PERMANENTLY HEALS **SORES AND ULCERS**

No matter in what way an old sore or ulcer first commenced, whether from a wound, cut, or bruise, or from the ulceration of a wart, pimple or mole, or even if it came without apparent reason, the fact that it does not heal shows that bad blood is responsible for the place. While the circulation remains impure and polluted, the nerves and tissues of the flesh around the place are constantly being fed with unhealthy matter and the fibres are thus prevented from knitting together and healing. Purify the blood and the place MUST heal, its cause having been removed. S. S. S. cures old sores and chronic ulcers being quoted. Short crop and unfabecause it is the greatest of all blood purifiers. It removes from the vorable weather conditions in the circulation every taint or impurity, and so enriches the blood that it feeds and nourishes the tender, sensitive flesh, causes a knitting together of all fibrous tissue and thus heals the place naturally and permanently. Book on Sores and Ulcers and any medical advice desired sent free to all who write and request it. S. S. S. is sold at THE SWIFT SPECIFIC CO., ATLANTA, GA. drug stores.

BABY PITIFUL

Head to Foot. Dared Not Wash Him. Used Cuticura Soap and Ointment 4 Weeks and He Was Cured.

"A few days after birth we noticed an inflamed spot on our baby's hip which soon began spreading until baby was completely covered even in his eyes, cars and scalp. For eight weeks he was bandaged from head to foot. He could not

have a stitch of clothing on. Our regular physician pronounced it chronic eczema. He is a very able physician and ranks with the best in

this locality, neverthe-less, the disease began spreading until baby was completely covered. He was losing flesh so rapidly that we became alarmed and de-cided to try Cutleura Soap and Ointment.

"Not until I commenced using Cuticura Soap and Ointment could we tell what he looked like, as we dared not wash him, and I had been putting one application after another on him. On removing the scale from his head the hair came off, and left him entirely bald, but since we have been using Cuticura Soap and Ointment he has as much hair as ever. Four weeks after we began to use the Cuticura Soap and Ointment he was entirely cured. I don't believe anyone could have eczema worse than our baby.
"Before we used the Cuticura Remedies
we could hardly look at him, he was such

a pitiful sight. He would fuss until I would treat him, they seemed to relieve him so much. Cuticura Soap and Ointment stand by themelves and the result they quickly and surely bring is their own recommendation." (Signed) Mrs. T. B. Rosser, Mill Hall, Pa., Feb. 20, '11.
