##### Beavers Lose to Oakland.

San Francisco, June 22.—Hari Maggart, repentant and willing to turn out for morning practice, sponsored the record of misdeeds off his slate yesterday when he came back into the Oakland team and in the first inning batted a home run and scored a team mate. Later in the game Maggart scored again, his efforts really contributing three runs to the eight chalked up for Oakland against the one tally registered by Portland. Not satisfied by his batting contribution, Maggart, in the seventh made three putouts, preventing Portland from making a hit in that inning. Portland scored its lone run in the first inning. The score: R. H. E. Portland.....1 5 2 Oakland.....8 19 2

Kuestner and Murray; Kuhn; Fluiter and Metz.

##### Angels 2, Sacramento 0.

Sacramento, Cal., June 22.—After cutting off three threatened Angels' runs between third and home in the first eight innings and putting out of several holes when the visitors looked dangerous, Sacramento lost a shutout game in the ninth inning yesterday when Maloney's murr of Akins' fly opened the way for two runs on singles by Dillon and Smith. The locals' inability to hit was still in evidence, three hits being all that were gathered off Criger's delivery. The score: R. H. E. Sacramento.....2 8 2 Los Angeles.....2 8 2

Criger and Smith; Fitzgerald and Thomas.

##### San Francisco 6, Vernon 5.

Los Angeles, June 22.—San Francisco won from Vernon yesterday 6 to 5. Vernon came from behind with a rush in the seventh, and scored four runs, when Miller was replaced by Henley, who quenched Hogan's hopes of winning in short order. The features of the game were Burrell's batting and a lightning play by McArdle, who picked Patterson's hit to scoot off the grass with one hand and scooped the ball to first a step in advance of the runner. The score: R. H. E. San Francisco.....6 11 2 Vernon.....5 13 2

Stewart and Brown; Miller, Henley and Schmidt.

### Aids Nature

The great success of Dr. Pierce's Golden Medical Discovery in curing weak stomachs, wasted bodies, weak lungs, and obstinate and lingering coughs, is based on the recognition of the fundamental truth that "Golden Medical Discovery" supplies Nature with body-building, tissue-repairing, muscle-making materials, in condensed and concentrated form. With this help Nature supplies the necessary strength to the stomach to digest food, build up the body and thereby throw off lingering obstinate coughs. The "Discovery" re-establishes the digestive and nutritive organs in sound health, purifies and enriches the blood, and nourishes the nerves—in short establishes sound vigorous health.

If your dealer offers something "just as good," it is probably better FOR HIM--it pays better. But you are thinking of the cure not the profit, so there's nothing "just as good" for you. Say so.
