

# HEAD WAS SCALY HAIR ALL CAME OUT

### And Baby's Face Broke Out in Red Bumps, Spread on Hands and Arms. Got Worse All the Time.

### Mother Says, "I Don't Think Anything Else Would Have Cured Him Except Cuticura."

"When my first baby was six months old he broke out on his head with little bumps. They would dry up and leave a scale. Then it would break out again and it spread all over his head. All the hair came out and his face broke out all over in red bumps and it kept spreading until it was on his hands and arms. I bought several boxes of ointment, gave him blood medicine, and had two doctors to treat him, but he got worse all the time. He had it about six months when a friend told me about Cuticura. I sent and got a bottle of Cuticura Resolvent, a cake of Cuticura Soap and a box of Cuticura Ointment. In three days after using them he began to improve. He began to take long naps and to stop scratching his head. After taking two bottles of Resolvent, two boxes of Ointment and three cakes of Soap he was sound and well, and never had any breaking out of any kind. His hair came out in little curls all over his head. I don't think anything else would have cured him except Cuticura. I have bought Cuticura Ointment and Soap several times since to use for cuts and sores and have never known them to fail to cure what I put them on. Cuticura Soap is the best that I have ever used for toilet purposes." (Signed) Mrs. F. E. Harmon, R. F. D. 2, Atoka, Tenn., Sept. 10, 1910.

Cuticura Soap and Ointment sold throughout the world. Send to Foster Drug & Chem. Corp., Dept. 100, Boston, for a liberal sample of each, post-free, with 32-p. book on the skin.

## CATTLE MARKET GENERALLY FIRM

### SCARCITY OF HOGS IS CAUSING ALARM

#### Sensational Rise of Twenty-five Cents Marks Day at North Portland—May Wheat Market Becomes Excited at Chicago.

(From Friday's Journal.)  
The cattle market in general is steady, but offerings are not bringing the tops that were secured a few days ago. At that time a sale was really made 25c above the market. The transaction was a forced one, the buyer having purchased several loads and in order to get another was compelled to bid higher in order to get it.

For a moment it was a case of supply and demand but the latter was filled with that single transaction, therefore it was not necessary for the rest of the trade to bid the high mark.

Of special feature in the livestock trade today was the bringing here of six loads of Montana cattle by Clayton & Marmont. The fact that the market at competing centers is higher than Portland for the finer grade stuff would tend to make such a movement a risky proposition.

Packers continue to offer a premium for select quality cattle and shippers of these are getting more in proportion than those that sent poorer stuff. The market is loaded with the latter and killers have a sufficient amount to tide them over for some time.

North Portland range:  
Best steers ..... \$5.85 @ 5.90  
Choice steers ..... 5.60 @ 5.75  
Ordinary steers ..... 4.50 @ 5.00  
Common steers ..... 4.00 @ 4.25  
Fancy cows ..... 5.00  
Fancy cows ..... 4.60  
Ordinary cows ..... 3.00 @ 4.00  
Common cows ..... 3.00 @ 3.25  
Fancy bulls ..... 3.75 @ 4.00  
Good ordinary bulls ..... 3.50 @ 3.50  
Common bulls ..... 2.00 @ 2.75  
Fancy light calves ..... 7.00 @ 7.25  
Ordinary calves ..... 5.50 @ 6.00  
Common calves ..... 4.00 @ 5.00

#### Only Nebraska Hogs Arrive.

While seven loads of hogs came forward to the yards at North Portland today, every head of them were from the Missouri river territory and were brought in two lots to local killers.

The scarcity of hogs here is causing some concern among the smaller killers who are unable to bring in car lots because of the heavy expense involved. Therefore whenever opportunity arises they are seemingly willing to bid advanced quotations.

There was a sensational rise of 5 to 25c in the swine trade at North Port-

land today that will make local packing interests sit up and take good notice. The new price placed tops at South Omaha at \$7.20 which means that it would cost \$8.20 or 20c above the exarime value of yesterday to land these supplies at Pacific northwest points. Therefore it is again evident that the local hog trade would stand a very substantial advance over the \$8 mark.

#### Sheep Are Held Over.

While there were no arrivals in the sheep and lamb trade at North Portland since yesterday, the arrivals then were heavy, having included 2559 head. Owing to the overfull condition of buyers' feed lots quite a large amount of stuff was carried over. The market is generally considered unchanged for the prices of the past few days, with yearling wethers \$3.75 and others at \$3.25 and \$3.50.

Market for sheep was firm at South Omaha today, but no price was changed except in the case of lambs, which are 25c higher. Yearlings are quoted here today at \$3.90 @ 4.40, wethers \$3.10 @ 3.50, ewes \$2.75 @ 3.55, and lambs \$6.25 @ 6.85. These values are still considerably above those in effect here.

#### Grain and Hay.

Wheat—New crop nominal. Track delivery, 76; bluestem, 80 @ 81c; forty fold, 76 @ 77c; red Russian 73 @ 74c; Turkey red 76 @ 77c.

Oats—New crop nominal. Producers price—Track, No. 1 white, \$26; gray, \$25; old crop white, \$27 @ 27.50.

#### Barley—New crop. Producers' price—1911—Feed, 22c; rolled, \$29.50; brewing, \$28.

#### May Wheat Market Excited.

Chicago, Aug. 5.—May wheat advanced to \$1.03 1-8 yesterday before its rise was arrested but it closed strong or 1 3-4c a bushel higher than the close of yesterday. Other options advanced from 3-4 to 7-8c.

Wheat market opened with a weaker tone and losses of 1-4 to 3-8c were made at the start, July opening at 91 3/4, September 95 3/4 and May \$1.00 1-2.

Foreign markets were generally firmer. Liverpool opened with an advance of 1-4 to 3-8d and closed 3-8 to 12d above yesterday.

### FIND MUMMY IN OLD BARN.

#### Haymakers Find Corpse 3000 Years Old on Egyptologist's Estate.

Pittsfield, Mass.—Clearing out an old barn on Ashintully farm owned by Robb De P. E. Hale and others.

The sheriff refused to touch the body until the medical examiner had seen it, and Dr. D. M. Wilcox was summoned from Lee. He ordered the body brought out.

### BODY DRAGGED FOR DAYS.

Indications Are Mountain Tied Rope to Arm to Lead Animal Easily.

Glasgow, Mont.—The mutilated body of Lawrence Soboleski, a sheep rancher, near the Canadian line, was brought to town in a badly decomposed condition. He left the camp about a week ago on horseback leading a wild horse by a rope tied around its neck and it is supposed he got tired of holding the rope and tied it to his arm, and in some manner he was jerked from his mount and dragged to death.

When found the rancher's body was still attached to the horse. Life had been extinct for several days. Indications were the body had been dragged for days.

### COUNTESS DISPLAYS NERVE.

Chicago.—Presence of mind in applying the brakes in a forty horsepower touring car which she was driving at Lake Forest, saved the Countess Cityzeki, who was Miss Eleanor Patterson of Chicago, from a serious mishap when one of the rear wheels of the car broke off and the machine turned completely around.

The Countess was alone in the car at the time. The machine skidded and one of the rear wheels buckled under and broke off. The Countess applied the brakes and the car swerved around and came to a dead stop. "I knew if I jumped I would be hurt, so I stuck with the car and fared not," said the Countess.
