old. Secretary of State Elliott, another member of the board, is also in favor of forcing the reclamation company into giving a sufficient guarantee and if necessary to report the matter to the federal authorities. The letter which angered Morson was one demanding that he furnish the board the required data and cease to take money from settlers in advance of getting water on the land.

SENATOR NELSON NUDGES PRESIDENT

Washington, Aug. 1.—Senator Knute Nelson, of Minneapolis, who is a son only incidentally, and a farmer by profession, has a brand of quiet humor in his make-up that is unique in officialdom. The Minnesota Viking was a member of the party that recently accompanied President Taft on his memorable automobile trip to Manassas.

When rescued from Senator Brandegee's car, which was stalled in the middle of a ford, swollen by the afternoon rains, Senator Nelson was taken into President Taft's car. The senator, known for his determined opposition to reciprocity, must come along with the president as his vote was needed.

The senator came and sat silent while the president and members of his party joked him about his rescue by the administration he was opposing. Senator Martin spoke of John Hay Hammond, special ambassador to the coronation of George V., and retold the story of how he had nudged the king, to the dismay of the English courtiers.

Senator Nelson made no comment. Just then the car lurched as it went over the rough road, and Senator Nelson was thrown against President Taft.

Without a vestige of a smile, Senator Nelson remarked, dryly: "I suppose now they will say of me out in Minnesota that I have been nudging the president."

A Golden Wedding

means that man and wife have lived to a good old age and consequently have kept healthy. The best way to keep healthy is to see that your liver does its duty 365 days out of 366. The only way to do this is to keep Ballard's Liver Pills in the house and take it whenever your liver gets inactive. 50c per bottle. A. C. Koepfen & Bros.

The well is a mile northeast of the Standard's pump station between the Honolulu Consolidated's gasser on section 4, 32-24, and the Standard's gasser on 26, 31-23.

The drill went through the sand at 2150 feet and the well is finished with 4 1-2-inch pipe, the oil testing 25.5 gravity.

Attack Like Tigers

In fighting to keep the blood pure the white corpuscles attack disease germs like tigers. But often germs multiply so fast the little fighters are overcome. Then see pimples, boils, eczema, salt-rheum and sores multiply and strength and appetite fail. This condition demands Electric Bitters to regulate stomach, liver and kidneys and to expel poisons from the blood. "They are the best blood purifier," writes C. T. Budahn, of Tracy, Calif., "I have ever found." They make rich, red blood, strong nerves and build up your health. Try them. 50c at Koepfens.

The wedding took place in the jail.

Miss Carpenter met Baker when she went to the jail with a woman friend to visit the latter's husband.

TERMITES AT SPICELAND

White Ants Honeycomb Wood in Coal House and Bath. Spiceland, Ind.—White ants, or termites, have made their appearance here.

The coal house at the Reilly County bank has become infested with the insects, the ants being literally honeycombed by them. A barn belonging to C. W. Hudson, on an adjoining lot, is also overrun with the pests. Kerosene and gasoline are being used to exterminate them. It is not yet known whether these means will be effective.
