## STANDFIELD FOLK HAVE SANE FOURTH

(Special Correspondence.)

Standfield, Ore., July 6.—A "sane Fourth" was a reality in Standfield as the greater portion of our population boarded the early morning trains for Echo and Pendleton, where celebrations were being held. The few who did not visit one or the other of these two places formed picnic parties at various points along the river, where basket dinners were enjoyed beneath the shade.

Dr. H. W. Coe has gone to Portland for a few days.

Chas. Adams the well known Portland sheep buyer was transacting business here Monday.

R. N. Stanfield, the banker and sheepman went to Portland Tuesday morning.

## Newsy Notes of Pendleton

**West End Land Sells High.**  
By a deed recorded today, 4.84 acres of land in section 14, Twp. 4, N. R. 28 was sold by F. A. Yates and wife to Charles E. Sparks for \$1,400.

**Divorce Suit Filed.**  
A suit for a decree of divorce has been filed with the County Clerk by Attorney S. D. Peterson of Milton for Rufus H. Valle against his wife Nettie B. Valle. Cruel and inhuman treatment is alleged.

**Stabber Released on Bail.**  
Through the efforts of his attorneys, Nuk Androsin, the Italian who stabbed Mike Moran in the recent riot, was yesterday released from the county jail upon putting up \$2000 cash bail.

**Leave for Yellowstone.**  
Mr. and Mrs. J. F. Robinson and son, Donald, and Mrs. James Russell and daughter, Ruth, left on the Northern Pacific this afternoon for Yellowstone Park where they will spend some time among the scenic wonders.

**A Fourth of July Girl.**  
Mr. and Mrs. S. F. Lafave of Adams are the possessors of a real, live nine and a half pound Yankee Doodle girl born at the local hospital on the Fourth of July. The birth was reported by Dr. L. K. Blakeslee.

**Funeral of King Child.**  
At 4:30 this afternoon at the home of Mrs. Frank King, 709 Jane street, was held the funeral of Howard Eugene King, the three year old son of Mrs. Olive King, who died on July 4 after an lingering illness from Bright's disease.

**Girl Too Young to Marry.**  
Deputy Clerk Brown was forced to refuse a marriage licence to an applying couple today because the girl was several years under the legal age and appeared without her parents' consent. From appearance she is not over 15.

**Four Drunks are Jailed.**  
As a result of the post Fourth of July celebration, four more men have been added to the lists at the "Hotel Gurdane." Charles McCarty, Frank Pim, Robert Kuth and John Golden were each given a three day sentence by Judge Fitz Gerald this morning on charges of being drunk.

**Injunction is Continued.**  
By a decision of Judge Knowles, sitting for Judge Phelps, the injunction in the famous Mable Warner case was continued and the application for a receiver granted. A. W. Nye was appointed receiver and is now in possession of the farm but is allowing the Warners to remain in the house.

**Moran Out of Hospital.**  
Mike Moran, the O.-W. R. & N. section foreman who was almost fatally stabbed in the Italian riot recently, was yesterday discharged from St. Anthony's hospital, the wound in his chest having healed sufficiently to permit his removal. It will be some time, however, before he will be able to resume his duties.

**Jack Wilson Banned Over.**  
Jack Wilson, the sheepherder who was arrested last week for assaulting a squaw, was given his preliminary hearing before Justice of the Peace Joe H. Parks yesterday afternoon and bound over to the grand jury under the sum of \$250. Being unable to raise that sum he is in the county jail.

**Smiths Return Home.**  
Dr. C. J. Smith, wife and daughter, Miss Gwendolen, arrived home this morning from California, where they have been for the past two weeks. Dr. Smith went to Los Angeles to the convention of the American Medical association as the official delegate from Oregon and he was joined on his trip at Portland by Mrs. Smith and his daughter, who spent the winter in the metropolis.

**Berger Goes to Portland.**  
Joe Berger, whose star twirling gave Pendleton such a brilliant record for the last part of the season, left this morning for Portland where he will spend a few days before accepting any of the propositions which have been offered him. He left Pendleton with reluctance as he made many friends while here all of whom wish him success in his future career on the diamond.

**Reinhold Harris Pardoned.**  
Reinhold Harris was yesterday pardoned by Governor M. E. Hay from the Walla Walla county jail and was given his freedom shortly after noon. Harris was serving a grand larceny sentence of one year and \$1000 fine. He was incarcerated April 13, 1910, and had served more than half his time. His sentence would have expired next March.—Walla Walla Union.

