DON'T DELAY.

Some Pendleton People Have Learned That Neglect is Dangerous.

The slightest symptom of kidney trouble is far too serious to be overlooked. It's the small, neglected troubles that lead to serious kidney ailments. That pain in the "small" of your back; that urinary irregularity; those headaches and dizzy spells; that weak-weariness, without feeling, may be nature's warning of coming dropsy or fatal Bright's disease. Why risk your life by neglecting these symptoms? Reach the cause of the trouble while there is time—begin treating your kidneys at once with a tried and proven kidney remedy. No need to experiment—Doan's Kidney Pills have been curing kidney trouble for over 75 years. Doan's Kidney Pills are used and recommended throughout the civilized world. Convincing testimony follows:
Mrs. C. W. Jacobs, R. F. D. No. 3, St. Johns, Wash., says: "I had pain across the small of my back and suffered intensely. Since I learned of Doan's Kidney Pills, I have taken them whenever this trouble had made its appearance and I have always received relief. I highly recommend this remedy to persons afflicted with kidney complaint."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

New Jersey judges are waging a relentless war against that feeble minded class of individuals known as "boat rockers." In one or two instances offenders who have been brought before them as a result of fights following their insane idea of fun, have been heavily fined and other offenders are threatened with jail terms or an extended residence in the asylums of the state.

THIS LADY'S GOOD APPETITE

Mrs. Hansen, in a Letter From Mobile, Tells How She Gained It.

Mobile, Ala.—"I suffered for seven years, with womanly trouble," writes Mrs. Sigurd Hansen in a letter from this city. "I felt weak and always had a headache and was always going to the doctor. At last I was operated on, and felt better, but soon I had the same trouble.

My husband asked me to try Cardul. I felt better after the first bottle, and now, I have a good appetite and sleep well. I feel fine, and the doctor tells me I am looking better than he ever saw me."

If you are sick and miserable, and suffer from any of the pains due to womanly trouble—try Cardul. Cardul is successful because it is composed of ingredients that have been found to act curatively on the womanly constitution.

For more than fifty years, it has been used by women of all ages, with great success. Try it. Your druggist sells it.
