

GOING OUT OF BUSINESS

Owing to conditions over which this store has no control it has become necessary to close out entire stock at once. There is approximately \$30,000 worth of men's clothing, shoes, furnishing goods, in this store at the present time and this sale is inaugurated with a view of closing it out entirely regardless of cost, former value or the loss involved. This sale will surpass any former effort ever attempted by this or any other store in the city of Pendleton, for it is a bonafide, closing out sale and one that means that the goods must be sold irrespective of the price they will bring. Without doubt this stock will be sold at the lowest prices the people of Pendleton have ever witnessed in any sale. Bankrupt stocks not excepted. Remember, entire stock goes without restriction or reservation.
