

SHE GAVE UP ALL HOPE

Physicians Failed To Help Mrs. Green, But She Finally Found Relief in Cardui.

Meetez, Va.—Mrs. J. C. Green of this place, says: "I suffered with womanly troubles so that I could hardly sit up. Two of the best doctors in our town treated me, and I tried different medicines, until I gave up all hope of ever getting well.

One day, I decided to try some Cardui. It did so much for me that I ordered some more, and it cured me! Today, I feel as well as I ever did in my life.

The pains and the trouble are all gone. I feel like another person in every way. I wish every sufferer could know what Cardui will do for sick women."

A few doses of Cardui at the right time, will save many a big doctor bill, by preventing serious sickness. It tones up the nervous system, and helps make pale cheeks fresh and rosy. Thousands of weak women have been restored to health and happiness by using Cardui. Suppose you try it. It may be just the medicine you need.

CATTLE MARKET REMAINS STEADY

HEAVY MOVEMENT DOES NOT EFFECT PRICES

Quality of Sheep Tends to Hurt Trade and Prices Weaken—Lamb Loss 50 Cents—Swine Business Shows Improvement With Limited Supply.

(From Friday's Journal.)

There was a heavy movement of cattle at North Portland this morning, a total of 406 head being received compared with 66 head a week ago. Shipments were principally from California, 11 loads arriving from Merced this morning. Condon was the only local shipper or note.

The cattle market at the local yards remains in much the same position as during recent days, but fancy California stuff for real good quality but poor stuff is sold below its actual worth. Killers are showing no disposition to favor shipments of off-quality cattle and for that reason are not offering the prices they formerly did for this class of stock.

The Portland market has become known throughout the country as paying extreme values for poor quality and as long as this condition lasted, it was no incentive for feeders to put out a better class of stuff. Poor stuff brought more in proportion to its worth than real top quality. This condition has come to an end, because packers have seen the folly of it.

At Chicago today there was a steady tone in the cattle trade but prices were generally unchanged.

At South Omaha cattle were steady to weak.

Nominal cattle values at North Portland are:

Best steers\$6.15
Ordinary steers 6.00
Best cows 4.75
Medium cows 4.50
Poor to fair cows\$3.00@ 4.00
Best bulls 4.50
Fancy bulls 4.00

Chicago, June 23.—There was further pressure in the wheat pit today and the market opened and closed lower. The start was 1-4c down and the closing 3-4c to 7-8c under yesterday's final figures.

Foreign markets were generally lower. There was again no session at Liverpool, Antwerp was 1 1-4c lower, while Paris was unchanged to 1-4c down for wheat and unchanged to 1c lower for flour.

World's shipments for Monday are forecast at 8,800,000 bushels, exclusive of North America. This compares with 9,088,000 bushels last week.

Argentina shipments: Wheat 1,816,000 bushels, compared with 1,928,000 bushels last week and 1,120,000 bushels a year ago.

Indian shipments: Wheat, 2,552,000 bushels, compared with 1,600,000 bushels last week and 1,072,000 bushels a year ago.

Australian shipments: Wheat 608,000 bushels, compared with 752,000 bushels last week and 240,000 bushels a year ago.

Sheep Market Remains Poor.

Poor quality is hurting the sheep and lamb trade at North Portland more than anything else. Quality is generally missing among the arrivals in the local yards. This would account for the sale late yesterday afternoon of 1152 wethers at \$3. While the stock averaged 92 pounds and came from east of the mountains, it was of very poor quality. Price on lambs dropped to \$5.25@5.30. This is a loss of 50c.

Today's showing of sheep and lambs was rather light, totals being 223 head compared with 853 head a week ago.

At Chicago the sheep trade was slow and with a weaker tendency, but quotations were unchanged from recent days.

At South Omaha the sheep market was steady.

Sheep and lamb prices at North Portland today:

Yearlings\$3.90
Wethers\$3.00@3.75
Ewes 2.50@3.25
Lambs 5.00@5.30
Feed sheep 2.00@2.50

Hogs Are Held Firm.

Much strength is still shown in the swine trade here. There were only limited offerings in the open market, although total arrivals for the 24 hours reached 1152 head. Ten loads of these came from the Missouri river territory direct to local killers. The only arrivals consisted of a few head from Harrisburg and another small lot from Condon.

At Chicago today there was a firm tone in the hog market with prices fractionally higher. Tops sold at \$6.60.

Nominal swine values at North Portland:

Best blockers\$7.00
Medium light 6.90
Heavy packers 6.60
Rough packers\$5.00@6.50

Deafness Cannot Be Cured by local appliances, as they cannot reach diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.

IT WAS ECZEMA IT WAS RINGWORM

It Spread All Over His Head—If Touched It Would Bleed and Leave Raw Spot—Could not Go to School—Spent \$200, Still He Was Bald.

Got Cuticura. In Six Weeks He Was Well and Had Growth of Hair.

"One day, when my boy was five years old, I noticed a sore on the top of his head. I was alarmed, so I called in Dr. — and he said it was eczema. After treating it for a week it spread all over his head, so the doctor advised us to see a specialist in New York, by the name of —. He said it was a bad case of ringworm and recommended a student of his. We doctored with him a long while and spent about \$200 and the boy's head was still bald. He had a disgusting looking itching head. It would scale over night and if you touched it it would bleed and leave a raw spot. All this time he had not been able to go to school, although he was eight years old.

"Then an old druggist named — said, 'Why don't you take him to the Hospital, as they have cured a young lady with the Cuticura Remedies?' But they said the young lady's case had been different, so we decided to try the Cuticura Remedies ourselves. We got Cuticura Soap, Ointment and Resolvent and they gave our boy immediate relief with the first application and in six weeks' time he was well and had a growth of hair. Now he is fourteen and has a river growth of hair than my other children. The doctors all said he would be bald or his hair would come out in white spots and several of them said to take the child to the incurable hospital. We had at least seven doctors and we received no benefit from any."

Cuticura Remedies sold throughout the world. Potter Drug & Chem. Corp., Sole Props., Boston.
