ASKS NEW INDICTMENTS FOR ALLEGED DWNSMILTERS

Los Angeles, Cal., July 12.—District Attorney Fredericks appeared before the grand jury today and asked for new indictments against Cannon, Tom Bender and A. R. Maple, charged with having attempted to dynamite the Hall of Records. The former indictments were quashed. The decision of Judge Bordwell, on the defense's motion to quash the indictments against the McNamara brothers, will be given tomorrow morning.

If the ruling is adverse to the McNamaras, they will be asked to plead and their trial set for this fall.

WANTED TO BE A HERO.

Terrible as it is to be slain in battle, there is one thing the soldiers fear worse, declares a veteran. That is to miss the honor of taking part in a great battle, and to die ignominiously at home, when his country needs him. A Michigan brought this out during the civil war.

The man had only just gone to the front, and had seen no real fighting. One day while on the march he fell and was run over by the gun carriage. He was so badly crushed that, sorely against his will, he had to be flung overboard and sent home.

While he lay in bed under the doctor's care the battle of Gettysburg broke out. He was so badly crushed that, sorely against his will, he had to be flung overboard and sent home.

If you can't say that, then say "Killed at Gettysburg—during a temporary absence at Brookfield, Mich."

YOUTH'S COMPANION.

"Doctor, if I go, promise me this. My stone shall bear these words: 'Killed at Gettysburg in the front of battle.'"

"But you weren't," objected the physician.

"I know. But it wasn't my fault; was fought. The man feared he would die, and keenly regretted that, since he must go, it could not have been on that glorious field. He called upon the doctor to bear his last request."

COLORED MURDERER PAYS DEATH PENALTY

Charleston, S. C.—Daniel Duncan, colored, was hanged for the murder on Jan. 21, 1910, of Max Labelsky, a Jewish merchant, the crime being among the most atrocious in the annals of this state. Until the late moment Duncan showed great nerve, but as the black cap was being adjusted he fainted, the trap being sprung while he was in this condition. To the last the negro stoutly maintained his innocence of any knowledge of the crime, leaving a statement for the newspapers.

ASSAILANT SPIRITED AWAY TO PREVENT LYNCHING

Massillon, O., July 12.—After one hundred armed deputies and police had kept a mob at bay for several hours, Harvey Mickens, a negro, who is charged with assaulting Myrtle Evans, a white girl, was spirited out of this city this morning by the authorities to prevent a lynching.

U. S. LINED UP WITH ENGLAND AND FRANCE

London, July 12.—That the United States has formally lined up with Great Britain and France in opposing Germany's aggression in Morocco, is declared this afternoon by most newspapers of this city.

They assert that Washington has formally notified Germany that the establishment of a naval base on the Moroccan coast would be considered a menace to American interests and to the Panama canal.

GENERAL STRIKE.

New York, July 12.—A general strike of leather workers in the New York district, involving about 6000 men is pending, according to an announcement from the executive committee of the union. The strike order will go into effect July 15 unless a new wage scale and an agreement between the union and the manufacturers is adopted before that date. About 1100 members of the union are now idle, some of whom are on strike, the rest being locked out.

WEBB MUST HANG; LAST HOPE IS GONE

Salem, Or.—J. P. Webb must hang. His appeal was dismissed by the supreme court today because his attorney failed to file a transcript in time. Judge McBride in one of his brief decisions, dismissed the appeal.

Webb was convicted of murder in the first degree and October 20 was sentenced to death. On December 3 his notice of appeal was duly served and filed and a stay of execution was granted. The defendant was given until February 1 to file his transcript in the supreme court. No further order was ever made.

FEARFUL BURNING ITCH WAS CURED

By Cuticura Soap and Ointment. Another Man Had Itching on Scalp. Hair Fell Out, Leaving Bald Spots. Now Hair Has Grown, Thanks to Cuticura Soap and Ointment.

"I deem it my duty to tell about a cure that the Cuticura Soap and Ointment have made on myself. My trouble began in spots breaking out right in the edge of my hair on the forehead, and spread over the front part of the top of my head from ear to ear, and over my ears which caused a most fearful burning itch, or eczema. For three years I had this terrible breaking out on my forehead and scalp. I tried our family doctor and he failed to cure it. Then I tried the Cuticura Soap and Ointment and used them for two months with the result of a complete cure. Cuticura Soap and Ointment should have the credit due, and I have advised a lot of people to use them." (Signed) C. D. Tharrington, Creek, N. C., Jan. 25, 1911.

"I will say that I have been suffering with itching on my scalp for the past few years. My hair fell out in spots all over my head. My scalp started to trouble me with sores, then the sores healed up, and crusts formed on the top. Then the hair and crusts fell out. I went to more than one doctor, but could not get any relief, so I started to use the Cuticura Soap and some tried one bar of Cuticura Soap and some tried one bar of Cuticura Ointment, and felt relieved right away. Now the bald spots have disappeared, and my hair has grown, thanks to the Cuticura Soap and Ointment. I highly recommend the Cuticura Remedies to all that are suffering with scalp trouble." (Signed) Samuel Stern, 236 Floyd St., Brooklyn, N. Y., Feb. 7, 1911.

Although Cuticura Soap and Ointment are sold everywhere, a liberal sample of each, with 32-p. book on the skin, will be sent post-free, on application to Foster Drug & Chem. Corp., Dept. 93, Boston, Mass.
