$3.50@4.00, and lambs \$6.50@7.25.

At Chicago the sheep and lamb trade was strong, with no price change for the day.

Sheep and lamb prices at North Portland today:

Yearlings\$4.25
Wethers\$3.50@3.99
Ewes 3.00@3.50
Lambs 5.00@6.00
Feed sheep 2.00@2.50

Hog Trade Is Firm.

At the advance of 10 to 15c quoted yesterday, the hog trade reflected a firm position at North Portland. There were no arrivals there during the past 24 hours and this was a further aid to the market. With top quotations at \$7 here and with additional strength in the east and central west the outlook seems bright for still higher prices.

At South Omaha today there was a stronger tone for swine with tops at \$6.15, which means \$7.25 to land at Pacific northwest packing centers. Therefore on the basis of what packers are paying for their eastern supplies it would seem as if another dime or 15c could be easily added to the price here.

Wheat Market Quiet.

Efforts are being made to contract the coming crop of wheat at prices about 10c a bushel below present figures, but growers are still in their views and practically no business has been reported to date.

The grain trade is resting. The season has closed and no business has been reported for fully three days. Quotations are now nominal and while a few lots may be handled up to the time the new crop makes its appearance, the bids are few and far between. Nominally club prices range from 85c to 88c a bushel, with bluestem at 85c and 95c. Both are for track delivery.

With good grain crops now promised in the three states of the Pacific northwest and with millers' wants quite well supplied, considering the state of the flour market, there is scarcely any more call for wheat than there are supplies to offer.

Stocks of patent flour held by Pacific northwest millers are said to be more than sufficient to tide the trade over until new crop grain is ready to grind.

TWINS TAKE TWIN BRIDES.

Participants in Wedding Wear Different Colors to Avoid Mix-up.

Austin, Tenn.—Leland and Lorand Tabler, twins who are partners in business at Adrian, Mo., last evening married Alma and Alta Moore, respectively, at the home of the brides, in San Marcos, near here. The bridegrooms resemble each other so closely that only close friends can tell them apart. The brides also look so much alike that members of their own family can hardly tell which is which.

To avoid any possible mix-up of bridegrooms and brides at the double wedding each of the four principals wore different colored flowers.

The quartet left today on their wedding trip, traveling together. Two residences, just alike and located side by side, await the homecoming of the wedded ones at Adrian.

NOT TO KISS, HIS CRIME.

Faint-Hearted Gallant Under Bail For Disappointing Widow.

Wilkesbarre, Pa.—Alderman Donohue held Daniel Reardon under bail to keep the peace because he did not kiss Mrs. Mary Burke, a neighbor, after asking of doing so and being so timid that he finally had words with her about it, and Mrs. Burke had him arrested for disorderly conduct.

When Alderman Donohue heard the facts he said:

"Reardon, all members of the female sex from their infancy up, like to be kissed. Osculation is one of the necessities of life. I do not consider you gallant in having asked this woman for a kiss and then not taking it. I have found through experience that old women as well as young like to be kissed. It rejuvenates the old and makes the young take an interest in life. For your lack of gallantry I will hold you under bail and order you to pay the costs of the prosecution or serve ten days in jail."

HER HAND AND ARM BURNED AND ITCHED

Could Hardly Sleep at Night for About 11 Months. Used Cuticura Soap and Ointment and was Completely Cured.

"My mother had a red spot on her right hand which began to grow worse rapidly. The neighborly doctor said it was a letter. She got some medicine from a doctor, but it did not do any good. In about a week the letter began to break out on her arm too. She used five or six different kinds of liniments and three different kinds of salves. Not one of these did her a particle of good. Her hand and arm would burn and itch so much that she could hardly sleep at night. Her hand was that way for about eleven months. Finally a friend of ours recommended Cuticura Soap and Ointment to us. She bought some immediately and began to use it. She washed her hand and arm with Cuticura Soap and warm water. Then she applied the Cuticura Ointment and bandaged her hand up. The next morning we all noticed a great improvement. Before she had used a half of a box of Ointment and a very little Soap her hand was completely cured. Now her hand is as well as ever. I think Cuticura Soap and Ointment is the greatest skin remedy ever discovered. C. E. Canady, San Leandro, Cal., Mar. 7, 1910."

Cuticura Remedies afford the most economical treatment of affections of the skin and scalp of infants, children and adults. A case of Cuticura Soap (25c) and a box of Cuticura Ointment (50c) are often sufficient. Sold throughout the world. Potter Drug & Chem. Corp., Sole Mfrs., Boston. 6c Mailed free, latest 32-page book, an Authority on the Treatment of Skin and Scalp Affections.

How It Paid.

He declared that advertising did not pay, because every body knew him. Later the sheriff demonstrated that advertising did pay, for he sold more goods in one day than the merchant had sold in three years. Yet comparatively few people knew the sheriff.—Ex.

Deafness Cannot Be Cured

by local appliances, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever: nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.