**A Local Globe Trotter.**  
C. V. Daniels of this city, has been inoculated with the globe trotting germ with the result that home has no longer any permanent attractions for him. Scarcely rested from his trip to the Yellowstone park, he left today for Portland, from where he will take ship to Alaska to spend the next two months in a jaunt through the interior of that northern country. He was accompanied as far as Portland by his sister and niece, \$500 Reward for Mutilator.  
The county court today authorized the sheriff to offer a reward of \$500 for the apprehension of the fiend who severed the ears from the mules of L. D. Eaton Tuesday night. Public sentiment has been aroused by this latest mutilation of animals and there is a urgent demand that every effort be made to bring the culprit to justice. This task is, however, a difficult one for there is no clew on which to work.

**Academy Wood Pile Burns.**  
The wood saw which cut the winter's wood for St. Joseph's academy left a few sparks in the sawdust which were fanned into a breeze this morning. The fire soon spread to the wood and was burning freely when discovered. The alarm was turned in, but before the fire company arrived, an impromptu bucket brigade had quenched the flames. The sisters of the academy express their appreciation of the quick response of the fire company despite the fact that its services were not needed.

**Recorder to Take Vacation.**  
At the regular meeting of the city council last night, Recorder and Police Judge Thomas Fitz Gerald was granted a leave of absence for two weeks and John Halley, Jr. was appointed to perform his duties during his absence. With his wife and two youngest boys, the judge will leave Saturday morning for Lehman Springs, where he will enjoy life close to nature. It is reported that the fish are fleeing in terror to other streams on hearing of his approaching visit.

**Hoboes, Hoboes, Hoboes.**  
Local O.-W. R. & N. Agent T. F. O'Brien has declared a relentless war on hoboes whose depredations are causing him innumerable worries. Last night in addition to the narrow escape of the lumber building from fire, hoboes were responsible for the breaking of the seals on two way cars. Mr. O'Brien declares the average citizen has no conception of the number of these idle men who hang about the depot grounds, some of them for weeks at a time, and no says his peace of mind is constantly harassed by their presence.

**Market Editor is Here.**  
Hyman H. Cohen, commercial editor of the Portland Journal and one of the best students of the markets in the northwest, arrived in Pendleton last evening on his tour of eastern Oregon for the purpose of studying the grain conditions. He found prospects much better in Gilliam county than late reports would indicate, the recent rains having raised the estimated yield from 500,000 bushels to between 750,000 and 1,000,000 bushels. An article on the situation in Umatilla, the banner grain county of the state, will soon appear in the columns of his paper.

**Struck by Pitched Ball.**  
Phil Nadeau, well known to all Pacific Coast fans, is lying at death's door in a Centralia hospital as a result of being hit in the head by a pitched ball in a game against Chehalis on the Fourth. The ball, thrown by Pitcher Fitchner, formerly of Seattle, struck him just back of the temple on the left side of the head, fracturing the skull. Nadeau will be remembered as the shortstop who played with Walla Walla during the two games against the Buckaroos in this city. He was formerly a member of the 1902 champion Portland team of the Pacific Coast league and has since played in several Northwest league teams.

**Booze Nearly Causes Fire.**  
As the result of the disappearance of a bottle of whiskey, the O.-W. R. & N. lumber shed and nearby buildings had a narrow escape from fire last night, only the timely arrival of Roadmaster Buhner preventing the conflagration. Two hoboes had lost their precious bottle in the lumber building and had lighted a fire with some paper to assist them in recovering their treasure. The flames soon spread and the two men were in the act of beating a retreat when Buhner happened along the track and noticed the blaze. Buhner grabbed the hat off one of the hoboes and used it to good advantage as a water bucket. When the fire was put out, the men fled with the roadmaster in pursuit, but they finally escaped in the darkness.

**File Claims Against Mexico.**  
El Paso.—Damage claims against Mexico aggregating \$250,000 arising from the killing and wounding of several Americans in El Paso during the battle of Juarez, have been filed with the state department at Washington, according to local representatives of the claimants. The claims vary from a few hundred dollars each to \$25,000.

## UMATILLA TEACHERS MAKE GOOD SHOWING

Umatilla county teachers seem to reach a higher standard of efficiency than most of the other counties over the state according to a letter received at this office from Salem and Prof. H. M. Gunn of Hermiston seems to be well in the lead of the field. The letter follows:

"It has been reported in a Portland newspaper that many of the teachers who took the examinations a short time ago, are falling to pass. This is not true however, as regards Umatilla county. The teachers of Umatilla county are, with few exceptions, making excellent grades, and to Prin. H. M. Gunn of Hermiston belongs the distinction of having made the second highest average in the entire state up to this time, he having received a grade of 100 per cent in three subjects.

"The state board of examiners is making rapid progress with the grading, and according to county superintendent Welles, who is a member

of the state board and is now in Salem, the results of the examinations will probably be known the latter part of this week."

**Revenge!**  
"That fellow cut me out in a very underhanded way."  
"Yet you are going to the wedding?"  
"Yes. I may get a chance to soak him with an old shoe."
